The Week's Winners

The trotters and pacers are now very busy in Ohio and Michigan as well as in New England. Over four hundred are located at the Cleveland track, where the Grand Circuit will open on July 7...

Harry Stokes had a profitable week at Marion, Ohio, where he won with...

Marguerite Clark, Brescia, and Miss Eagle, the latter winning a \$1,000 event. Eskine landed one of the \$1,000 events with Hickory Hill and Shively landed another with Tramp quick.

There was a time record meeting at Hartford, Conn. on June 21st. During the afternoon, W. T. Crozier marked Harvest Evening 2.27, Harvest Gloam 2.25, and Miss Gertrude 2.24 1/2...

Mount Clemens, Mich. was the scene of two of the most stubbornly contested races that have been staged this season. The first battle was in the 210 pace, in which Grace Direct defeated Symbol S. Forrest after he won a heat in 2:05 1/2 over the half-mile track...

Betty Hopper and Lightsome Watts also showed in front.

C. E. Pitman has been winning at the Goshen N. Y. matinee with the three-year old colt Let Fly, brother to Peter Vonia, 2:03 1/2 and the two year old filly Kilo by Peter the Great...

The four year old gelding Baron de Forest looks like one of the best prospects that is eligible to the slow trotting classes. He has been worked in 2:08 1/2.

The Connecticut trainers won six of the ten races contested at the Hills Grove, R. I. meeting last week. Fleming showed in front with M. L. J. and James Albert, it being the third win for the latter in the Bay State Circuit...

The spectators next week will see the eleventh contest for the Ohio Purse for 2:08 trotters and the Edwards Purse for 2:08 pacers, as well as the tenth renewal of the "Steak"...

In 1914 the association made the Tavern "Steak" open to professionals and amateurs. Since that date the former showed in front in all of them. Dick McMahon won it in 1914 with King Clansman while Geers followed the next year with The Guide...

The popularity of the Tavern "Steak" is shown by the fact that thirty-one nominations were received in it this year. Some of them have fallen by the wayside while "Fraxton," one of the first horses named, is now one of the first horses named...

Lockspur is the first nomination in the event to win this year. He showed in front at the Crawford meeting where he trotted the half-mile track in 2:10...

Three of the ten Ohio Purse were won by Alonzo McDonald with Bob Douglas, Lewis Forest and Star Winter, the latter placing his record at 2:05. Murphy also won two of them with Marigold and Peter Scott...

The Edwards Purse has been since it was established the first big pacing event of the year. Murphy won the first one with George Gance in 1910 when he kept him front almost all the way down the line...

Twenty-two nominations were received in the Edwards Purse this year and a large field can be looked for when the horses turn for the word Wednesday. Cox has won this race twice and will make an effort to land it again with the handsome Frank Dewey...

On account of the sickness in Walter Cox's stable before he left Dover, it is doubtful if either Daystar or General Knight will be in condition to do themselves justice if they are started...

According to the reports, Geers is going to make a very bold bid for the Fasig Sweepstake for three year old trotters with Tombigbee as he has been in 2:07 1/2. In this event, the Etawah gelding will be expected to take the word with either Princess Etawah or Brusloff from the Ellis stables...

The Belwin colt has been placed in Dick McMahon's stable. He will drive him in his engagements this year. He is in perfect condition. W. J. Andrews worked him in 2:10. Those who are familiar with his form expect first National to trot as fast as Chestnut Peter or David Guy did last year...

Princess Etawah is also a pearl in that respect. While she is the first of the Etawah trotters, her dam Princess Ellen made a record of 2:05 1/2 and carries the stoutest lines combined by C. J. Hamlin when he carried the Village Farm into the limelight with the get of Mambrino King and Chimes...

WILL THEY COME BACK?

A few days ago when discussing the great two and three year old trotters, Thomas W. Murphy said that very few successful two year olds came back the following season unless they won their engagements...

The returns for last year are in line with it. At the close of 1917, every one expected that Nella Dillon and Peter June would make a sweep in the three year old races in 1918...

Princess Etawah were the only ones to beat 2:10 in races. The colt won at Toledo in 2:08 1/2 while the Etawah filly trotted in 2:09 1/2 in the deciding heat of the two year old division of the Kentucky Futurity...

On Saturday evening June 21st at the home of Mr. and Mrs. James Marshall Covehead Road and neighboring gathered to welcome their oldest son Lawrence who has lately returned from overseas where he has been for nearly five years...

PEACE SOUP

We made a caldron full of soup, and set the same before the Huns; they raised a loud, disgusted whoop, and reached around for hidden guns. "Ach, donee-wetter!" said the chief, "we do not like this consomme; it is not made of wholesome beef, but rather hints of Old Dog Tray. I fear, you've boiled a lot of crows, or made a broth of our lost goat; it is offensive to the nose, and raises blisters on the throat..."
