DAMAGE BY FROST

TORONTO, Aug. 26—(CP)—Although harvesting and threshing operations were in full swing in many parts of Ontario, western Ontario tobacco growers today estimated damage by frost at between $4,000,000 and $5,000,000. J. K. Perrett, secretary of the Ontario flue-cured tobacco marketing board, said 90 per cent of the tobacco crop in Norfolk County was damaged and 65 per cent likely would be a total loss.

LONE PICKET ON DUTY

BURLINGTON, Ia., Aug. 26—(AP)—For about a week, a lone union picket has been marching to and fro in front of the Iowa Soap Company plant here, the result of a minor labor dispute. Saturday the firm gave a picnic for its employees—and invited the picket, M. C. Brower. He accepted, had a good time and his name was down for one of the prizes awarded during the afternoon. This morning, Brower was back on picket duty.

TRIPLETS BORN

ELIZABETH, N. J., Aug. 26—Triplets entered the family of Mr. and Mrs. Arthur Smith over the weekend—but they took their time about it. On Friday Mrs. Smith, expecting twins, gave birth to a girl. On Saturday another girl arrived, to be followed yesterday by a boy. The mother is 25.

Production of crude petroleum in Canada was increased in April to 634,859 barrels, as compared with 570,131 barrels in March, and 559,368 in April 1939. Output during the four months ended April totalled 2,347,445 as compared with 1,835,983 in the same period of 1939.

Leo Kelly Injures Hand; Will Substitute

"Irish" Leo Kelly, Charlottetown, who claims the Maritime lightheavyweight boxing title, injured his hand in a work out and would be unable to meet Jerry Duprey of Moncton in a scheduled ten-round bout here Labor Day, it was announced last night. Promoter Joseph MacDonald said he hoped to find someone to meet Duprey however, probably Bill Sparks or Cecil Braitwaithe.

Kelly took a decision over Duprey here not long ago. Duprey was formerly from Brewer, Maine.

Dick Metz Leads Pro Golf Tourney

HERSHEY, Pa., Aug. 26—(AP)—Dick Metz, of Chicago, sneaked in between squalls of cold rain with a score of 69 today to set the pace at the half-way mark in the 36-hole qualifying round of the Professional Golfers Association championship—otherwise known as the "ghost" tournament.

It is called the "ghost" tournament for the reason that Lawson Little, the national open champion, is present only in spirit. Not yet having completed his five-year apprenticeship as a club-making professional, Little is not eligible.

Only a stroke behind Metz with 70s were Ralph Guldahl, Harold (Jug) McSpaden, currently of Winchester, Mass., and John Gibson, a 29-year-old assistant professional from Chciago.

Grouped at 71 were a quartet of widely known professionals—Paul Runyan, who has won this tournament twice; Jimmy Demaret, Jimmy Hines and Ky Laffoon.

Sammy Snead, the Canadian champion, had a 74.

Three Blue Devils Going To Sydney

KIRKLAND LAKE, Ont., Aug. 26—(CP)—Eight members of the now disbanded Kirkland Lake Blue Devils, 1940 Canadian senior hockey champions, will leave at the end of the month—five going to Niagara Falls, Ont., and three to Sydney, N. S.—a club official announced tonight.

Three former western Canada players will join Sydney Millionaires, the team that Blue Devils beat in the eastern Canada semi-finals. They are forwards Dick Kowcinak and Johnny McCreedy, Winnipeg products, and Mel Snowdon, a defenceman who learned to play in Calgary. All three were with Trail Smoke Eaters when the British Columbia team won the Allan Cup in 1938.

TWELVE WITNESSES TESTIFY

MONTREAL, Aug. 26—(CP)—Twelve witnesses from the Montreal district will testify at the inquest into the death of Jeffrey Munn of Hamilton, tomorrow, police said tonight. The inquest is to be held at Magog, Que., Eastern Townships centre near where Munn's partially-burned body was discovered more than two weeks ago.

The group of witnesses from Montreal will include four women and a man who have been held since Friday in connection with the case.

SHOT HIS MARK OF GRATITUDE

SOMEWHERE IN ENGLAND, Aug. 26—(CP)—Two elderly women have a neat little bullet hole in the ceiling of their kitchen and everytime they look at it they can think of Canada. It was put there by a grateful Canadian soldier when the women asked him and his buddy, whom they had given food while the boys got lost hiking to camp, for a souvenir.

"Sure, lady," said one whipping out a revolver and firing through the ceiling. "There. Every time you look at that you will be able to think of us."

Red Sox Come From Behind To Beat Browns

NEW YORK, Aug. 26—(AP)—Red Sox overcame a three-run deficit today at Boston to defeat St. Louis Browns 7-6 with Manager Joe Cronin's hitting and Jim Bagby's relief pitching dominating the Boston play.

Cronin collected a double and single in three trips to the plate and drove in three of his team's seven runs. Bagby, relieving young Earl Johnson in the third inning, gave up just two hits for the rest of the distance.

At Washington, Cleveland Indians nosed out Senators 4-3, broke a four-game losing streak and increased their American League lead over second-place, idle Detroit Tigers to three games. Hal Trosky and Bob Feller did the job.

Trosky drove in three of his team's four runs with a homer and a single, and Feller saved the game when he came to Mel Harder's aid in the seventh.

Relief Hurling Of Hubbell Crushes Cubs

NEW YORK, Aug. 26—(AP)—Making his second relief appearance in three days, Carl Hubbell at Chicago helped New York Giants crush Chicago Cubs 10-5 today and strengthen their hold on fourth place in the National League.

The Giants got their 16 hits in clusters and gave Harry Gumbert an 8-1 lead in the first four frames, scoring five times in the fourth, but then the Cubs came right back with four tallies and "Hub" hurried to the rescue. He shutout Chicago in the last five innings and was credited with his 11th victory against seven setbacks.

At Cincinnati, Slyvester Johnson hurled three-hit ball to give the last-place Phillies a 6-1 victory over Cincinnati after Bucky Walters pitched and batted the champion Reds to a 3-2 win in the opener.

The first game was the third in two days and the 27th of the year that the Rhinelanders gained by a one-run margin. It likewise found Johnny Rizzo, former Red, clouting his third homer of the series for the Phils.

REMEMBER WHEN

Marvin Nelson of Fort Dodge, Iowa, swam to victory in the Canadian National Exhibition's 15-mile marathon swim at Toronto, 10 years ago today. The "Iowa Flash", who won the same event in 1933 and 1934, cut through the choppy Lake Ontario waters in the record breaking time of seven hours, 43 minutes.

High Highways Attract Tourists

The fame of Canada's two newest scenic highways—the Banff-Jasper and the Big Bend—is widespread, according to a recent letter received by the Department of Mines and Resources, Ottawa, from a Vancouver motorist who sends in a vivid description of his first trip over the new roads. Besides expressing praise for roadway conditions in Banff, Jasper and Yoho National Parks, he states: "As far as the Banff-Jasper Highway is concerned, it seems to be pretty well-known. We found many cars from the United States on the highway and they were all enthusiastic as we were ourselves of the scenery. The road is in excellent shape and when oiling is completed should be all there is to desire. We left the Banff Springs Hotel at 9 a. m. and arrived at the Icefield Chalet at 12.30. This is a distance of 120 miles. We left there about 2 in the afternoon and reached Jasper at 4.30. However, we made a few stops en route, particularly at Athabaska Falls.

"We took particular pains to check with American tourists on their trip over the Banff-Jasper Highway and they were all over enthusiastic. Other tourists encountered on roads leading to Banff were apparently well aware of the new highway and we had many enquiries on the condition of same. The same, of course, applies to the Big Bend Highway."

The number of United States motorists travelling over these routes indicates that, although Canada is at war, tourist travel continues uninterrupted by wartime restrictions. Despite misleading propaganda circulated in the United States in recent months, many Americans who have been accustomed to spending their holidays abroad, particularly in Europe, are now discovering Canada as an ideal vacation land.

Dollar Advances Slightly In U. S.

NEW YORK, Aug. 26—(CP)—The Canadian dollar advanced 1-8 of a cent today to a discount of 13 cents in terms of United States funds in the foreign exchange market. (Ottawa foreign exchange control board rate 9.09-9.91 per cent discount.)

The British pound remained at $4.03. The Swiss franc also was unchanged at 22.79 cents. Currencies of Hong Kong and Shanghai weakened.

Golf Has Tough Time In England

CHICAGO, Aug. 26—(AP)—Local rules take care of balls which roll into trenches dug to stop easy plane landings but golf is having a hard time of it in Britain, according to Henry Cotton, one of the game's great players.

Writing to Tom Walsh, President of the United States Professional Golfers Association, that "we are going to see this job through now," Cotton said he was joining the Royal Air Force as a pilot within 10 days and disclosed that a serious shortage of water had hurt most of the country's courses.

"Golf is just alive," Cotton wrote. "Our courses are covered with posts, potes, trenches, stone boulders, old rollers, in fact anything to stop airplanes having an easy landing. This does not interfere much with play and local rules cover any incidents. We have had a dry summer with no staff and no money and with the idea of saving our water reserves for fire emergencies. No watering has been done—with the green very burnt up, some almost seriously—and as I write we are in the middle of another hot spell."

Reporting he had raised £24,000 (approximately $106,000) in Red Cross exhibition matches, Cotton said: "I'm glad to read the P.G.A. of America is making a Red Cross effort. My play for this cause will be limited from now on, as will my golf anyway."

Great Trotter Makes Last Race For Season

SYRACUSE, N.Y., Aug. 26.—(AP)—Greyhound, world's greatest trotter, won his last race today — but it's anyone's guess just what that word "last" means.

Trainer-driver Sep Palin said: "Yep. It's his last race — this season."

The Trotting Horse Club of America was authority last week for the statement that today's would be the great trotter's final competition, and Palin was told so.

"There's still something left for the old boy to do" was Palin's cryptic rejoinder to that. He wouldn't say more.

It was the considered opinion of a number of veteran harness men today that Greyhound would no longer race. But perhaps that was wishful thinking, because the seven-year-old geiding in a "final farewell" campaign this season has cleaned up on the Grand Circuit with six victories in a row, all with the loss of but one heat today.

As to it's being Greyhound's final race, it certainly was the last one for which he had been booked this season. The series he completed today was the result of agitation for Greyhound's return after his first "retirement" in 1938.

Whether Palin was just having fun with the boys in his oblique comments today none could tell. It may have been Greyhound's last race, or just his last of the season.

But there was simple truth in Palin's remark that there was still something left for the old boy to do.

Nova Scotian Leads Field In Golf Play

DIGBY N.S., Aug. 26.—(CP)—End of the first 18 holes of play for the Maritime Senior Golf title today found Dr. P. C. Jarboe, of Chester, N.S., six strokes ahead of the field with a score of 78, seven over par.

At the end of the day's play, halfway mark of the tournament, John Ryan of Digby, and J. Gibson, of Chester, were tied in second place. Rev. J. M. Holland, of the Riverside Club, Saint John, N.B., was not on hand to defend his title.

J. M. Matthews, of Chester, four times winner of the tournament, came home in sixth position with an 89.

The tournament consists of 36 holes of medal play over the 6,140-yard pines layout. The second half will be shot tomorrow.

Dr. Jarboe today went out in 39, five over par, and covered the second nine in the same score, three over par. He covered the first three holes in par, but lost ground thereafter.

In net scores A. F. Rankin, of Riverside and P. O. Crosby, Summerside, P. E. Island, led the field with 53's.
