FIRST SHOWING OF High Grade Furs -AND- FUR-LINED GARMENTS

We take pleasure in presenting to our lady patrons the first showing of fall and winter styles in Ladies' Coats and furs. While our stock is not yet complete the selection we have on hand will convey a correct impression of the styles that will prevail when the cooler weather sets in. Good Furs Wear Well

It has always been and always will be our aim to offer to our patrons the highest grade Furs obtainable at the lowest possible prices, and that is the secret of our success. Our patrons know that any garments purchased of us are reliable because of their quality and perfect workmanship.

The Importance of Quality in Furs

There are many inferior grades of Furs on the market this year which will look well for a short time but which are not durable and will give poor satisfaction, in our stock you will find a complete assortment of High Grade Furs only made from the choicest skins and showing the highest degree of perfect workmanship.

Our Showing of Elegant Minks

Muffs will delight you. Few stores in Canada can boast of a richer showing of Minks. Every piece is guaranteed to be No. 1 quality Labrador Mink notwithstanding the advances during the past year our prices are the same as last year.

MINK SCARVES. Throws in hands, stoles and ties beautifully marked rich dark skins. Mink Muffs, to match all neck pieces in plain, pillow shape, and animal effect.

Ladies' Fur Lined Coats

Lined and trimmed with all suitable Furs will be very fashionable this season. They can be recommended for their warmth, comfort and dressy appearance.

Now is the time to make your selection when assortments are large and complete. There's nothing to gain—perhaps something to lose by delaying. We are splendidly ready. Never before have we shown so complete an assortment.

Ladies' Fur Jackets

Fine new Astrachan Bochara Lamb and Russian lamb jackets are here on large assortment. No other style of garment will give half the service or stand half as much wear. We strongly recommend them to country women and others who are obliged to do much driving. We have them in the Famous Moose Head Brand, The James Corestine & Co and other makers make.
