

WEDNESDAY

RETURNED SOLDIER.—Gunner W. A. McKenzie of the Fifth Siege Battery arrived home from England yesterday. Gunner McKenzie has been in hospital for eight months and has been invalided home. He is a son of Mr. Finley McKenzie of Murray Harbor.

WAITED ON PREMIER.—Yesterday afternoon by appointment Rev. Dr. Fullerton introduced to the Premier the following deputation from the Presbytery: The Revs. A. McKay, R. L. Coffin, T. Godwill, A. Wilson, A. M. McLeod and Mr. T. C. James. The members of the deputation explained that in their judgment for the sake of the women and children there should be two days in the week on which autos should not run, but stated that their special object in waiting on the Premier was to ask for exemption of the Lords' Day. The Premier in reply pointed out that he would lay the matter before his executive but he thought that it was a very drastic demand and brought to their notice the sections of the law which prohibited the running of automobiles between 9 a.m. and 1 p.m. and 6 p.m. and 9 p.m. and that automobiles were also prohibited from going within 300 yards of any church while service was in progress. This latter provision was unknown to the members of the delegation. The Premier was then thanked and the delegates retired.

THURSDAY

LAID TO REST.—The funeral of the late M. P. Hogan which was held yesterday morning at 9.45 o'clock was largely attended. Solemn High Mass of Requiem was sung in St. Dunstan's Cathedral by Rev. Maurice McDonald, with Rev. G. J. McLellan as deacon and Rev. F. McQuaid as subdeacon. His Lordship Bishop O'Leary was also present in the sanctuary. The service at the grave was conducted by Rev. Frank McQuaid. The following acted as pall bearers: Messrs Robert Campbell, P. A. Smith, Henry Fitzgerald, Charles Lyons, Bruce Stewart and Henry Smith.

UNIQUE FUNCTION.—The Lawn Festival at the home of Dr. Martin, Grand View on Thursday evening July 23 was a decided success. The decorations were patriotic and the ice cream booth which was very well patronized during the evening was in charge of five young ladies, Miss Florence Martin, Mrs. Alex. Martin, Mrs. Angus Martin, Miss Margaret McLeod and Miss Iona McLeod, dressed in Red Cross Uniform. The lawn gaily illumined with Japanese lanterns presented a very festive appearance. Victrola selections were furnished throughout the evening. A singing was realized which augments the finances of the Grand View Red Cross Society.

Mr. and Mrs. Malcolm H. McDonald have been again visited with sore affliction when their daughter Margaret passed away on the evening of August the third at the home in Lyndale. Three others in the family predeceased her. The father strong and vigorous otherwise, lost his eyesight some years ago. The mother not well, two sons at home and a daughter, and James who is with the 105th in England are the surviving members of the family.

Margaret had not been well for a few years and the last few months lost rapidly. She was patient through her sickness and had learned to love her Saviour whose presence soothed and supported her during her illness, and the end was very happy for her, "asleep in Jesus blessed sleep."

The funeral was held from the home on Sabbath and was largely attended by friends and neighbours whose sympathy was heartfelt for the family in their bereavement.

The services were conducted by Dr. McEwen, the pastor of the family. And the mortal remains of Margaret laid away in the Orwell Head Cemetery. The spirit had gone on to join spirits of the just made perfect.

WEDDING BELLS.—The marriage took place at Everett, Mass., on June 24th, of Mark Hussey, a native of Nova Scotia, to Miss McEachern, daughter of Joseph McEachern, and granddaughter of Sandy Donald Ban McDonald, of East Point, P. E. I.,—Oakland Maple Leaf.

WEDDING BELLS.—The marriage took place on Tuesday morning, the 31st July, at St. James church, of Mr. Emmanuel Cormier, son of Joseph Cormier, of Caissie Road, to Miss Rose Alba Poirier, daughter of Edilbert Poirier of Abram's Village, Rev. Father Boudreau officiating. Mr. Glarice Cormier, brother of the groom, and Miss Marguerite LeClere, of St. Gilbert's, stood for the happy couple. M

AGED SUNDAY SCHOOL SCHOLARS.—A very interesting feature of Journal Sunday school last Sunday morning was the presence of two persons who were members of the school many years ago. One was Mr. Henry Wood of Fairhaven, Mass., who began to attend 76 years ago. The other was Mrs. Sarah Jones who began to attend 73 years ago. Mr. Wood now in his 86th year recited in a splendid manner a poem of fourteen verses which his Sunday School teacher had given him to learn when he was a little boy of nine. Mrs. Jones has taken an active part in Sunday School work up to a few years ago, having been Superintendent for six or seven years.

The death took place at Crapaud on Thursday, August 2nd of Loretta, beloved wife of Albert N. Gagnon of Brighton, Mass. The deceased who was in the 29th year of her age, had been in failing health for some time, and early in the summer she came home to spend a few months with her mother Mrs. Levi Trowsdale. Everything was done for her that loving hands could do, but in spite of all she did not rally, and she passed away, leaving behind, besides her husband two infant children to mourn her loss. Also two sisters, Miss Janet Nelder of Boston, Mass., who has been at home during her sister's illness and death, and Mrs. Everett Faulkner of Brighton, Mass., also a half sister Blanche Trowsdale at home, and two half brothers, Charles at home and Heber, now serving his King and Country in far-off France. The funeral took place on Sunday, August 5th and was very largely attended. Rev. Geo. Morison conducted the funeral services at house and grave. The following were the pallbearers, Fred Luman, Samuel French, Miner McNevin, Jas. Knox, William Gillespie and Bertram Smith. Much sympathy goes out to the bereaved family in their sad loss.

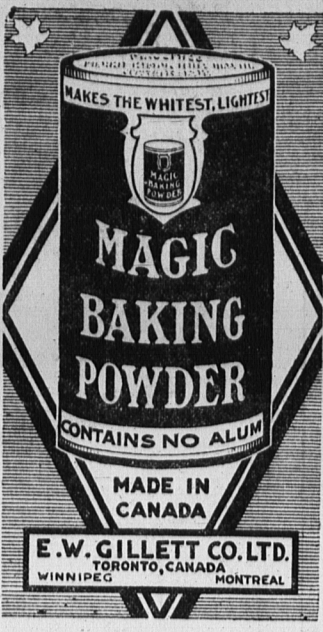

WEDDING BELLS.—A quiet wedding took place at the home of Mr. and Mrs. Samuel Jardine, Orwell when the charming daughter of the home and popular nurse of the community became the wife of Mr. Neil R. McKinnon of Earncliffe. Rev. Dr. McEwen, pastor of Orwell Presbyterian Church performed the ceremony. The bride was becomingly attired in white satin and carried a bridal bouquet of white roses and carnations. The bride was attended by her sister Miss Edith and the groom was ably supported by his brother Mr. Robert McKinnon. Under a beautifully festooned arch the vows were exchanged which made the happy couple one. A simple impressive ring service was used by the officiating minister. After hearty congratulations a bounteous and delicious full supper was enjoyed by the large company present. It was a real community wedding where all denominations were present and prominent among the guests were the parents of the bride. The presents to the bride were abundant and valuable. If the happy couple as they go to housekeeping fully enjoy the wishes of their many friends, their pathway through life will be rosy indeed.

WEDDING BELLS.—In Mount Carmel church on Tuesday, July 31st took place a very pretty wedding when Mr. Guillaume Arsenault son of Mrs. Francois Arsenault, of Mont Carmel was united in the holy bonds of matrimony to Miss Nora Pitre, daughter of Mr. and Mrs. Albert Pitre, of Cinan, N. B. This ceremony was performed by Rev. P. P. Arsenault, P. P. The bride was supported by Miss Rosella Arsenault, whilst the groom was ably attended by his brother Mr. Benj. Arsenault, Mail Clerk on the P. E. I. R. The bride was attired in blue silk with hat to match. As the groom has been choir master for many years, the young ladies of the parish prepared a selection of music which was rendered admirably during the ceremony. Miss Josephine Gallant teacher from Mont Carmel performed on the organ. Ave Maria by Gounod was sung in an inspiring manner by Miss Clarice Gallant of Moose Jaw, Sask. The wedding march was also played. Misses Eugene and Julienne Gallant and others also helped to make the vocal selections worthy of the occasion. After the ceremony the bridal party proceeded to the home of the groom where they partook of the delicacies of diet. The large number of friends and relatives present showed that Mr. Guillaume Arsenault was held in high esteem by all. Mr. Arsenault has been manager of the egg circle since its inauguration in this section and always performed his duties towards the patrons in an honest and satisfactory way. This goes to show that Mr. Arsenault is in close touch with an unlimited number of friends, hence the large number gathered to wish him abundant joy. The Guardian unites with the many friends and relatives in wishing the newly married couple a happy pilgrimage through life.

FUNERAL TUESDAY.—On Tuesday of last week the mortal remains of the late Duncan McKenzie, who passed away in his 85th year, were conveyed to the Hartsville cemetery, and laid there to rest. A large concourse of people were present on that occasion, the procession extending a mile in length. The deceased was a man highly respected. His record was without fault. It is given to but a few to maintain so high a level in all that is good. His face was ever set in the right direction, his religious life was not of the emotional sort, but his faith never wavered and his hope in death as in life was anchored to the rock of ages. He lived out his day on the homestead where his people first settled, and was the last but one of a large family, the best known of whom was perhaps the late Hon. A. B. McKenzie, of Charlottetown. He is survived by a wife, a daughter and three sons. The eldest son is the Rev. A. D. McKenzie of St. Luke's church, Montreal. His second son, John M., is principal of a high school in the same city, and the youngest son and daughter at home. The Rev. J. W. McKenzie, of Belfast, officiated at the funeral. The impression is universal that a truly good man is laid to rest.

FRIDAY

ANOTHER GALLANT P.E.I. BOY RETURNS.—Sergeant W. L. Ferguson of Southport arrived in Charlottetown by the S.S. Arnamore yesterday after serving twenty-nine months in France. He left the island about eight years ago and enlisted with the Sixth Battery in Sydney, where he was following his trade of woodworking. He took part in all the important fighting in which the Canadians were engaged and was wounded in the head during the second battle of Ypres, but soon recovered and went back to the firing line. He left France just a month ago and will spend a month at his home. He is a son of Mr. and Mrs. F. B. Ferguson of Southport and is a splendid example of physical fitness and Canadian pluck.

DRIVING ACCIDENT.—An accident occurred on Graham's Road last Monday, in which Miss Annie Murray and her sister Irene and Mrs. Welsh Murray, help-sister-in-law received painful though not serious injuries. While driving down a hill quite near their home in company with their brother Arnel, the king-bolt of the carriage gave way. Consequently the front wheels went clear of the carriage and all were thrown out behind the horse's heels. The horse being a young one became very frightened and began to kick violently right over Miss Irene's head. Indeed, the ladies all consider they had a narrow escape from a very serious if not a fatal accident.

THE CAR FERRY SERVICE.—When the car ferry steamer takes up the service between Mont Borden and Tormentine this autumn it is understood that she will make two trips daily except Sunday, leaving Port Borden at 8.55 a.m. and 4.30 p.m. The morning trip would thus give connections with all west-bound early trains from Sackville and the afternoon boat would give connection with the Maritime Express to Montreal and with the night trains to Halifax and St. John, thus making connection with the early morning train to Boston. The steamer will also make two trips from Tormentine daily arriving at Port Borden on her first trip at 3.45 p.m. and on her second trip at 9.10 p.m. By this arrangement a passenger leaving Halifax for St. John in the morning should arrive in Charlottetown about 6 p.m. and consequently the public will be able to receive the morning papers from these places at a reasonable hour and it is also expected that improved mail arrangements will be brought about.

A deep gloom was cast over the community of Bloomfield when it lost one of its most popular young men in the person of Private Henry L. Peters son of Mr. Joseph Peters. He enlisted in the 105th Battalion in the winter of 1916. In the spring with the same battalion he crossed to England and later to France. There he was operated on for appendicitis. He was later taken to London where he received several slight operations.

In June, 1917, he was taken to Halifax where he died on July the 19th. On the 21st, the remains were taken to his home, a large number of bereaved friends and relatives following from the station to the house.

On Sunday afternoon July 22nd, the funeral took place at St. Anthony's R.C. Church. It was one of the largest ever witnessed in that parish. Rev. F.X. Gallant officiated at the church and grave. Besides his bereaved parents one sister Mrs. Joseph L. Peters of Reading, Mass., is left to mourn, besides a large number of friends and relatives. Henry was a favorite with all who knew him. He was only 24 years of age and the only son R. I. P.

FORMER P. E. I. GETS CALL.—Rev. J. L. Miner of the First Baptist Church, Red Bank, N. J., has received a call to one of the most prominent Baptist Churches in Philadelphia, Pa. which he has accepted. Mr. Miner has also received the degree of Doctor of Philosophy. His many friends on P. E. Island, especially in the Charlottetown Baptist Church, of which he was a former pastor, will be pleased to learn of his success.

A PLEASANT EVENING.—A very pleasant evening was spent Wednesday at the home of Mr. and Mrs. F. J. Holman, Brighton, when a number of friends assembled to say farewell to Mr. and Mrs. Charles Holman of Sask., and also to congratulate Mr. and Mrs. Christie of Toronto, on their 25th wedding anniversary. Mr. Christie is the well and favorably known representative of the Cowan Chocolate Co., and his usual humor and Scottish songs were not lacking on this occasion. Patriotic songs, music, etc., were heartily enjoyed by all present.

INSTALLATION OF OFFICERS.—St. George's, I. O. G. T., No. 109 held its installation of officers on August 7th. The following officers were unanimously appointed: Chief Templar, Bro. L. V. Shaw, Vice Templar, Bro. D. M. Gordon, Past C. T. Bro. Seymour Gordon, Chaplain, Bro. George Yoston, Financial Secretary, Sis. Susie Hemphill, Treasurer, Sis. Florence Gordon, Secretary, Sis. Mae Lavers, Marshal, Sis. Elsie Lavers, Deputy Marshal, Sis. Bertha Lavers, Guard, Bro. Howard Hobbs, Sentinel, Bro. Earle Lavers, Organist, Sis. Mrs. A. E. Jenkins.—G.

LEFT FOR HOME IN SASK.—Mr. and Mrs. Charles Holman left yesterday on return to their home in Strassburg, Sask., where Mr. Holman is engaged extensively in wheat growing and also as a large horse dealer. They spent about five weeks visiting friends and renewing old acquaintanceships, and were highly pleased with their visit and said if you want "a real good time you must return to P. E. I." While here Mr. Holman took in the races at Kinkora and Georgetown, all of which he most thoroughly enjoyed. They hope to return again to their native province in the not far distant future.

105TH BUTTONS IN DEMAND.—The Secretary of the 105th Comfort Circle received a letter from Kennebec, Maine, with money enclosed from a lady who speaks in highest terms of the Circle's work and who is most anxious to secure 105th buttons. She mentions having read of those buttons in the Charlottetown Guardian. Since Burton Day the demand for the buttons has far exceeded the supply of two thousand. The buttons are to be copyrighted by the Secretary of the Circle and a new supply will be ordered and the proceeds from every one sold will be devoted entirely to 105th Comfort Circle work.

It is the Flavour that counts

You know, yourself, that 95% of what you buy to eat, is purchased rather for the flavour than its food value. In other words, we eat what we enjoy, and usually eat only what pleases our palate. There is nothing inviting or appetizing about a loaf of bread made of western spring wheat flour, with its coarse texture, and lack of flavour.

But when the bread and rolls and biscuits are made of

BEAVER FLOUR
MILLED OF BLENDED WHEAT

Ah! that's another story altogether. While the food value of Bread, made of "Beaver" Flour is not to be belittled, it is the delightful flavour, the delicious nutlike "homey" taste, the fine, even texture, the creamy lightness, that make homemade "Beaver" Flour Bread such a treat for young and old alike.

And when it comes to things like Apple and Mince Pies—Chocolate or Layer Cake—or a batch of Cookies or Gingerbread for the children—well—just try "Beaver" Flour once, that's all—and you'll see and taste the difference.

"Beaver" Flour is a blend of the famous Ontario winter wheat and enough western spring wheat to give it strength. It has the flavour of the one and the strength of the other, and being milled of scientifically blended wheat, it is always the same in flavour, in quality and strength. Why miss so many of these good things, by using western wheat flour? Order a sack of "Beaver" Flour, at your dealer's, and begin to enjoy the delicious bread and pastry it makes.
