### Four Good Classes Will Answer Starter's Bell — Match Race Between Ben Ortolan And Waltz Causing Quite A Stir—Usual Course This Afternoon.

With a fine winter's day assur- and a wonderful ice racing ourse the Victoria Driving Club xpect to stage one of the best rograms they have ever given the ublic this afternoon, starting at harp 2 o'clock.

Citizens can get to the course by oing down Richmond St. to Cut or near L. M. Poole & Co.'s umber yard off Water St. The ice perfectly safe for cars, and it is xpected that there will be large umbers there this afternoon. In ddition to the four classes, which nclude the big Free-for-all, there ill be a match race for an unnown amount of money, probably ot a very startling sum, but sufficient to cause quite a lot of exitement. Ben Ortolan and Waltz re the steeds whose respective wners are putting up the coin. n addition to Hush, whose glib and fast way of going has made him so much talked about, Volo Rico, who a year ago was the pacing sensation at Longwood, Florida, will perform under exactly opposite conditions, there being fully 50 degrees difference in temperature. Miss Possibility and Major Aubrey will also clash in this big event, and from it will emerge a contestant to go up against Lucky Lindy for the super-pacing honors on ice.

The first heat of the match race will be called at sharp 2 o'clock, followed by the free-for-all, etc. Spectators are asked to kindly keep from crowding at the finish, as the heats are expected to be very close and difficult to judge. The course will be gone over this morning with the scraper and should be in apple pie order for the racing this afternoon.

## Interscholastic Ice Meet Success

### Eleven New Provincial Records Established when Young Athletes Cut Loose At Forum Last Night.

Last night at the Forum on a splendid sheet of ice the second annual interscholastic ice meet was held before a large crowd of cheering young and old. It was a great meet, eleven new records being set. Good sportsmanship was the key note of the sports. There were many spills, but no lost tempers. There was courage in the face of defeat. One of the contestants in the quarter mile open while racing and leading in his heat fell. Most, in similar circumstances, would have quit cold and, as a matter of fact, some during the evening did, but this young lad arose, girded up his limbs and put on a driving finish to come in third to qualify. This never say die spirit is the quality that counts in the battle of life. The races in which the young ladies participated were very interesting and the meet would have been a failure if the petite lasses had been absent. Outstanding among these were Annie Hennigar, P. S. S.; Marion Rogers, P. S. S.; Edith Hume, P. S. S., and Zilpha Linkletter, P. W. C.

West Kent School won the competition among the schools by annexing a total of 74 points to place against Queen Square's 40. To old West Kenters this win was pleasing and was due chiefly to the fine work of Crabbe, Fitzgerald and Rattenbury. The W. K. S. youngsters had a part in the winning but the Q. S. S. small boys were just as good. Peter Campbell, Q. S. S. flash, tried hard to offset the W. K. S. trio but his game effort was in vain. These two schools outdistanced the others represented.

Barton Crabbe won the all round trophy, donated by Pickard's Bike Shop, from Rowan Fitzgerald by one point. The point scores of the three leaders were: Crabbe, 16; Fitzgerald, 15; Rattenbury, 12.

League champions, tonight defeated Digby Ravens, western Nova Scotia winners, 6-0 to win the first of a two game series for the right to play Halifax Wolverines for the provincial hockey title. ## APPROVES OF TITLE MATCH

CHICAGO, Ill. Feb. 26—(CP) — The National Boxing Association by a majority vote today approved the world's heavyweight championship match between Max Schmeling of Germany and Jack Sharkey, of Boston, scheduled for next June.

## *Intercollegiates Play To-Night*

The second game of the series between the P. W. C. and S. D. U. sextettes for the Provincial Intercollegiate Championship will be held this evening. An ever increasing interest is being manifested in student circles and elsewhere in the outcome of this fixture. An idea of the relative strengths of the teams may be gained from the outcome of the first game, 5-5, played in the St. Dunstan's Rink some time ago.

The Saints have their usual heady and fast aggregation this year, a team which in past seasons reflected much credit on itself and on the institution it represents.

The Prince of Wales boys are as speedy a group of collegiate hockeyists as one could wish for. Many P. W. C. players have been rendering a good account of themselves in the Junior League this winter. The team itself is a smooth-working scoring and defensive machine.

Both teams are out to win tonight's game to take the lead for the championship.

**CHALLENGE ACCEPTED**

We, the undersigned hereby accept the challenge of Messrs. McDonald and Clark Ltd., to a friendly game of hockey to be played by mutual agreement in the Forum on Saturday at 6 p. m.—Carvell Bros. Ltd.

**CHALLENGE**

We the East-End Ramblers do hereby challenge the Oriebar Autocrats to a friendly game of hockey to be played anywhere suitable to both teams. Lineup: Goals, J. Hogan; Defence, E. Drane and W. Gillis; Forwards, J. Michael E. Callaghan and W. Mullins.—Signed, J. Michael, Capt.

## Wolverines Win Eastern Ch'Ship

### Take Bearcats Into Camp Last Night In Deciding Tilt 3-2

HALIFAX, N. S., Feb. 26. (By the Canadian Press)—Halifax Wolverines won the eastern hockey league title tonight by defeating Truro Bearcats, last year's Maritime champions, with a score of 3-2. It was the fifth game of the league play-off series, each team having two wins to its credit.

## LOOKING 'EM OVER

**A GREAT VICTORY**

Dalhousie Rangers, newly crowned champions of the Senior Northern Hockey League are deserving of every congratulation on their splendid victory over the fighting Moncton Hawks at Dalhousie last night.

The Rangers battling nip and tuck in one of the fastest leagues the Maritimes have ever seen, fought the good fight, played the game fairly and squarely and at the same time led their section of the League in the finish.

In the play-offs they demonstrated they are the better team, and to the victors go the spoils. They have at last scaled the heights of New Brunswick-P. E. Island hockeydom and are deserving of every praise, not only for their hockey ability, but their consistent good sportsmanship as well. Again, we say, all hail Dalhousie Rangers and may your efforts continue to be successful.

**WOLVERINES SURPRISE**

Halifax Wolverines upset the hockey dope in their home rink last night by not ony trouncing Truro Bearcats 3 to 2, but at the same time running away with the Eastern Nova Scotia Hockey League title.

However, looking at the Butler crew from the gate, the above mentioned surprise is not so glaring. The Wolves, during the past few weeks have shown a marked reversal of form, so much so that they have given as good as they have received in their games with Bearcats, and no doubt went into the game last night an even bet to trounce the former Maritime champions. Congratulations, Wolves!

**RECORDS GY BY BOARD**

Eleven Provincial records were shattered at the Interscholastic Ice Meet held at the Forum last night.

Among the large number of young athletes competing was Barton Crabbe, who won the alround cup for the highest aggregate of points scored during the meet.

**PROVINCIAL JUNIOR FINAL**

The final game for the Junior Hockey Championship of the Province and for the right to meet the Nova Scotia champions in the Maritime semi-finals will be played between the Queen Hotel and the Levin Fur teams in the Forum tonight. This game has all the earmarks of being a hard fought game from the first whistle and it is to be hoped a large number of fans will attend to cheer the boys along.

**TO THE RACES**

Everybody is going to the horse races on the harbor ice this afternoon. Nice weather should see a great crowd on hand.

**Will Be Asked To Explain**

"Mr. Leo Dolan will most assuredly be asked to air his charges before the governing body of the Canadian Amateur Hockey Association," remarked Jack Hamilton, president of the association, today.

He referred to an article which alleged that Maritime hockey leagues were tainted with professionalism. It was proper to put such matters before the governing body, he said.

**The N. H. L. Race**

With teams sizzling into the stretch in both divisions of the N. H. L. the closest race in league history is on tap. The distribution of Ottawa and Philadelphia hockey talent has achieved the intended result, as so far every club has a playoff chance. Thus the magnates can claim their usual justification for the three team playoff system, which they maintain has kept interest sustained to the finish of the race. The fight for position has never been surpassed. Rangers alone are certain of their position as their victory at Boston last night makes them sure of winding up in first place. Canadiens, though they have a two point advantage over Maple Leafs, have played one game less. Americans have a chance to steal into third place, although this is regarded as a remote possibility when all angles of the schedule are considered.

Chicago, who were expected to drop by the wayside in the American section to make room for either Boston or Detroit, have shown remarkable tenacity. They have one game in hand over Detroit, have played an equal number of games with Bruins. The swing of the schedule can bring some startling changes in ten games. The idea of Boston being out of a playoff is one that doesn't seem to fit the picture. When only eleven games to go they have six on the road. That renders their task more difficult, but if they have their old quality should rise to the occasion, though their followers must be getting dubious of their ability.

**Boxers Who Came Back After Knockout Losses**

After commenting on the fact that Billy Townsend and Eddie Ran, who are to meet at Madison Square Garden tonight, were both knocked out by Billy Petrolle in bouts at the Garden, Wilbur Wood, New York Sun boxing writer, reminisces over boxers of the past who "came back" after suffering knockout defeats.

A standout among the one-round finishes, he relates, was supplied by Joe Gans, when he took the lightweight title from Frank Erne in less than a minute of boxing. That was at Fort Erie in 1902.

George Chip lost the middleweight laurels to Al McCoy in the first round of their Brooklyn brawl in 1914. Jack Dempsey passed out in the first round of his tilt with Jim Flynn, but came on to win the heavyweight title. Even Jack Britton, the master of defense, was stopped in the first round by Steve Kinney. A one-round knockout that set the whole country buzzing was that chalked up by Willie Jackson at the expense of Johnny Dundee. They made fortunes boxing each other after that, but Jackson never was able to hang the finisher on Dundee again.

Billy Papke stopped Hugo Kelly in the first frame of a bout that was to have gone 45 rounds. They previously had gone 25 rounds to a draw, and the promoter who put on the return bout booked no preliminaries, so certain was he that the bout would last a couple of hours. That probably was the shortest show ever staged.

"Kid" Norfolk stopped the late Tiger Flowers, but Flowers came on to win the middleweight championship. Generally speaking, those first-round knockouts do not seem as damaging as the ones that come later in a bout.

There was one case, though, where a one-round knockout was tragic, that afternoon in Calgary in 1913 when Luther McCarty lost his life as the result of a seemingly light punch to the head, delivered by Arthur Pelky.

## AMHERST 4 MT. ALLISON 2

(Canadian Press)

SACKVILLE, N. B., Feb. 26.—Amherst Ramblers defeated Mount Allison 4 to 2 tonight in the first of home and home games for the Central League title.

Ramblers had been heavy favorites to win the game, but Mount Allison, handicapped by the absence of two regular front-line men, put up a plucky exhibition against the New Brunswick-Prince Edward Island title holders of last year.

Amherst took the offensive in the first period, but the Collegians defence man broke up play after play and their goalie gave an excellent performance. White started the scoring for Amherst and Fraser followed with a goal for the University.

Mount Allison's last tally was shot by Chapman in the second period. Dalton scored three minutes later, and Jones and White had one each in the third period.

**THE SUMMARY**

## Dalhousie Trims Moncton 3 To Nil In Crucial Tilt

### Winners Count In Second Period And Added Two More Goals In Final Minutes Of Third Frame.

DALHOUSIE, N. B., Feb. 26. (By the Canadian Press)—Dalhousie Rangers are 1932 champions of the Senior Group Northern section, Maritime Amateur Hockey Association, more commonly known as the Senior Northern League, outstanding senior loop for New Brunswick and Prince Edward Island.

While holding Moncton Hawks scoreless in the deciding match of a three game series for the league championship, Dalhousie shot one goal in the second period tonight and two more in the third period. The contest was for the best two games out of three. Dalhousie defeated a weakened Moncton team 10 to 1 in the first match, but the Hawks, with their regular line-up, tied the series by winning the second game 3 to 1.

Billy Gulliver scored the first goal, Dud James added another and Frank Graham shot the third 25 seconds before the end of the game. The crowd went wild as each tally was made, and Graham's solo dash climaxed the excitement. Dalhousie forced the play from the opening whistle.

The first period was fast, numerous shots missed the net, and both goalies prevented any scoring. Play started slowly in the second period, but speeded until the teams were playing heads-up hockey. Most of the shots were from outside the blue line. Gulliver came down right wing and slammed a hard drive into the cage, five minutes from the end of the period. The Rangers then adopted defensive play.

In the final period Dalhousie seized every opportunity to score James' tally practically assured victory, and Graham clinched it with his last minute solo effort.

The lineups follow:

**Dalhousie**—McCann, goal; Walker Graham, defence; D. James, LeBlanc, centre; Kerr, Butterworth left wing; D. Taylor, Al Taylor, Gulliver, right wing.

**Moncton**—Foster, goal; Gill, Burrage, defence; McDonald, N. Cook centre; Connolly, Red Cook, left wing; McIntosh, Muckle, James right wing.

Referee—Jean Sauve, Montreal.

**THE SUMMARY**

Stops—Foster, 9; McCann, 9.

**Second Period**

1—Dalhousie, Gulliver (unassisted), 14.57.

Penalties—Gill, LeBlanc, Kerr.

Stops—Foster, 10; McCann, 4.

**Third Period**
