PRESIDENT'S ADDRESS

Officers and Members of The Catholic Women's League:

Another year has passed and as President, I have the honor to address the members of the Montague Sub-Division of the Catholic Women's League of Canada at this their third annual meeting.

The honor you so graciously conferred upon me, on the occasion of the second annual meeting last April, when you elected me to the office of President, was accepted with commingled feelings of appreciation and apprehension. I have endeavored to fulfill the obligations incumbent upon me with care and discretion and sincerely hope you have not found cause to regret your choice.

At our last annual meeting we showed a membership of forty-three, today we have fifty-five—an increase of twelve members, but this is not enough. Every Catholic woman in our parish a member of the Catholic Women's League is our objective and until this is accomplished it is the duty of each member to try to secure new members. His Excellency, Bishop O'Sullivan, addressing the delegates at the C. W. L. convention at Summerside last September stated that the C. W. L. was one of the greatest organizations in the church and in Canada today and every Catholic woman should consider it an honor and a privilege to belong to such an organization. If our non-members would but consider those words of our Bishop we should soon have a one hundred percent membership. The first duty of every sub-division is to its pastor and to its church. Are not all our Catholic women interested in their church and eager to assist in every way possible their pastor? If so what need for further argument or proof that the C. W. L. Sub-Division is deserving of and entitled to the full support of every Catholic woman in the parish.

Successful Year

It is not my intention to dwell on the nature or amount of work accomplished during the year. A detailed account is presented in the reports of the Secretary, Treasurer, and Convenors of the Standing Committees. It is with pleasure that I refer to the sum of $400.73 that was realized, the greater amount of which was disbursed locally. Our organization however, is not concerned with the raising of money alone—the material side is only a secondary consideration. Over and above that we have a higher and nobler spirit of charity in our every deed as will be seen by the splendid work of the Social Service Committee. To this Committee and its sister bodies, namely the Education, the Diocesan, and the Church Committees I wish on behalf of our sub-division to extend a well merited tribute of praise and appreciation. All have been most faithful in the discharge of their several duties and much of the year's success and good work may be attributed to their goodwill and self-sacrificing efforts.

While restricting myself from comment on the general activities of the year I wish to say a word in behalf of the Study Club Phase of the work that is still in its infancy. We have taken up the study of "The Faith of Our Fathers," which is most instructive. With books and papers of the day undermining the faith and morals of our youth, and with the movies glorifying vice and crime and scoffing at the most cherished ideals of human life, the need exists as never before for a more thorough knowledge of the Faith. I would suggest that more members attend those study group meetings and take part in the discussions and so make the work more interesting and fruitful.

Social Activities

In connection with our social activities in the month of February was an evening's entertainment for the members of the League to which the members of the Holy Name Society were invited. A pleasing coincidence was that the tenth wedding anniversary of our esteemed Secretary and her amiable life partner fell on the same date. This model couple always active and efficient in everything tending to the welfare of the League, was the recipient of the warmest felicitations of the large number present, and also of a "Tin Shower" from the members of the sub-division.

The radio audience of this Sub-Division is deeply indebted to His Excellency, Bishop O'Sullivan, for sponsoring the broadcast of Lenten services from St. Dunstan's Basilica. The sermons are instructive and edifying to all, but are more deeply appreciated by the people of this Mission Parish who are not favored with regular Lenten services.

While speaking of broadcasts I might incidentally remark that the regular Sunday afternoon talk by Monsignor Thomas Curran, Vicar-General of the Archdiocese of Halifax, sponsored by the C. W. L. should be of interest to members. I strongly urge all to avail themselves of every opportunity to hear those excellent broadcasts pertaining to our Faith. As a Division may we not suggest that our own Diocesan Branch take pattern by that of Halifax and do something towards promoting an occasional radio talk. "The Aims and Objects of the C. W. L." would be an excellent subject for at least one broadcast. A series of discourses would surely enhance the value of the League and would tend to stimulate an increase of membership.

C. W. L. Suffers Loss

Montague Sub-Division unites with all others in condoling the distinct loss suffered by the C. W. L. of Canada in the passing of Miss Margaret Jones of Montreal. Identified with the League from its beginning she gave fifteen years of capable, unselfish service and at the time of her recent demise was National Secretary and also Editor of the League Magazine. May she rest in peace.

In conclusion I wish to express to our Chaplain, Father Kiggins, and to each and every member of Montague Sub-Division my sincere and heart-felt thanks for their co-operation and assistance during the past year, as it was only by such co-operation and assistance that we were enabled to have such a successful year and I bespeak for the in-coming President and officers the goodwill and zealous support manifested by you in the past.

May we all work harmoniously during the coming year in the interests of our League and make it an organization of which we may ever be justly proud—remembering always our motto "For God and Canada."

FLORENCE KELLY,
President.

RECORDING SECRETARY'S REPORT

Madam President, Officers and Members:

At the annual meeting of the Catholic Women's League on April 16, 1934, I was appointed Secretary of your Sub-Division and at the close of the third year of its existence I beg to submit a report of the activities. While the membership shows a decided increase over that of the previous year, it is not as large as it should be and we hope in the not too distant future to see every woman of the parish a member of the Catholic Women's League.

As will be shown a large amount of good work has been accomplished. A great deal more could be done if every woman was co-operating to boost the undertakings of our organization.

On April 26th the Feast of our Patron a High Mass was offered for the living members. A gift of flowers was presented to Miss Eileen Grant, a former treasurer, on the event of her reception in the Sisters of St. Martha (April 26).

Card parties on April 24th and May 24th were well attended and the proceeds quite encouraging. Devotions in May and June were carried on the same as last year. The children's choir under the capable direction of Miss Anna Grant rendered suitable hymns.

Catechism classes were held once a week until the end of June and resumed with the opening of school in September. Prizes for attendance and proficiency were given. Prizes were also donated to Grade IX in Montague Memorial and Greenfield Schools.

Report Of Social Activities

A most delightful children's picnic was held on July 19th at Wightman's Point with fifty-eight children and a large number of parents and visitors present. Plans are now under way to hold a joint picnic for the Catechism Classes of Georgetown and Montague during the coming summer.

On August 18th an ice-cream social was held, realizing the splendid sum of $71.45.

On September 11, 12 and 13th the Diocesan Convention took place at Summerside, our Sub-Division being capably represented by the President, Miss Kelly. Another member, Mrs. Hynes, as Diocesan Secretary, also attended.

A successful pantry sale on Sept. 22nd increased our funds to the extent of $13.50.

To relieve distress in Saskatchewan the C. W. L. of Canada is contributing $1000.00 annually for five years. Our Sub-Division generously subscribed $5.00.

Weekly card parties began in October and with the exception of Christmas week were continued until the beginning of Lent. Lunch was served followed by dancing which afforded a source of enjoyable recreation as well as an increase of revenue.

Our annual High Tea and Bazaar was a decided success socially and financially. On a bed spread donated by League members for lottery the sum of $7.20 was realized.

In December $50.00 was paid Father Kiggins on church account.

High Mass Offered

In November a High Mass was offered for the Souls in Purgatory and one in December for the late Miss Rose McCarron. In addition to these, two Low Masses were offered for deceased husbands of members. Letters of sympathy were written to families who have suffered bereavement during the year.

The lottery of handicraft articles made by the members brought the sum of $99.45. Drawing took place on November 26th.

A box containing serviceable knitted articles was sent to St. Vincent's Orphanage at Christmas. The letter received from the Mother Superior shows how much these gifts are appreciated.

In response to a request from St. Joseph's College, Yorkton, Sask., for the Ukrainian Missions the sum of $3.00 was collected by a subscription from the members.

On February 21st a number of members attended a very interesting and educative lecture on Dental Hygiene by Dr. Thomson of Toronto.

The Study Club recently organized is taking up as a religious subject "The Faith of our Fathers". Other subjects such as sewing, knitting, domestic science, or current events may be dealt with at those meetings.

Committees Active

The different committees, as will be shown by their reports, have been most active. The Education Committee is doing splendid work in the teaching of Catechism and giving prizes for attendance and proficiency. At Christmas a tree was decorated and a treat of candy with a gift presented to each child. The Little Flower Club, which was organized last year is zealous in its efforts to raise funds for the Chinese Missions. The proceeds of a candy sale together with the "Mite Box Savings" enabled it to send a donation of $3.00 to St. Francis Xavier Seminary at Christmas. A concert under the direction of the teacher, Miss Peters, was greatly enjoyed by a large audience and netted this Society a substantial sum which it expects to forward at Easter. The children as well as their teacher are to be commended for the success of their undertaking.

The Social Service Committee generously responded to many calls for aid and fuel, groceries, articles of clothing, stockings and mittens were supplied to the needy. Visits were made to the sick and fruit sent on different occasions.

In addition to the box sent St. Vincent's Orphanage at Christmas, the Diocesan Committee is now preparing some articles of bedding for the Sacred Heart Home.

The members of the Church Committee who volunteer their services from month to month, were kept busy in caring for the Church, washing linens, and decorating the Altar during festice seasons. Linen for new Communion Cloth has been purchased.

Other Work

Our National and Dicesan taxes, also Budget and Scholarship donations have been paid. $5.00 was sent to the Sisters of Service and $5.00 paid to the Boy Scouts Association.

A number of new articles, including a sewing machine, were added to our League Room equipment.

Our Sub-Division has also co-operated with the Legion of Decency, whose purpose was to combat the evilsof immoral and indecent motion pictures.

The amount of money realized during the year totalled $400.78 and amount expended $391.99 leaving a credit balance of $8.74 to start the new year.

All correspondence has been carefully dealt with. Letters received were duly acknowledged and other letters regarding League work written. Twelve regular and three executive meetings were held with a fair attendance. We were pleased to have our Chaplain, Father Kiggins, present at many of our summer meetings. We are grateful to him for his words of encouragement and advice which he is ever ready to render.

In conclusion, I extend congratulations to the members who have worked so assiduously and carried on, in the face of adverse criticism, the work already outlined. The many other good deeds accomplished are really oo numerous to mention in reports. We feel sure that greater achievements will be ours by keeping before us the words of the poet:

The heights of great men reached and kept,
Were not attained by sudden flight,
But they, while their companions slept,
Were toiling upward in the night.

Respectfully submitted,
GERTRUDE LANNAN,
Secretary.

TRINIDAD SHELVES MARYLEBONE RULE

PORT OF SPAIN, Trinidad, April 21—(Canadian Press)—Instructions issued by the Marylebone Cricket Club regarding "bodyline" bowling and how the umpires should deal with it will not come into operation in Trinidad this year, Hon. Nelson Betancourt, Chairman of the Bonanza Cup Competition Committee, announced here.

Mr. Betancourt, formerly captain of Trinidad and West Indies elevens, said it would be preferable to wait and see how the rules worked out in England this summer before adopting them in the colony. It also would be necessary to instruct umpires as to the exact meaning of the rule before the season opened.

A definition of "bodyline" bowling should include something to apply to "a fast bowler who sets a leg field and directs his attack at the batsman's body," the committee chairman said.

The St. Teresa's Dramatic Club presented their four-act drama, "The Dust of The Earth," in the parish hall on Tuesday evening, March 19th. A large audience greeted the players. The scene opens in the exterior of the Maple Farm Home, owned by Mr. and Mrs. Moore. These parts were admirably played by Mr. William Goodwin and Mrs. Urban P. Bradley. "Nell", the dust of the earth, who has been brought up in the home of her uncle, where she was denied the care and love of a mother, was forced to seek a home in the cabin of "Wandering Tom," where later she finds her true father. This part was very cleverly acted by Miss Mary Mooney. Elizabeth, daughter of Mr. and Mrs. Moore, portrayed by Miss Mary Carter, it being her first appearance on the stage, deserve much credit. Jerry, the son of Mr. and Mrs. Moore, was ably acted by John Gillan, who by his boyish pranks, kept the audience in laughter. Rev. Dr. Templeton, the young minister, was very ably acted by Mr. George Smith. John Ryder, the owner of the Maples, who later finds he is only a pauper, was taken by Mr. Henry Mooney, and as usual was at his best. Arabella, the village newspaper, was taken by Miss Mabel McQuaid, who throughout the entire play kept the audience in an uproar of laughter. Wandering Tom, who at the end finds to the satisfaction of all he is the owner of the Maples and father of Nell, taken by Mr. Joseph Trainor, Old Mose, the faithful servant of Wandering Tom was taken by James Mooney. It being his first appearance on the stage, he deserves much credit for the difficult part he played. The acting of the entire cast was well up to the standard of former plays. The orchestra rendered beautiful music previous to the play. The specialties consisted of a song "The Tumble Down Shack in Athlone," by Miss Mary Feehan, a step dance by the Misses M. J. Gillan, also by the Misses M. Feehan and B. Affleck, a solo, "The Rose of Tralee," by Henry Mooney, also a step dance by Amos & Andy, (J. Baglole and J. Evans), music was furnished by old Mose (J. Mooney). The play was under the capable direction of Mr. Joseph Kenny and Mrs. Joseph Trainor. Much credit is due our pastor, Rev. Basil Croken, for his untiring assistance during the play.

MR. S. J. B. ROLLAND

President of the Provincial Bank of Canada who died last week at 84 years of age.

Former Islander Honored In Death At San Diego, Cal.

The following clipping is from a San Diego, Cal., newspaper of recent date:

"Busy nurses paused in their duties at scores of bedsides yesterday to shed a furtive tear for "Father" Gahan, benefactor to many, who died Thursday afternoon.

"As operator of the Nurses' club here, Dr. Edward W. Gahan, 72, was known as a "friend in need" to nurses throughout the southern part of the state. When jobs were scarce, the nurses found board and room and kindly advice with "Father" Gahan, friends revealed last night.

"Funeral services were to be held at 2:30 p. m. today in the Benbough chapel.

"A native of Prince Edward Island, Canada, Dr. Gahan emigrated to Boston where he was a practicing physician for 20 years. In 1907 he retired and came to San Diego. He built a 40-room hotel at 1468 First ave., but soon changed it to the Nurses club.

"Yachting was his avocation, and he won many important trophies with his racing yacht "Trilby," and other vessels that he owned. He was an officer and organizer of the Balboa Park Roque club. After his retirement here, he took up the study of law and passed the California bar examinations.

"Surviving is the wife, Mrs. Erma Gahan, San Diego; a daughter, Mrs. Carl Dickson, National City; two sons, Joseph C. Gahan, Atlanta, Ga., and John E. Gahan, Los Angeles."

MR. MCCAREY'S TRIBUTE

The Guardian is indebted for the above clipping to Mr. Joseph McCarey, former Postmaster at Charlottetown, and now residing in Baltimore. Mr. McCarey writes:

"The subject of the enclosed clipping from a San Diego publication, Dr. Edward W. Gahan, was a native of Charlottetown, where he attended Queen Square School (St. Patrick's School under the Christian Brothers) and St. Dunstan's College. He was a talented boy, but adventurous with a roving disposition and, so early in life he stowed away in the sailing brig "Peeress," Capt. Fred Douse, bound for Liverpool England. His experience on that winter voyage across the North Atlantic and his subsequent sea experiences and our reminiscences of school days together, made for very enjoyable confabs with my old pal during my visit to California last summer. When we met, after thirty years' separation, his first remark was "Well, Joe, we are the last of the old bunch," and I remarked, "You know Ned, the good die young." The old bunch were the near neighbors, the Byrnes, McEacherns, Gahan and the present scribe.

The brick house on Sydney Street, Charlottetown, now part of the Cathedral property, was the Gahan home, built by the Doctor's father, John Gahan, who was a prominent merchant and a close friend of Bishop McIntyre—he accompanied the Bishop on one of his periodical visits to Rome.

George Reddin, Pat McMahon, Mike Walsh and John D. McKenna will recall our school days in Charlottetown in the 70's of last century.

"They are passing away the friends of old

With never a break in the steady flow,

NEW YORK, April 19—The golfer's chances of scoring a hole-in-one are exactly one in 107,510, E. C. Conlin, rubber company executive figured out today.

"You have 1,229 more chances of becoming the father of twins," was Conlin's opinion. "Averaging 18 holes of golf per weekend from April 1 to Nov. 30, you will make 630 tee shots at which rate it will take you 170 years to make your ace.
