Hunter River And Vicinity

The members of the C.G.I.T. and Trail Rangers groups under the leadership of Rev. Lewis Murray and Mrs. Murray entertained their parents and friends at a very delightful party held in the Masonic Hall on the evening of Feb. 9. About fifty guests sat down to the well laden banquet table, the food offered being well within war-time limits. The blessing was asked by Rev. Mr. Murray. The following toasts were given--To the Church, by Ray Higgins, responded to by Mr. Murray. Our parents, Ethel Nicholson, responded to by Mr. Gordon Carew. The King, Jimmy MacFayden, responded to by singing the National Anthem. A delightful sing-song followed, all taking part. An interesting debate followed as to whether sheep or hogs are the most profitable to a farmer. For the affirmative side, were Misses Freda Newman, Betty MacNeil, Pauline Whitlock. For the negative Masters Elwood Robertson and Jimmy MacFayden. A very delightful evening was brought to a close by the National Anthem.

On Friday evening the Y. P. U. held a social evening in the Masonic Hall. The price of admission being one and one-half cent per inch of one's foot. Games and contests were entered into with zest and a pleasant evening passed quickly. Lunch was served by the ladies.

Pte. Gladys MacNeil has returned to the mainland after a short visit here.

Friends will regret to hear of the illness of Mrs. Pope Bagnall who has been confined to bed.

Misses Miriam Woolner and Frances Bagnall were recent visitors to Charlottetown.

Miss Gladys Andrews recently visited Charlottetown.

Friends are glad to see Mr. Milton Cutcliffe of Fredericton able to resume his duties after a recent operation for appendicitis. Mrs. Gordon Houston Mayfield, is visiting her paternal home at Hazelgrove--B.

RED CROSS WORK

On Feb. 10, 1942 a meeting was called at the home of Mrs. Frank Hamm, Mt. Hebert, for the purpose of organizing a Red Cross unit. Eight ladies were present and a unit was formed with Mrs. Hamm, president and Mrs. J. R. Munn, secretary. Since that time the membership has increased to 14. Forty-eight meetings have been held with an average attendance of seven. The club is very fortunate to have the privilege of holding their meetings at the Orphanage, which is always so comfortable and well lighted. Miss Beer, as official hostess, has been a wonderful help, taking in the finished products and always keeping a good supply of wool on hand so that the members were never without work. Receipts for the year were \$24.19 and the work accomplished for the year is as follows--18 navy and airforce scarves, 19 khaki sweaters, 3 airforce sweaters, 22 grey socks, 9 airforce socks, 32 seamen's socks, long, 9 white socks, 14 khaki gloves, 16 navy gloves, 10 bed gowns, 112 sterilization squares, 12 nurses operating room gowns, 4 prs. boys pyjamas, 1 pr. child's mittens and sweater, 6 quilts, 2 afghans, washed and repaired, 7 prs of socks sent to our boys in service \$4.73 yards and spoils, \$22.00 to boys overseas for cigarettes, \$5.00 to Kinsmen's Fund, \$5.00 flannel-ette for Baby Fund, \$10.00 Russian

NATIONAL SELECTIVE SERVICE

Complete Utilization of Canada's Manpower and Womanpower is Essential to Victory

NATIONAL SELECTIVE SERVICE CIVILIAN REGULATIONS provide measures to assist in complete utilization of manpower and womanpower. Workers and employers are urged to familiarize themselves with the Regulations and assist the war effort by carrying them out. Under Order in Council P.C. 246, January 19, 1943, all civilian regulations have been consolidated and revised. Main features of National Selective Service Regulations now stand as follows:--

COVERAGE

Employees Regulations cover persons of either sex from 16 to 64 years of age inclusive, except for the following: provincial employees; armed services; persons in fishing, fish processing, hunting or trapping; clergymen; registered nurses, probationers and practical nurses; school, college and university teachers; domestic servants in private homes with only one employed; school students employed after school; employees in respect of part-time subsidiary employment; and any person employed for 3 days or less in a calendar week, by the same employer. Agricultural workers are covered by special provisions, not by the general provisions, as also are "technical personnel."

Employers: Generally, the Regulations cover any person, firm or other employer, with one or more "covered" employees.

EMPLOYERS MUST--

In Engaging Employees: (a) refrain from discussing employment with a prospective employee unless permitted to do so by a National Selective Service Officer; (b) notify the nearest employment office of any need for additional employees; (c) secure permission from an employment office to advertise for workers.

If Having Surplus Workers: (a) notify the employment office of intention to discharge or lay off employees; (b) notify of intention to retain employees not actually required.

If Intending to Discharge or Lay Off Employees: Give employees 7 days' notice in prescribed form, unless a National Selective Service Officer, after application, permits a reduction of this period, or unless in the building construction industry. Such permission may be granted in case of materials shortage; breakdown of machinery; where absence of other employees interferes with operations; providing, however, that conditions are beyond the employer's control and that the employer cannot make use of employees' services otherwise. 7 days' notice is not required unless an employee has been already employed for one month; or in the event of fire, explosion or other calamity, or termination of work by weather; or where an employee unreasonably refuses alternative duties. Whether preceded by 7 days' notice or not, separation from employment requires notice in writing.

EMPLOYEES MUST--

If Unemployed for 7 Consecutive Days: Register for work at the nearest employment office. (Full-time students, housewives and clergy are not included).

If Seeking Employment: (a) first secure permit from a National Selective Service Officer, unless returning to a former employer within 14 days, or returning to the same employer immediately after sickness, a strike or lockout, or under seniority rules; (b) refrain from advertising for a job unless a National Selective Service Officer approves.

If Intending to Quit a Job: Give 7 days' notice, unless authorized by a National Selective Service Officer to reduce the period of notice (as where employment may endanger health or welfare), or unless working in building construction; but notice is not needed before joining the armed forces.

AGRICULTURAL WORKERS

Agricultural workers are covered by special provisions. Unless authorized by a National Selective Service Officer, persons regarded as "workers in agriculture" may only accept employment outside that industry to a maximum of 60 days within a calendar year without permit, but only outside urban municipalities of over 5,000 population.

TECHNICAL PERSONNEL

Persons considered as "Technical Personnel" may only accept employment or be engaged under special permit.

LABOUR EXIT PERMITS

Persons desiring to accept employment outside Canada must apply for permission at an employment office.

PENALTIES AND APPEALS

Penalties are provided for non-compliance with these Regulations, and with orders issued thereunder. However, appeals against rulings and directions may be made to a Court of Referees (formerly to a National War Services Board).

NATIONAL SELECTIVE SERVICE OFFICERS ARE AUTHORIZED TO--

(a) Give persons unemployed for 7 consecutive days, or in part-time employment for 14 days, written direction to report for interview or accept specific work; (b) exercise discretion in the issue of permits to seek or accept work, to ensure that workers' services are utilized to the best possible advantage; (c) authorize employed persons to transfer, after 7 days' notice, to more essential work, on the understanding that, if feasible, they will subsequently be re-instated in original employment; (d) on request of an employer or employee, reduce the 7 days' notice period, in prescribed circumstances, and consistent with the Regulations.

THE MINISTER OF LABOUR IS AUTHORIZED TO--

(a) Require a person in an age class subject to the military call-up to accept alternative employment; (b) require any employer to release any male person failing to furnish evidence that he has not contravened military call-up regulations, and to refuse a permit to seek work to any person similarly failing; (c) authorize payment of transportation for workers and special supplementary allowances, where he deems such arrangements equitable and necessary to secure labour; (d) authorize anyone to leave present employment on 7 days' notice, to take more essential work.

The foregoing is not a complete reproduction of National Selective Service Civilian Regulations. For further information or rulings on particular cases, apply to the nearest Employment and Selective Service Office.
