

CH'TOWN'S FIRST HOBBY SHOW OPENED

Splendid Attendance On Opening Night of Boys' and Girls' Exhibition at Y. M. C. A.

Charlottetown's first Boys' and Girls' Hobby Show, conducted by the Young Men's Christian Association was declared officially open last night by Mr. Keith S. Rogers, president of the organization. Through passed through the building to view the collections of drawings, stamps, coins, model, machinery and books, handicraft, cooking and a hundred other products of the skilled hands of youth.

For a month or more, school children have been preparing for the event and friends and parents had their first glimpse at the results last night and many favorable comments were expressed.

"The youth of today, particularly in Prince Edward Island," said Mr. Rogers in his presidential message, "require the wide sympathy and encouragement of every citizen in all endeavours to develop individual talent and craftsmanship. With our educational system tending to curb all to a standard pattern, movement to foster the development of individual tendencies in the talented youth of our city, should receive every possible public support."

In the art collection exhibits of the work of school children of the city were on display along with the art work of Charlottetown schools.

A model coach built in Charlottetown by Mr. Phillip E. Stavert now of Sydney, N. S., was one of the interesting entries. Judges were busy all the evening making awards.

"Wherever conditions have allowed a boy or girl to pursue with reasonable freedom, their own visions and ideals," declared President Rogers in opening the exhibition, "there we have eventually recognized genius. The boy Edmond Roy Macdonald, Madame Curie of radium fame and our own Lucy Maude Montgomery are examples of boys and girls who have either received encouragement in pursuit of their individual ideas or have been strong enough in their own minds to overcome real obstacles in order that they might pursue the life work for which their inward souls craved. With these examples before us, we should realize that many children are too shy and too diffident to thrust themselves forward and develop their buried talents. It is hoped, with our hobbies show an annual event, that the Charlottetown Y. M. C. A. will be able to assist the youth of our province in the development of their individual ideas in art, craftsmanship, music, poetry, engineering, physics and the culinary arts."

A number of the classes were judged yesterday and the remainder will be judged today.

Division A of the checker playing contest was won by Mr. Noel Segan.

The Trail Ranger group of Trinity Church, under the direction of Mr. Frank Storey, put on an excellent demonstration in the gymnasium during the course of the evening.

This demonstration was followed by dancing contests. In the High and Fling contest open to boys and girls under 15 years of age the first prize was won by Miss Annabel Lawson and the second prize by Miss Josephine Leighton.

In the sword dance contest open to boys and girls under 20 the prizes were won as follows: 1st Miss Joan Snyder; 2nd Miss Marie Devall; 3rd Miss Phyllis Arsenault.

In the musical contest (vocal) prizes were won by Miss Margaret MacPherson first, and second Miss Claire MacMillan.

"TOOK ALL KINDS OF PILLS, THEN CEREAL BROUGHT RELIEF"

Constipation, Due to Insufficient "Bulk," Relieved by Kellogg's ALL-BRAN

A fine letter from Mrs. Snyder: "I have had trouble" with my bowels for years, taking all kinds of pills and drugs, with no relief.

"One year ago, I saw Kellogg's ALL-BRAN and bought a package. I have good movements every day, and I am 75 years old. I am telling my friends what bran has done for me."

—Mrs. Sallie Snyder. Address upon request.

"Constipation due to insufficient bulk" in meals.

Research shows that Kellogg's ALL-BRAN furnishes "bulk" to exercise the intestines. ALL-BRAN also supplies vitamins B as well as iron, an element of the blood.

Two tablespoons daily are usually sufficient to correct common constipation. With each meal, in serious cases. If not relieved this way, see your doctor.

The "bulk" in ALL-BRAN resists digestion better than the "bulk" in soft vegetables. How much better to use this food in place of patent medicines.

At all grocers in the red-and-green packages. Made by Kellogg in London, Ontario.

IN MEMORIAM

AENEAS, MACDONALD

News of the death of Mr. F. A. Macdonald which took place at his home in Tignish, on Wednesday, April 17th, was heard with sincere regret throughout this province where the late Mr. Macdonald was most favourably known.

The deceased, who had been in indifferent health for the past three years was about as usual until late February when his disease took on a graver aspect.

The late Mr. Macdonald was born at Vernon River, forty-four years ago. After receiving his education at St. Dunstan's University he entered Goulie's Drug Store at Summerside where he remained until he responded to the call to arms and went overseas with the 6th Field Ambulance from Halifax.

On his return from France in April 1919 he entered the Gallant Drug Co. at Summerside. In 1923 Mr. Macdonald became a registered druggist and for a time remained with the Gallant firm where he continued to grow in efficiency and popularity. After his marriage to Miss Mylida McEwen of Souris they removed to Tignish where Mr. Macdonald opened a drug store and became a popular and successful resident of that town.

The funeral which was held from his home to the Church of St. Simon and St. Jude on Friday was largely attended. The coffin, which was draped with the Union Jack was borne by six comrades. The Legion attended in a body and carried out full military honors. At the church High Mass was celebrated by the Rev. J. D. McNeill, after which the procession returned and bore the remains to the train station accompanied by his mother and brother Alex they were conveyed to Vernon River, where the interment took place.

The people of Tignish are deeply grieved by the passing of their friend who though only having spent a comparatively short time among them his kindness and courtesy had won for him many friends who will not soon forget the genial Aeneas who was a friend to everyone.

Shortly after coming to Tignish Mr. Macdonald suffered the loss of his beloved wife who also was highly esteemed among the people of Tignish. To his grief-stricken mother and brother Alex and also to his little daughter, Josephine, the company of Tignish tender their sincere and heartfelt sympathy. May his soul rest in peace.

But always says, "Send it our folks seem to like it. We think it a help, and in fact a great need." We inwardly bless her, we outwardly thank her— That steady subscriber who writes, "Yes, indeed."—Exchange.

"TO HONOR OCCASION WORTHILY"

Eloquent Appeal to Legion Members From the Dominion President.

The following appeal in connection with the King's Jubilee has been received by the Provincial command of the Canadian Legion from General Alex Ross, Dominion President.

To my Comrades of the Canadian Legion of the British Empire Service League in Prince Edward Island.

On the 6th of May His Majesty the King, our gracious and much loved Patron-in-Chief, will have completed twenty-five years of the Throne, as the ruler of a loyal, united, and grateful people.

Everywhere, throughout the length and breadth of the Empire, His Majesty's subjects will unite in celebrating the joyous occasion, and in testifying to the unbounded love and respect with which he is regarded by all. And these demonstrations will not be confined to the British Empire alone. Other nations, and especially our neighbour to the west, will desire to give expression to their admiration for a Monarch whose qualities are an asset to the whole comity of nations.

But to none can we who have served in His Majesty's Naval, Military or Air Forces yield the foremost place in our desire to honour the occasion worthily, in thanksgiving to the Almighty for the blessings we have enjoyed under the King's leadership, and in prayers for his lasting happiness and the permanence of his Dynasty.

Let it be the aim of each and everyone of us, in our own particular spheres, to do our utmost to ensure that His Majesty's Silver Jubilee is nobly and worthily observed.

ALEX ROSS, Dominion President.

Buchan Accepts Warden Post

(C. P. Cable By Guardian's Special Wire)

LONDON, April 16—John Buchan, Canada's next Governor-General, today accepted an invitation to officiate as warden of Neidpath Castle at celebrations at the historic stronghold next June. Neidpath Castle is the border fortress where Mary, Queen of Scots, spent the night of Aug. 27, 1567. It is situated in the romantic district where Buchan drew his inspiration for his first book, "John Burnet of Barns."

The functions in connection with the Royal Jubilee are slated for June 19.

suggestion really is."

Women, Miss MacKenzie thought, were too modest about themselves, and should make the worth of their work better known. The fact that few women held executive positions in industrial firms did not mean they were not doing the work but that they were not receiving the salary nor the credit for it.

They had written letters to Dr. George J. Trueman, President of the University, and Rev. W. C. Ross, principal of the Ladies' College, threatening those buildings with destruction by fire if the sum

of \$500 was not forthcoming. Sleuthing by University officials and students uncovered the identity of the pair and Dr. Trueman accepted their proposal that they leave the college.

Dr. Trueman said tonight that he did not wish to make public the names of the two young men. He was convinced, he said, that the fire threat was nothing more than a practical joke, but a most unfortunate one as Mount Allison had suffered heavily from fire in the last few years. The two students left for their homes today.

Back to Kitchen Futile Argument

(By The Canadian Press)

MONTREAL, April 15—"Women have been responsible for a lot of things in the course of history. They have given birth to many great peoples, Shakespeare—and the quintuplets, and now the depression," stated Miss C. I. MacKenzie, principal of the Montreal High School for Girls, addressing the Business and Professional Women's Club here.

"We used to think it was the war debts and post-war speculation—but no, it is the women who have taken men's jobs. It is easy to start a depression, apparently," Miss MacKenzie commented.

The suggestion that the situation be remedied by sending women back to the kitchen was discussed by Miss MacKenzie. If women resumed all the various home-making occupations in their enforced return to the kitchen the baker, the dressmaker and all sorts of small shops would have to close their doors. The depression would become chronic.

"I cannot see that the kitchen movement would result in anything but the most futile of many things to which we are accustomed in the daily life of the community," Miss MacKenzie declared. "If men just stopped to think of the logical consequences of putting the industrial clock back they would realize how impractical and foolish the

Preliminary Hearing Adjourned

(C.P. Cable By Guardian's Special Wire)

BOURNEMOUTH, England, April 16—Testimony that Mrs. Alma Rattenbury paid several sums of money including one to the amount of \$280, to George Stoner, was introduced today as the preliminary hearing of charges of murder against the couple continued. The hearing was adjourned to April 24.

The handsome, 31 year old widow and her 19 year old chauffeur are accused of the murder of her 67 year old husband, Francis Mawson Rattenbury, who lived in Victoria, B. C. for some time and was an architect of Baines and Mrs. Rattenbury herself lived in Kamloops as a child.

GLOUCESTER, Mass., April 15—(CP)—An angry sea today gave up battered bodies of the Portland Gill Netter "Eaters" and the bodies of two members of the crew of the ill-fated 42-foot fisherman which foundered in the gale of Cape Ann Friday.

The body of Clifford Nelson was cast up on the rocky Bayview Beach while scores of bodies lay the body of Svante Karlson was found.

The body of the third member of the crew, Captain Alfred Paulson, was washed ashore Saturday. The men were residents of Portland, Me.

ACID IS YOUR ENEMY

...Get rid of it before IT CAN HARM YOU!

INDIFFERENCE to over-acidity of the stomach can only lead to trouble and suffering. Do not neglect such symptoms as frequent heartburn, acid eructations, gas, "sour" stomach, acid indigestion, etc. For these signify that too much acid is present in the stomach. For immediate relief take Bisurated Magnesia. This preparation, though harmless to either child or adult, neutralizes and absorbs the excess acid.
