PROWSE BROS., LTD., TODAY
1881-1927

46 years ago on May 1st, 1881 a small shop was opening its doors to the public of Charlottetown by the late Mr. L. E. Prowse.

This small shop has grown into one of the largest and is now beyond doubt the

ECONOMY CENTRE OF THE PROVINCE

Not many firms have to their credit such a record of success, and this success is due to an unflinching faith, a desire to serve and a clever foresight into the future—qualities which were manifest in the late founder of the Business and still to be found enhanced and stronger if possible.

Buy from these splendid lines of goods. No disappointments. Ladies' Ready to Wear, Men's and Boys' Clothing, Gents Furnishings, Staple Dry Goods, Millinery, House Furnishings, etc., in fact everything in our Big Store at Wholesale Prices on these Special Days.

GOOD NIGHT MOTHER!
GOOD NIGHT FATHER!

How happy you felt when you spoke thus in your childhood! Makes you think of "Here I lay me down to sleep" and how the "sand man" came.

Can you picture yourself without a Mother, without a Father, to watch over you?

No Mother to pet you and nourish you, no Daddy to watch for every evening, no one of your own to give you that start in life, that character development so essential to straight-living.

Consider then those many little ones right beside you in Charlottetown whose only homes are these Orphanages without their own mothers and fathers, but fortunately cared for spiritually and physically by generous and kindly people, whose whole aim is to supply as far as is humanly possible that affection which is as food to the young—that early training which is as the supports in the garden round which the young vines twist and upward stoutly grow.

Let Your Heart Define
the Limit

of your donation, your every purchase here means that 10 per cent goes to these Worthy Institutions. Remember these little ones never knew what it is to say
