Courting investigation.—"Life."

THREE YEARS OF ECZEMA.

A Dreadful Case of this Torturing Disease—A Permanent Cure by

DR CHASE'S OINTMENT

Few people that have not had eczema can imagine the suffering which this terrible disease entails. It is most frequently likened to a flame of fire burning into the skin, so keen is the suffering caused by the stinging sensation. If neglected, eczema is likely to become chronic, and is very hard to cure. It is not one case in a hundred, however, that will yield to Dr. Chase's Ointment, so powerful is the soothing healing influence of this famous preparation.

Mrs. Link, 12 Walker street, Halifax, N. S. states:—"After three years of miserable torture and sleepless nights with terrible eczema, and after trying over a dozen remedies without obtaining anything but slight temporary relief, I have been perfectly and entirely cured by using Dr. Chase's Ointment. After the third or fourth application of this grand ointment I obtained relief, and a few boxes were sufficient to make a thorough cure.

"It is six months since I was freed of this wretched skin disease, and as there has been no return of the trouble I consider the cure a permanent one. I would strongly urge anyone suffering as I did to try this ointment, and shall gladly write to any who wish to refer to me for particulars of my case. I was so bad with eczema that I would scratch the sores in my sleep until the blood would flow."
