## The Central Guardian

IT PAYS to buy in this Province.

**HARTNEY.**—Service at Hartney Hall Friday evening at 8.

**PATRIOTIC COOKING SALE** at Stanley Bros. Thursday afternoon from 3 to 6. Pies a specialty. 517-5-16M21.

**BAPTIST CHURCH TONIGHT.**—Prayer meeting will be held at 8 in the Baptist Church this evening at 7.30 closing in time to attend the Mass Meeting in the Market Hall.

**ENGAGEMENT.**—Mr. and Mrs. George D. Jenkins, Hillsboro, announce the engagement of their daughter, Mary Emma, to William E. Jones, Mt. Herbert. Marriage to take place in June. 512

**CAPTAIN BEST TONIGHT.**—A meeting of unusual interest and one which will crowd the Market Hall to the doors is that which will be held tonight when Captain T. F. Best, just returned from France, will speak. Capt. Best went through the South African war as a Y. M. C. A. representative, receiving his appointment from Lord Roberts personally. In South Africa he proved his mettle and won the friendship and esteem of Col. von General Lessard; a friendship which has continued ever since. The captain has been with the Canadian troops since the beginning of this war, and has doubtless met in France, many of the boys from the Island and will be heard with special interest.

**VALLEYFIELD.**—A concert in aid of Red Cross Funds was held in the Orange Hall, Valleyfield on Monday, April 30th. A splendid programme of vocal and instrumental music was listened to by a good audience. The members of the Red Cross are deeply grateful to Miss Martin, Grand View, for her splendid rendering of two solos, to Mr. McKinnon, Grand View, for selections on the bagpipes, Mr. D. E. McLeod, Bellevue, for selections on the gramophone, Mr. J. Mathieson and his choir who entertained the audience with choruses, trio and duets. A special feature of the programme was the part taken by the pupils of East and West Valleyfield schools, in their rendering of choruses, dialogues, recitations and drill, great credit is due pupils and teachers for the able way in which they, one and all, did their part. The accompanists for the evening were Mrs. A. Martin, Grand View, and Miss Mathieson, Brooklyn. Mr. W. McLeod ably discharged his duties as Chairman, a hearty vote of thanks was tendered all those who took part. A good sum was realized. The entertainment closed with the singing of the National Anthem.

**A MEDICAL NEED SUPPLIED.**—When a medicine is found that not only acts upon the stomach, but is so composed that certain ingredients of it pass unaltered through the stomach to find action in the bowels, then there is available a purgative and a cleanser of great effectiveness. Parmelee's Vegetable Pills are of this character and are the best of all pills. During the years they have been in use they have established themselves as no other pill has done.

## Economy The Best is Always Cheaper In The End

The value of drugs or of a prescription is not in the price you pay for it, but in the good they do. The failure of customers to demand **DRUG QUALITY** is often responsible for serious results. All drug buyers should know that quality is the true test of cheapness. The same truth also applies to the buying of **DRUG SUPPLIES**.

Compare our prices with those asked elsewhere and carefully note the comparative quality of goods. If you pay higher prices than we ask, you pay too much. If you pay less than our prices, you will get inferior quality. Best quality at lowest cost is a rare combination—but that is just what we offer you.

**Johnson & Johnson**  
The Quality Druggists  
Cor. Kent and Prince Sts.

## We Warned You Before

That the cost of all kinds of **BOOTS AND SHOES** **KEEPS GOING UP**

We are prepared however to **Help you out**

as we have many hundreds of pairs of Footwear which we purchased before high prices and now offer them to you at **Old Prices**

as long as they last. This month is going to be a **CHANCE FOR BARGAINS** and our advice to you is to buy at once your **SUMMER BOOTS**

**Morris-Smith-Beer**

**CLIFTON.**—There will be service in Clifton Lot 48 Church, Wednesday evening at 8.

**COAL.**—Barge King Malcolm arrives in this port this morning with a cargo of 2000 tons of coal for Buntain, Bell & Co.

**ENGAGEMENT ANNOUNCED.**—Mr. and Mrs. M. MacKenna, of Newton have announced the engagement of their daughter Elizabeth, to Mr. Frederick Sheenan of Medford, Massachusetts. 501.

**POWNAL.**—The service in Pownal Methodist Church Sunday evening was of special interest. Two young people were baptized and six in all were received into the membership of the Church. The pastor announced that eighteen members had been added to the Church during the past year. Ten at Millville, six at Pownal and two at Clifton—with the likelihood of others in the near future. The communion service at the close was the largest for several years.

**A GENEROUS OFFER.**—Mr. J. A. Messervey, who owns fifty-two acres of land, adjoining his summer residence at Langley Beach, last twelve minutes, by motor boat from Charlottetown, states that he is willing to hand these fifty-two acres over to any person or persons, who will cultivate same this season, the conditions for which are that the products be sold and the proceeds devoted to the Patriotic Fund, after all expenses have been deducted. Mr. Messervey is also in correspondence with interested parties to see if the four hundred and fifty four lots which he owns in the city of Winnipeg and Fort William, cannot be cultivated under the same conditions. This is a very patriotic and laudable action and no doubt other persons who own lands and lots may be encouraged to make similar offers.

## PERSONALS

His Lordship Bishop O'Leary returned yesterday from Quebec.

Mr. J. W. Callbeck, Summerside, was in the city yesterday.

Mr. E. H. Monkley, Summerside, was in town yesterday.

Mr. C. McGuigan, French River, was a visitor to the City yesterday.

Miss Vera Campbell, teacher at Clifton, is spending a few days in the city.

Mr. Oswald Wright, city, left yesterday for Moncton.

Lieut. Colonel H. D. Johnson, M. D., has arrived in Canada and is now in Ottawa.

Miss Ruth Watson, city, returned on Monday night from her visit to Halifax.

Mr. J. M. Clark, late Secretary of the Y. M. C. A., left yesterday for New Glasgow, N. S.

Dr. J. Haszard, has arrived home from Montreal to visit his parents, Mr. Justice and Mrs. Haszard.

Miss Elspeth Leslie who had been attending Prince of Wales College returned to her home in Morrell, yesterday.

Mr. George MacLean, Souris West, has returned to his home, after visiting a few days in New Glasgow, Nova Scotia.

Miss Lila Watton, Victoria, spent Friday in Charlottetown the guest of her grandmother, Mrs. Carrie Wilson.

Mr. and Mrs. Arthur Burns, leave this morning for Alberton to attend the funeral of the former's brother, Frederick Campbell, of Utica, N. Y.

Mrs. A. Weir of Saskatoon arrived in the city to spend the summer with her parents Mr. and Mrs. G. H. Taylor.

Misses A. Leslie and H. Sinnott, Morrell were passengers by the outgoing express from Charlottetown yesterday where they had been spending a few days visiting friends.

Mr. Albert Praught, son of Mr. James Praught, Pownal, who has been absent from the Island for some years has returned home and will spend the summer in "speeding up" production on his father's farm.

Mr. Preston McIntyre, medical student at McGill University, spent Sunday in Charlottetown, on his return from Montreal. He left by the afternoon train Monday for his home in Montague.

Miss Marjorie McLaughlan, of New York, is visiting her father, Mr. Angus McLaughlan of West River. Some time before leaving New York, Miss McLaughlan underwent an operation in a Brooklyn, N. Y., hospital and since coming to her native Province it is pleasing to learn has greatly improved.

Mr. William H. Ross leaves this morning on return to Chicago after an absence of about 35 years from his native Province. Mr. Ross has been spending a couple of weeks visiting relatives at West River and greatly enjoyed his visit to the Island after his prolonged absence. He is a native of West River.

Mr. W. C. Archibald, the landscape architect, of Nova Scotia, is in the city designing the layout of the Cathedral ground of St. Dunstan's, the plantings are extended and suggested new features in church work now begun by this body in Charlottetown. There is ample room for graceful features around all churches and this desirable work cannot be undertaken too early.

## IN MEMORIAM

**MR. FREDERICK W. SNOW.**

The death occurred at Victoria on Wednesday, May 9th, of Mr. Frederick W. Snow, aged 29 years. The funeral which took place on Friday was very largely attended. Rev. Geo. Morris, officiating, assisted by Rev. Wm. Deathe. The service at the house was as follows: Hymn, "Lead Kindly Light" Prayer, Reading, John 14th Chapter, Hymn, "Nearer My God to Thee." After which a very impressive sermon was delivered, followed by prayer and hymn, "Safe in the Arms of Jesus. He leaves to mourn besides a sorrowing wife and three small children, a mother and father, residing in Victoria, two sisters, Mrs. Basil Cogswells, Boston Mass., Mrs. (Dr.) Dougherty Cape Traverse, three brothers Charles, in Charlottetown, Frank in Moose Jaw, Sask., and Claude at home. The pall bearers were H. R. Proffit, G. C. Holland, S. B. French, H. Clark, A. J. Howatt and Heath McQuarrie. Interment took place in the People's Cemetery, Crapaud.—V.

**JAMES MCGAUGHEY.**

The death occurred on May 9th at his home, Bonshaw Road, of Mr. James McGaughey in the eighty-first year of his age. He had been in his usual health up to a week or ten days previous to his death, when he contracted a cold. His physician, Dr. Murchison was at once called in, and attended him daily but all to no avail, for on the above date at 2.30 p. m. he passed away to his eternal reward. Mr. McGaughey was born May 7th, 1836 in County Monaghan, Ireland, when but seven years of age he sailed with his parents to this Country, on the steamship, Rosebank, and settled for a number of years in Brackley Point. He married Mary Ann, daughter of the late Mr. Geo. Easter, North Wiltshire, who still survives him. He then made his home at the above mentioned place. Ten children were born to them, six daughters and four sons. His oldest son predeceased him some nine years ago, being found dead in Penobscot River, Bangor Maine. His dying wish was to see all his children but only four were present at his bedside to hear his last words. His three daughters in Massachusetts, when informed of his sickness, started at once for home, but was detained in the ice boat for five days, and arrived home, only to find that death had claimed him two hours earlier. Besides his heart broken wife, he leaves the following daughters and sons Mrs. Jas. McGrath North Carleton; Mrs. Chas. Condon, Appin Road; Mrs. Geo. Donald Haverhill; Miss Emily and at home; William, Valdey, Alaska; Miss Ada and Mrs. Angus Rogers, Haverhill, Mass and Alexander, Regina, Sask. Also one brother and two sisters, John and Mrs. Annie Malone who were with him to the last, and Mrs. Margaret Whalen, Bangor, Me. Although the roads were in bad condition, his remains were followed by a large number of people to his last resting place in Kelly's Cross, where a Requiem high mass was sung by

## Like A Boy at 50 Bubbling Over With Vitality--Taking Iron Did It

Doctors says Nuxated Iron is greatest of all strength builders—Often increases the strength and endurance of delicate, nervous folks 100 per cent, in two weeks' time.

**NEW YORK, N. Y.**—Not long ago a man came to me who was nearly half a century old and asked me to give him a preliminary examination for life insurance. I was astonished to find him with the blood pressure of a boy of 20 and as full of vigor, vim and vitality as a young man; in fact a young man he really was, notwithstanding his age. The secret he said was taking iron—nuxated iron had filled him with renewed life. At 30 he was in bad health; at 46 he was careworn and nearly all in. Now at 50 after taking Nuxated Iron a miracle of vitality, of youth. As I have said a hundred times over, iron is the greatest of all strength builders. If people would only take Nuxated Iron when they feel weak or rundown, instead of dosing themselves with habit-forming drugs, stimulants and alcoholic beverages I am convinced that in this way they could ward off disease, preventing it becoming organic in thousands of cases and thereby the lives of thousands might be saved who now die every year from pneumonia, grippe, kidney, liver, heart trouble and other dangerous maladies. The real and true cause which started their diseases was nothing more nor less than a weakened condition brought on by a lack of iron in the blood. Iron is absolutely necessary to enable your blood to change food into living tissues. Without it, no matter how much or what you eat, your food merely passes through you without doing you any good. You don't get the strength out of it and as a consequence you become weak, pale and sickly looking just like a plant trying to grow in a soil deficient in iron. If you are not strong or well, you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary nuxated iron three times per day after meals for three weeks. Then test your strength again and see for yourself how much you

have gained. I have seen dozens of nervous, run-down people who were ailing all the while double their strength and endurance and only get rid of all symptoms of dyspepsia, liver and other troubles in from ten to fourteen days' time simply by taking iron in the proper form. And this after they had in some cases been doctoring for months without obtaining any benefit. But don't take the old forms of reduced iron, iron acetate or tincture of iron simply to save a few cents. You must take iron in a form that can be easily absorbed and assimilated like nuxated iron if you want it to do you any good. Otherwise it may prove worse than useless. Many an athlete or prize-fighter has won the day simply because he knew the secret of great strength and endurance and filled his blood with iron before he went into the fray, while many another has gone down to inglorious defeat simply for the lack of iron.—E. Sauer, M.D.

**NOTE.**—Nuxated Iron, recommended above by Dr. Sauer is not a patent medicine nor secret remedy but one which is well known to druggists and whose iron constituents are widely prescribed by eminent physicians everywhere. Unlike the older, inferior iron products, it is easily assimilated, does not injure the teeth, make them black, nor upset the stomach; on the contrary it is a most potent remedy, in nearly all forms of indigestion, as well as for nervous, run-down conditions. The manufacturer has such great confidence in Nuxated Iron that they offer to forfeit \$100.00 to any charitable institution if they cannot take any man or woman under 60 who lacks iron and increase their strength 200 per cent. or over in four weeks' time, provided they have no serious organic trouble. They also offer to refund your money if it does not at least double your strength and Hughes, Apothecaries Hall; E. A. Foster, Central Druggists; H. J. Mabon, Montague and all good druggists.

## Schoolgirl's Nerves

"Oh, to be free from school life and school worries during the sunshiny spring days," is the wish of thousands of schoolgirls, to whom nothing could be of more benefit than outdoor exercise and an opportunity to drink in the fresh air and sunshine. Just at the springtime, when the human system is sure to be more or less debilitated, and often at the most critical time in a girl's life, there comes also the anxiety, eye-strain and mental over-exertion consequent on the approach of examinations.

This purpose there is no treatment comparable to Dr. Chase's Nerve Food.

Because of its mild and gentle action and powerful restorative influences in building up the system, Dr. Chase's Nerve Food is particularly suited as a treatment for girls and women. Especially during the critical periods of woman's life, such as between the ages of twelve and sixteen, this great food cure, by supplying an abundance of rich, red blood, keeps up health and strength and fills the body with vigor and vitality.

Miss Cynthia Hutchinson, Hanceville, S. C., writes:—"I feel it my duty to tell what a great friend Dr. Chase's Nerve Food has been to me. I would have written sooner, but wanted to be sure I was thoroughly cured. Before using this medicine my nervous system was so completely run down that my friends, as well as myself, thought I could never get better. All medicines failed to help me. A trial of Dr. Chase's Nerve Food benefited me, and I used altogether seven boxes. At the end of a month people scarcely knew me, I had improved so much. The blood was enriched, color improved, new flesh added, and I got strong and well. Several of my friends have profited by my experience and received great benefit from this treatment."

To many this extra demand on the system proves the last straw, and the results are made known by headaches, sleeplessness, irritability, loss of appetite, tired, worn-out feelings and inability to concentrate the mind on the work at hand, whether it be mental or physical. To some there will come St. Vitus' dance, nervous prostration, or some derangement of the vital organs, which may linger to make a life of suffering and unhappiness. The only means of averting trouble is by the use of external assistance in order to increase the supply of pure, rich blood, and for
