In Memoriam

MRS. JOHN D. McLEAN
The death occurred at Clyde
River P. E. I. Jan 18th, 1926, of Ed-
itha beloved wife of John D.
McLean, aged 77 years. She
had been in failing health
for some time, and was pa-
tiently waiting the summons to de-
part from this life to enter the
life beyond. To Christ, in
the sixtieth days and was a mem-
ber of the Baptist church, Clyde
River.
The funeral service was con-
ducted by Rev. C. W. Hayter as-
sisted by Rev. J. U. McNeven.
She leaves a sorrowing husband
and one son, Seldon, at home.

For tho' from out our bourne of time
The flood may bear me far,
I hope to see my pilot face to face
When I have crossed the bar.

Coughs and Colds

What a weight of responsibility rests
on the mother of the family during the
winter season. In every cough
and cold she seems to hear the warning
of serious developments. She dreads
croup, bronchitis, pneumonia and con-
sumption and realizes that these are the
natural result of neglected colds.
But Dr. Chase has provided a prompt
remedy for coughs and colds and a pre-
ventive of more serious ailments of
throat and lungs, in his Syrup of
Marshmallow and Turpentine.
This medicine is so well-known that
a reminder is necessary to most
mothers to recall its effectiveness in
preventing croup, bronchitis, asthma and
other ailments of the throat and bronchial tubes.

Henry Surely Started Something

It is a well-known fact that when
Henry Ford starts something that
undertaking is immediately assured
of certain success but it was
little thought when Mr. Ford re-
quested Melville Dunham to travel
over half a continent to play some
old time tunes upon the fiddle that
a wave of popularity for these old
time amusements would sweep
over a continent. However, such
is the case with the result that Old
Time Fiddlers Contests are being
held practically every week in
some section of the United States
or Canada.
Feeling that Prince Edward Is-
land is very much to the forefront
when it comes to old time fiddlers
the Publicity Association in con-
junction with the Intercolonial
Club of Boston has undertaken to
stage a contest in Charlottetown
on March 30th. It was felt from
the outset that this would be a
popular performance but the com-
mittee was not prepared for the in-
tense interest which is being
shown throughout the whole Is-
land. Requests have been received
from many sections asking that
special trains be run in order to
allow a greater number of people
to enjoy this old time concert. But
perhaps the most gratifying result
is the keen rivalry between dif-
ferent districts as to which shall
produce the fiddler who shall win
the free trip to Boston and a chance
to compete in the international con-
test on April 6th.
Baldwin's Road has a very popu-
lar contestant in Daniel Robert-
son, while Sturgeon is not to be
outdone by Baldwin's Road and is
sending in a worthy competitor in
William Murphy. Sr. Iowa Cross
comes to the front with a far-famed
fiddler, P. J. Bolger. While the
Miomas are willing to stake any-
thing on their entrant, Noel Abiam
Sapphires. Martin, Lot 33, is
backing Leo Dolron, while Mr.
William C. O'Hara of Blooming
Point North is prepared to make
them all work overtime.
What is wrong with the Moncton
Bay and Mt. Carmel districts, we
know that they have many worthy
fiddlers from whom it would be
hard to take the prize while Grand
River, Lot 14, the home of "Ye Old
Time Fiddler" is chock full of con-
testants. The Tignish district
boasts some grand old fiddlers,
while Strathabane and Belfast are
surely not to be outdone in a con-
test of this kind. It is going to be
a matter of great pride to the dis-
trict producing the winner and a
matter of great provincial pride if
the winner is victorious in Boston.
A committee is working hard to
make this meet a success so bring
on your fiddlers and let's go.

MONCTON ATLANTICS VS.
ABEGWEITS, Thursday and Fri-
day night. 8:12-16-21

UNAVOIDABLY DETAINED—
The Right Rev. James Morrison,
Bishop of Antigonish who was to
have delivered the oration at the
funeral of the late Rev. Allan J.
McDonald, Fort Augustus, wired
yesterday that he was unavoidably
detained and could not come.

EXHIBITING FINE CATTLE—
Two dozen steers, most of them
Shorthorns, are now on exhibition
at the Blake Barn, and are being
viewed by quite a number of live
stock breeders. These animals, all
of them remarkably fine specimens
of their kind, were raised on the Ex-
perimental Farm, and it is under-
stood that they are to be sold by tender.

ST. PATRICK'S DAY—Frishten
and women in this city will be
given no opportunity of forgetting
that tomorrow is the 17th of March
the feast day of St. Patrick, the
patron saint of Ireland. Store
windows are bedecked with green
and by tomorrow all nationalities
or nearly all will be wearing a
shamrock. As usual the Irish So-
ciety will hold forth at the Prince
Edward in their annual play. At St.
Dunstan's Cathedral a High Mass
will be celebrated after which the
usual parade will take place.

SEARCH UNREWARDED—Po-
lice Officers Higgins and Doyle
took a ride on the Beaton train
yesterday morning armed with
"papers" for a couple of individ-
uals in connection with the "shoot-
ing bee" last Friday night. The
officers being unsuccessful in their
search disembarked at Royalty
Junction arriving back in the city
shortly after 8 a. m.

YESTERDAY'S FIRE—Short-
ly after 10 o'clock yesterday fore-
noon, the firemen were called out
for a blaze at the residence of Mr.
Arthur Jenkins, corner of Grafton
and Weymouth Streets. When
the department, who made a quick
run, arrived they found the house
filled with smoke and a brisk
blaze in the kitchen. Two lines of
hose were soon in operation and
with a little cutting the flames
were soon extinguished. There
was considerable damage from
smoke and water.

most enthusiastically last night
with a grand banquet in the Y. M.

were delivered and teams to solicit

Several splendid subscriptions
have already been given.

TOWN COUNCIL—There was
another large attendance of
both ladies and gentlemen at the
special meeting of the Sum-
merside Town Council last night. Two
of the important matters dealt
with were the resignation of coun-
cillor Taylor and the dividing of
the town into wards. Councillor
Taylor's resignation was accepted
by the Council and April 6th was
set as the date for the election to
fill the vacancy in the Council.

The motion was carried to divide
the town into the three wards East
centre and west with two councill-
ors from each ward. The record-
er is to prepare a bill to be pre-
sented to the present sitting of the
legislature for consideration. Dr.
Cameron was appointed meat and
milk inspector for the town and
Mr. Sampson Grady was appoint-

matters had been dealt with the
Council adjourned until next Mon-
day night.

**"Jam Tarts" and

The Jam Tarts and Morell Dread
naughts will at last hook up on

cally and provincially as to the
process of the Morellers in the art
of puck chasing and no doubt
their appearance here will be wel-
comed by more than ordinary in-
terest. After the game one and a
half hour's skate with hand. The
Following is the Jam Tart line-up:

Dr. Dougan will referee the

THE MARKETS

(Canadian Press)
MONTREAL, Que., Mar. 15.—
The trade in car lots of oats on the
spot in the local markets was
rather quiet today but the under-
tone to the market for Canada
western grades was stronger at an
advance of a cent per bushel with
No. 2 C. W. quoted at 60, No. 3 C.
W. at 56, No. 1 feed and No. 2
feed at 51 while Ontario and Que-
bec No. 2 white were unchanged at
50c, No. 3 white at 49c and No.
4 white at 48 cents per bushel ex-
dore. There was some demand
from foreign buyers for spring
prices asked over the week end and
wheat grades at the advance in
a moderate amount of business
was done in this respect but the
domestic account was still rated
quiet. Prices remained unchanged
at the recent changes noted.
There was no change in the mil-
fed and baled hay markets, prices
for both commodities being well
maintained and only a small
amount of business was done on
both markets. Trade was fairly
active in the egg market there be-
ing a good steady demand for sup-
plies to meet actual wants. Prices
remain as quoted on Saturday.
A stronger feeling developed for
potatoes and prices scored an ad-
vance of 10 to 15 cents per bag
which was attributed to the mark-
ed increase in the demand for sup-
plies on the spot and the light of-
ferings with the result that an ac-
tive trade was done in car lots.
New Brunswick Green Mountains
were quoted at \$3.10 per bag and
Quebec varieties at \$2.85 to \$2.90
per bag of 90 lbs. The tone of the
market for beans was steady and
prices were unchanged with a
moderate amount of business pass-
ing in car lots of choice hand-
picked white beans at \$2.45 per
bushel and in smaller quantities at
\$2.65 per bushel. A weaker feel-
ing developed in the butter market.

Influenza

Now, when the germs of In-
fluenza abound, physicians
advise keeping the bowels
open. Constipation poisons
the blood, lowering your re-
sistance to the germs of in-
fectious diseases.
Constipation is dangerous
for anybody. Nujol is safe
for everybody. It does not
affect the stomach and is not
absorbed by the body. Medi-
cal authorities approve Nujol
because it is so safe, so gentle
and so natural in its action.
Nujol makes up for a deficiency
of natural lubricant in the in-
testines. It softens the waste mat-
ter and thus permits thorough and
regular bowel movements without
gripping.
Nujol can be taken for any
length of time without ill effects.
Unlike laxatives, it does not form
a habit and can be discontinued
at any time.
Ask your druggist for Nujol.

**Moncton Atlantics
And Abegweits**

Thur. and Friday

The Moncton Atlantics, they of
the recent 4 to nil shutout over
the champion "Bears", also a 9
to 1 win over the Abegweits, will
perform here Thursday and Friday
nights of this week against the
Abegweits, and local fandom is
anxious to give this Moncton-
tonian band of puck chasers the
once over, and also to ascertain
their prowess on local ice.
It is only natural to conclude
that the red and black wearers
are still smarting over that "nine-
over" and are anxious to not only
wipe it out, but will endeavor to
show the Bears—and Campbell-
ton that there is yet a "kick" in
the P. E. I. champs.
