WE WANT

To say a few words about our

Bedroom Suites

Last week we sold 41 of them—this is marvellous selling for a town the size of Charlottetown. If we did not by "long odds" have the best value offered anywhere, we could do not the trade we are doing in Bedroom Suites—We show over forty patterns—You must come in if you want to know about them.

We have also dainty white Dressers and Stands—with square or oval mirror plates—priced so low that every one can buy.

DOWIE AND DOWIEISM.

Almost all religious systems have something good in them. Mohammedans are probably the better rather than the worse for their abstinence from swine's flesh and intoxicating liquors. Judged by its fruits Mormonism with all its absurdities is not altogether bad. Industry, thrift and mutual helpfulness to fellow Mormons, and a code of partial good morals are to be placed to its credit.

He gathered about him a large and growing company, many of whom believed they were healed by his prayers, or because he prayed for them. He found thousands ready to trust him with all their worldly wealth. His success appears to have deceived him until he came to believe himself commissioned to establish a new theocracy that should be controlled by himself as the viceregent of the Most High.

"In January 1900 he launched a Zion Land and Investment Company, and purchased 6,500 acres, more than ten square miles in Benton township, Lake County, within forty-two miles of Chicago, on the shores of Lake Michigan, two-and-one-half miles of its eastern border being washed by that great lake.

There are doctors in Zion City, but no drug-drainage and proper sanitation in their business. Among 1,500 children of school age, there has been one death in two years, and that, it is claimed, resulted because of violation of the rule against wading in water. In maternity cases, in natural delivery, there has not been a death in three years. The police carry Bibles instead of bullets. The people give one-tenth of what they earn to the Church. Of this money Dowie does not get one cent.

She—Don't you always shiver when you pass the cemetery? He—Not I. I'm going to be cremated.

All the lung healing properties of the pine are bottled up in Dr. Wood's Nurway Pine Syrup. It is the most satisfactory remedy for coughs and colds of all kinds. Price 25c.
