In Memoriam

WALDRON BREWER LEARD

The many friends and relatives of the late W. B. Leard, of Souris, will be greatly pained to hear of his death, which took place on Sunday, Aug. 14th, 1927, after a protracted illness, which caused much suffering and distress, but which he bore with great Christian patience and fortitude.

The late Mr. Leard was born at Tryon on February 4th, 1872, and was therefore past his 55th year. He was the son of the late John W. and Frances Leard, of the same place. He left home while quite a young man and took up the art of tailoring at Crapaud, and after doing business for a number of years in Bedouque, moved to Souris in 1898, where he had ever since carried on the same business, with marked success. He leaves to mourn his early death, besides his widow—nee Emily F. Ayers—four sons, namely, Russell, Wendle, George and Ray; also three brothers, Wm. E. of Beatty, Sask., Norman W. of Jersey City, and John S. M., of West Roxbury, Mass., also one sister, Mrs. J. M. Webster, of Bedouque.

Mr. Leard was always greatly interested in the welfare of the church, school and community. He was for 25 years an active member in the former Methodist church, serving as trustee and recording steward for many years, and as Sunday School superintendent for twenty-four years, and which position he held at the time of his death in the United church. He also served on the Souris town council for a number of years. The funeral service was held both in the home and St. James United church, and was conducted by his pastor, Rev. Mr. McDonald, assisted by Rev. Henry Pierce. At the deceased's request the following hymns were sung, "Safe in the Arms of Jesus," "Nearer My God to Thee," "The Lord is My Shepherd," "Peace, Perfect Peace." The burial took place at Souris West and was largely attended.

Many beautiful tributes in the language of flowers were made by the following: Pillow, widow, sons and sister; wreaths, the Ayers brothers and sisters, Mr. and Mrs. B. C. Hardy and family; the St. James Sunday school, the officers and congregation of St. James United Church, Mr. and Mrs. J. B. Matthey and Mrs. F. S. McDonald, Mr. and Mrs. John McLean, and Mr. and Mrs. R. C. McLean; Mr. J. G. and Gertrude Sterns and Mrs. White; Mr. and Mrs. H. D. McLean and Mrs. N. H. Richards; cross, the Cox family; cressets, Morley and Mrs. Acorn and Mrs. F. Poole; sprays, Anna, Della and Isobel, Mr. and Mrs. J. J. Horne, Mr. and Mrs. Garrett, Mabel, Wanda and Pearl; Mrs. Stewart and Mrs. Shaw; bouquets, brother Bert and sister Annie; Mrs. and Mrs. David McEachern; Mrs. W. J. Brennan; Mr. and Mrs. Lemuel Mallett.

ABEGWEITS AGAIN SHUT OUT BY COLLEGE PLAYERS

Before A Small Crowd of Customers On Saturday Evening The Abegweits Suffered Another Shut Out At The Hands Of The College Players. Score 7 to 0.

The College players on Saturday evening administered defeat to the Abegweits on the local diamond by a score of 7 to 0. The Abegweits had a changed line up from the previous evening but to no avail, the College players demonstrated a brand of ball that was simply unbeatable.

McQuaid on the mound for the locals pitched great ball having eight strikeouts to five for Hanright. Support was of the spectacular kind that did not give the local team a chance, connecting time and again for what looked like a safety only to have one of the fifty games this season to the Abegweits half dozen, or so were there is not very much room for comparison, only we would like to see the game with conditions reversed.

The visitors had eight hits, two of which could have easily been turned into double plays and runs cut off, but the pep was not outstanding. The visitors of course while playing the nicest ball seen here this season have every reason to be good and when you consider they have played over fifty games this season to the Abegweits half dozen, or so were there is not very much room for comparison, only we would like to see the game with conditions reversed.

The visitors scored one run in the first, two in the fourth, one in the fifth and three in the sixth for a total of seven runs in as many innings, while the Abegweits were only able to get one man as far as the hoping sack third base but hope was lost when Dugan pulled Bill Ryan's offering out of the clear blue.

Although the score was one sided there was several nice plays and while the Abegweits lost the game they have gained in experience and possibly at their next meeting will not be so far behind.

College Players
 Hits—Eaton a two bagger and a single, Lane a two bagger, Hanright

Abegweits
 Hits—McQuaid a two bagger, Lynds, McQuaid, Hoyt, S. Ryan and W. Ryan 1 each. Assists—McQuaid 11, Hoyt and S. Ryan 1 each. Strike outs—McQuaid 8. Free passes 0.

AMATEURS SHOW THEIR WARES AT ARENA SATURDAY NIGHT

McDonald Loses Ten Round Bout To Bowers In Fourth Round.—Two Bouts Go To H. M. S. Capetown, One To Charlottetown.

Five hundred or more boxing fans received their fill of the many art at the Arena Saturday night when Sailors from H. M. S. Capetown and local amateurs staged some of the best and most scientific exhibitions short notice in the staging of these bouts are to be highly commended for their efforts in giving Charlottetownians a taste of what fans have been enjoying in the sister provinces these goodly number of years.

The main bout of the evening which was A. B. Driscoll and A. B. Bowers did not come about as scheduled as the former was suddenly ordered to Quebec to join his ship H. M. S. Heliotrope.

It was announced at the ringside that A. B. Driscoll of the Heliotrope who was to have fought B. Bowers was suddenly ordered Saturday morning to Quebec by S. S. Serbal to join his ship. It was also announced that A. B. Bowers was described in the press as the champion lightweight of the North America West Indies Station. His title is Bantam Champion and Belt Holder of the Navy, Army and Air Forces of the United Kingdom for 1925, 1926 and 1927.

The management regret very much the error and wish to make it clear that it was purely unintentional as the information given was wrongly interpreted. Kaney McDonald, lightweight champion of the Island substituted for Driscoll.

MAIN BOUT
 Bowers was first to enter the ring. He was introduced by referee James Pendergast and given a big ovation. He was followed shortly afterwards by McDonald who was cheered to the rafters. The weights were announced, Bowers, 112; McDonald, 122.

BRINGING UP FATHER

THIRD ROUND

The bodies of both men showed the effects of hard fighting. Bowers led with a left and covered on a counter by McDonald. He forced McDonald to miss three successive lefts to the head and circled to retaliate with a right hook to the body. McDonald tried hard for a right to the jaw but missed repeatedly as Bowers forced the fighting. McDonald was warned by the referee for holding and using his elbow in the clinches. Bowers forced McDonald to the ropes who nimbly sidestepped out of danger. Both men started a slugging toe to toe battle got into a fierce clinch. McDonald was again warned by the referee for using his elbow. Bowers nailed a hard right to McDonald's face to again start the other running. The remainder of this round was a series of clinches. Both men were hugging at the bell. It was Bowers' round.

FOURTH ROUND

Opened fiercely with both fighters exchanging wicked rights and lefts to head and body. The fast pace set all the way through appeared to be telling on both boxers. Bowers sidestepped a right cross to the chin to hook a left to McDonald's body. They clinched to go to the ropes in hard fighting where the referee again spoke to McDonald and a few seconds later pried both men apart. They went into another clinch where McDonald raising his head butted Bowers. The referee stopped the bout just as the bell rang to disqualify McDonald. Interviewed in his dressing room after the bout McDonald said he resorted to holding only after he had received several blows below the hips where an angry looking ball could be seen. McDonald's manager said Bowers seemed to concentrate most of his attack on the injured side, which was then bleeding pretty badly. Both men were apparently fresh and none the worse after the fast four rounds of milling.

PRELIMINARIES

The first preliminary of the night between Alfred Donovan and "Tough" Lewis of H. M. S. Capetown was easily the best of the evening. Lewis was the first in the ring. He was introduced and his weight announced at 112 pounds. Donovan followed shortly afterwards and was given a loud cheer. His weight was announced at 100 pounds.

Never in the history of amateur boxing in the city did the fans see such a whirlwind contest between flyweights. From the opening gong to the last peal there was action aplenty mixed with scientific boxing good to watch. Donovan although outweighted 12 pounds showed class and speed over the full route, so much so that he not only took every round but floored Lewis twice in the second round. Lewis did not take a count in the first fall but was down for the count of three on the second occasion. A left to the body and a right to the chin dropped Lewis. Lewis interviewed after the bout said Donovan was the cleverest and hardest hitting 100 pounder he ever met. He gave Alf all the credit in the world and took his defeat in true British fashion.

ROUND ONE

Both men touched gloves at the bell. Bowers led with a light left to the head and followed with a right hook to the body. McDonald backed away to counter on a lead to Bowers' jaw. They clinched and had to be pried apart by the referee. Bowers got the worst of the infighting. McDonald followed on the break to work Bowers to the ropes where he bled four rights and lefts to the head from the ropes to nail McDonald with a right hook to the mid-section. McDonald broke from a clinch to once more force his opponent to the ropes with strong rights and lefts to the head. The referee pried them apart. Both men were clinched at the bell. It was McDonald's round by a big margin.

SECOND ROUND

McDonald's nose was bleeding on coming from his corner. McDonald opened the round with a stiff offensive, burying his gloves in Bowers' body. Bowers skipped clear to nail McDonald on the jaw with a jumping right hand punch. McDonald clinched and received the worst of the infighting. Once more the referee was forced to pry the boxers apart. McDonald apparently stung somewhat threw caution to the winds to slug fiercely and force Bowers to the ropes. Bowers slipped between the lower strand and the ring floor to nearly lose his balance. McDonald scenting a knockout rushed his man, but Bowers clinched and had to be pulled away from McDonald. McDonald danced to the centre of the ring to be followed hard by Bowers who scored two right books and a swinging left to McDonald's jaw. McDonald clinched under the bail of gloves. He appeared strong however and was forcing the battle at the bell. The round was even.

OFFICIALS

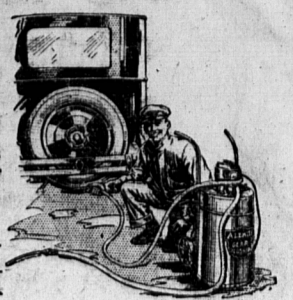

Referee—James Pendergast.
 Judges—Mishpagan Hogan, Lawrence Trainor.
 Timer—M. A. Berkinshire, H. M. S. Capetown.

NOTES

A large attendance of blue jackets seated the balconies and ring-side seats and enjoyed the night's entertainment immensely.

This New Service Ends Gear Grief

Thanks to a new invention you can now procure service that will do as much to prolong the life of gears as Alemite (chassis lubrication) every 500 miles does to prolong the life of your car.

This invention is the Alemite Gear Flusher, a device for flushing out gear cases with kerosene under power. It rides transmission and differential of all old gears and abrasive matter before fresh lubricant is injected. Leading auto engineers say this should be done at least every 2,500 miles to keep gears easy to shift and from becoming noisy.

Inferior greases, shot maybe out of Alemite guns, are loaded with "fillers" get lumpy and rancid, rust bearings. True Alemite chassis Lubricant stands 15 times the pressure, greater heat and cold.

A. HORNE & CO. Charlottetown

Among those present were Captain Drummond and Officers of H. M. S. Capetown.

Boxing and wrestling is beginning to take hold in the city. Keep it up boys, it's a good healthful and invigorating pastime. The fans are legion now and these sports if continued will enjoy great prestige in the Province.

YACHT RACE

On Saturday afternoon on the Charlottetown Harbor the first of a series of five races for a cup was sailed over a course from the stake boat off the Marine Wharf to Rosebank to Park Buoys twice around. Six boats started in Saturday's race, P-No, Campbell and Head, Zenith, Irwin and McInnis, Ghost, Lund and Smith, Bing Boy, L. McDonald, Shadow, McLeod; Minnigou, Pineau and Essory.

The boats got away to a lovely start at 2:43 all bunched and boating fast with a nice breeze, all out in front, followed by the Ghost and keeping close all the way to Rosebank on the second turn when the wind suddenly lightened and the P-No was noticed to be falling behind as the Ghost and Zenith kept steadily closing the gap, finally creeping to the lead, the Ghost finishing first with a small margin the Zenith and the P-No third, the remaining boats not far in the rear. The following were the officials:

Starter—Jack Webster.
 Judges—John Chandler and Frank McDonald.

It Pays To Get The Facts

A large proportion of all the nerve energy generated in a normal body is expended in the act of seeing. Eyes are often found to be defective so that although vision is still good, they are consuming twice or three times their allotted portion of nerve force, thus robbing other vital organs of their motive power. The result is serious physical disorders—often in remote parts of the body. Two out of every ten people are in this fix, yet the real cause of their trouble is often not even suspected until a thorough examination discloses the facts. If there is any reason whatever to suspect eye strain, the common sense thing to do is to have a thorough examination and GET THE FACTS ABOUT YOUR EYES.

H. J. MABON

—By George McManus
