Lens Grinding

Do You Know-

That we operate the only Lens Grinding Plant on P. E. Island?

That we employ a skilled Surface Grinder, and are daily grinding from the rough glass—the most complicated kinds of lenses?

These are facts, which mean a good deal to the Glass wearing public, doing away with the annoying delays caused by sending away for special lenses.

Send your glasses in by mail, you'll get them back promptly and in perfect condition. Call in and look over our plant.
