"BACK TO THE LAND"
 Is sinking deeply these days into the minds of millions of City people and nowhere else on the Continent can such wonderful land values be had as on this Island.
 I am willing to risk my reputation by prophesying that, never again in this generation, will farms with such good soil and satisfactory buildings be offered on Prince Edward Island at such bargain prices as those contained in the list below, in addition to which I have many others to offer by private sale.

FARMS FOR SALE
HUNTER RIVER—50 ACRES

"BACK TO THE LAND"
 Is sinking deeply these days into the minds of millions of City people and nowhere else on the Continent can such wonderful land values be had as on this Island.
 I am willing to risk my reputation by prophesying that, never again in this generation, will farms with such good soil and satisfactory buildings be offered on Prince Edward Island at such bargain prices as those contained in the list below, in addition to which I have many others to offer by private sale.
