Rev. W. B. Thomas who has been appointed by conference to take charge of the Pownal circuit, preached his inaugural sermon in the Pownal Church on Sunday last to a large and attentive congregation. His text was "I am come to destroy the works of the devil." The Rev. gentlemen made very clear the difference between sin and the sinner. God came to destroy sin not the sinner. The physician tries to kill or take away the disease, not the patient. Jesus Christ is the great physician. He can cure the vilest sinner. Christ taught the people in his inimitable parables to think pure thoughts; if then they would speak pure words, then they would do good deeds. The sermon was plain so that all could understand, yet logical and convincing. Mr. Thomas made a very favorable impression.

CHILDREN HAD SKIN DISEASE

Itching so bad They Would Tear Their Flesh—An Extraordinary Cure by

DR. CHASE'S OINTMENT.

Too many children are in agony from itching, burning skin disease.

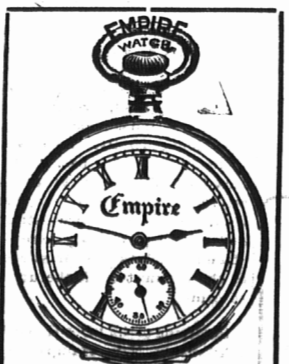

Too many mothers are worn out by anxiety and loss of sleep in watching over their little ones who are tortured by such ailments.

Dr. Chase's Ointment is a prompt and positive cure for every form of itching skin disease, and has proven its marvelous power in thousands of cases, similar to the one described below.

Mrs. Lois McKay, Tiverton, Digby County, N. S., writes:—"My children were taken with an itching, burning skin disease and tore their flesh until it was sore and their shirts would sometimes be wet with blood. The doctor did not seem to know what ailed them and could give no relief, so I began using Dr. Chase's Ointment.

"Wherever it was applied it did its work well, and has entirely cured them of this horrible disease. They suffered so they could not sleep nights, and I think if it had lasted much longer I would have gone crazy from the anxiety and loss of sleep. I cannot find words to praise Dr. Chase's Ointment enough for the good it has done my children, and hope other sufferers will try it."

Dr. Chase's Ointment, 60 cents a box at all dealers, or Edimanson, Bates & Company, Toronto. To protect you against imitations the portrait and signature of Dr. A. W. Chase, the famous receipt book author, are on every box.

—THE—

Century Tea!

The parishioners of St. Andrew's intend celebrating the Century of their parish on Thursday, 14th July, next.

The celebration will begin at 8 o'clock a. m. by a solemn Pontifical Mass by His Lordship Bishop McDonald. A sermon suitable to the occasion will be delivered by Rev. J. A. McDonald, Grand River, Lot 14.

On the church grounds, tea tables, saloons, etc., will be erected for the accommodation of those attending the celebration. This will be home coming day for St. Andrew's. Come and see your friends and have a good time. Celebrations of this kind happen only once in a century. The magnificent memorial altar donated by His Lordship Bishop McDonald and priests who are natives of the parish, will be used for the first time on that day. It's a gem.

If the day proves unfavorable the celebration will take place on the first fine day following.
