

When your child is ill you dislike to make it take bad tasting medicine. Hence it is well to know that Ayer's Cherry Pectoral is very pleasant. But it is a medicine, a strong medicine.

Time and time again we have published the formula of this cough medicine in the principal Medical Journals of this country and Europe, and have mailed it to nearly every physician in the United States.

So it follows that when your doctor orders it for coughs, colds, bronchitis, or consumption, he knows precisely what he is giving.

Physicians recommend their families to keep it on hand.

Made by the J. C. Ayer Co., Lowell, Mass. Also manufacturers of AYER'S HAIR VIGOR—For the hair. AYER'S PILLS—For constipation. AYER'S SERRAVALLO—For the blood. AYER'S AGUE CURE—For malaria and ague.

ALL lovers of sacred music will welcome the giving of the Cantata (The Holy City) on Tuesday next in Grace Church, Upper Prince Street. It is one of the standard works called for by the musical festival at Birmingham in 1882. Its choruses are massive, its concerted numbers exquisite. The solos are used by all singers of note in their concert and church programs. The baritone solos are especially fine and are artistically interpreted by Mr. Stanley. Grandeur, vigor, but none more beautiful have been given here. The chorus which culminates in man's only hope "God is love," once heard will ever be remembered.

Have you ever taken British Cough Cure when troubled by bad cough? If not you should try it. There is nothing like it. The quantity sold guarantees its virtue. Specially good for children. Sold at 25c per bottle by A. W. Reddin Pharm. B., Central Drugstore.

ALDERMAN SPENCE ON THE SITUATION

(Toronto News.) George Spence, Toronto, one of the Vice-Presidents of the Ontario Alliance: "My personal feeling is one of disgust. I think Mr. Ross has gone right back on us, and disappointed us badly. "What action will be taken in regard to it?" "That depends upon what is decided at the meeting. I expect the Alliance will meet and issue a manifesto. "My reason for being disgusted," added Mr. Spence, "is that after Mr. Hardy and Mr. Ross both shouldered the pledge given by Sir Oliver Mowat to give prohibition as the Premier stated at the convention, Mr. Ross should now express himself as delighted with the action taken by the convention, which means to throw it all overboard."
