Finance

By Bernard S. O'Hara Associated Press Financial Writer
NEW YORK, Sept. 18—(AP)—Profit cashing on Wednesday's brick rally crippled the stock market today after many leaders had sprinted into new high ground for the year with gains of fractions to a point or so at the opening.
While there were a few weak issues, there were enough fractional losers at the close to put the Associated Press average of 60 stocks down 1/4 of a point at 44. The composite jumped 5/8 of a point in the preceding session, best upturn since July 21, when the market delivered a fast in the first hour, slacked later but transfers for the full proceedings totalled 709,000 shares. The turnover of the day before was 895,560, largest since July 29.
Activity in Canadian stocks was slack with select issues ranging slightly higher. Bell Telephone shares broke out with one of their sporadic gains, up three full points to 112 and International Nickel pfd gained 1 point to 130. Lake Shore Mines advanced 1-4 and Walkers pfd 1-8. Losers were D-1-1's Bessam, off 1-8 and Inter-

Toronto Exchange

TORONTO, Sept. 18—(CP)—Moderate weakness was registered by Toronto exchange listings in the late stage of today's market. Volume was about even with the week's average at 334,000 shares.
New highs appeared for Ford A, General Steel Wares, Canadian Celanese, Abitibi common, United Steel and International Pete. Abitibi closed at 115 while the preferred was down 5-8 to 8. Telephone, B.A. Oil, Canada Steamships, Cosmos Mills, Dominion Foundries, Gypsum, Imperial Oil, Lblaw A and B and the new Massey-Harris stocks weakened slightly.
Page Hersey weakened a point and Consolidated Press A was down a point to 3.
Fractions were dropped by Hudson Bay and International Nickel. Steep Rock and Pend Oreille finished on top and small declines were noted by Walte-Amulet and Ventures. Base Metal stocks finished 35 down in the index. New Chromium stock sold at 2.10.
McIntyre advanced 2 points to 52 for broken lots and minor gains were noted by other goods, including Beattie, McLellan, McKenzie and Sullivan. Wright-Hargreaves weakened 15 cents to 4.10 and smaller losses were showing finally for Upper Canada, East Malartic, MacLeod-Cocksbutt, Macassa, Mining Corporation and Teck Hughes. Queenston Gold Mines was listed today and it sold at 48 to 49 cents.
