Bang-Up Hockey Expected In Exhibition Tonight

What might turn out to be the hottest game of the season is slated for the Forum tonight when Summerside's R. C. A. F. squad tackle the city league All Stars in an exhibition game.

Boasting players from Chicago Black Hawks, St. Michael's College, Ottawa Senators, and St. Boniface Seals the visiting airmen will ice perhaps a stronger squad than they did on their previous appearance here but they will face plenty of competition from the Charlottetown outfit. Pete Kelly has played with Detroit Red Wings, LeBourge was a star with Montreal Royals, while Deu, making his first appearance of the season was a consistent performer with Springfield Indians of the American League. These together with the well-known local boys should form a combination that will likely be hard to head.

It is billed as an exhibition but with the feeling high between the two squads they are expected to open as wide as if they were playing for the Allan Cup.

The game will get underway at 2 o'clock sharp and according to talk heard through the city a bumper crowd is expected to witness the encounter.

Juveniles To Play Finals At Sydney

Charlottetown's Juvenile Canadians, New Brunswick and P.E. Island champions will meet Sydney Academy at Sydney Thursday and Friday of this week in a two-game total-goal series for the Maritime crown, officials of the Canadians Club announced last night.

After nearly two weeks of negotiations during which at times it appeared as if the Canadians would have to forfeit their chance at a Maritime title the local club last night wired their approval to meet the Cape Breton team on their home ice.

Four members of the team will leave by train on Wednesday morning together with Coach Fred Bradley and Managers Bill Bevan and Jack McCourt while the remaining ten players, composed largely of students will leave by Maritime Central Airways, Thursday afternoon in time to arrive before game time. They will return to the City after Friday night's game. It is believed to mark the first time that a juvenile team of the Maritimes has flown by air for a series and the move was necessitated due to the fact that with the team composed largely of students they could not afford to lose so much time away from their studies, if forced to make the long trip by train.

Since winning the two-province crown Canadians have been practising steadily and will be in top form for the series. They will be at full strength and should put up a struggle in their bid for the Maritime title.

Members of the Candians team are asked to meet at the Fire Station tonight at seven o'clock. They are asked to make it a point to attend as several important matters relative to the series will be discussed.

Ice Racing

Following are the results of ice races held on Cardigan River Saturday, March 25th.

Class A Trot & Pace

Abbe Guy (F. McIntyre)	1	1	1
Dion Dillon (E. Sharkey)	3	2	2
Bessie Kalmuck (C. Birt)	2	3	3

Winner owned by Francis McIntyre, Lorne Valley.

Class B Trot & Pace

Foxy Peter (J. Steel)	1	1	1
Darkey (J. Lowery)	2	3	2
Jack Kalmuck (M. McLeod)	3	2	2

Winner owned by Boo O'Brien, Cardigan.

Judges: Geo. MacEachern, Geo. Gallant, John Plyer.
Starter, Frank Fogarty.

Great credit is due the starter Frank Fogarty on the fine manner he got his horses away with least possible delay which was appreciated by the large crowd present.

HORSE RACES

The day was grand so a large crowd gathered on New Glasgow River on Saturday afternoon to see the last race of the season.

One class was run off which was fast and very close, the honors being taken by Peter McKinley, owned by Robert Stevenson, Wheatly River.

SUMMARY

Peter McKinley (Stevenson)	1 1dr.
Peggy Witt (Bernard)	2 2 2
Nancy Sue (Carew)	3 3 1

Time—35, 35, 34.
Officers—Judges, James Andrews, Pete Gallant, Warfield Orr and Blair Andrews.
Timer—Cleve Robertson.

Cornwallis Wins Exhibition Game

SAINT JOHN, N.B., March 27—(CP)—The H.M.C.S. Cornwallis team of Deep Brook, N.S., Maritime senior hockey champions, proved more than a match for a squad of Saint John All-Stars tonight in the first contest of a homeand-home exhibition series. The Tars won 8-4. Most of the All-Stars were from the Saint John Beavers and garrison teams.

Quebec Aces In Halifax For Series

HALIFAX, March 27 — (CP) — Confident of taking Truro Bearcats in their eastern Allan Cup semi-final, Quebec Aces arrived here tonight for the best in five series that opens tomorrow night.

Halifax's well known housing shortage greeted the visiting puckchasers on their arrival as they were told their home for the duration of their stay here would be a pullman car. Hotel room is at a premium and the move was ordered by E. L. Cousins, wartime port administrator.

Bracken Unlimbers His Curling Arm

HALIFAX, March 27 — (CP) — John Bracken unlimbered his curling arm today and pitched several matches in a friendly bonspiel at Halifax's Mayflower Club.

The National Progressive Conservative leader skipped a rink into the finals of the 'spiel but was put out there later. Later, he put up a cup to be played for among the Mayflower Club and clubs in nearby Dartmouth.

Mr. Bracken arrived here last night for a three day stay. Tomorrow night, he will address a public meeting.

Hawks Hope To Clip Wings Again Tonight

CHICAGO, March 27 (AP) — Chicago Black Hawks hope to drive home a decisive blow tomorrow night against Detroit Red Wings in the fourth game of the Stanley Cup hockey play-offs.

Six times the Hawks have played Detroit on the Chicago stadium ice this season, winning all six including last night's 2-0 shutout which gave the Chicagoans a 2-1 lead over the defending cup champions in the best-of-seven game series.

Another crowd of 18,000 or more spectators is expected to pack the stadium. The Hawks expect to encounter the Red Wings in their most determined 60 minutes of the season.

Leading scorers of the Hawks and Detroit have found the going rough in the play-offs. Doug Bentley, top Chicago scorer, has been held to one goal and no assists, while Carl Liscombe, leading Detroit point man, has been blanked.

Starters — Henry Gallant and Henry Houston
Announcer—Geo. E. Smith.

THE 1944 MODEL

Irvin And Day Expect Tough Game

TORONTO, March 27—(CP)—Coach Dick Irvin of Montreal Canadiens and Coach Clarence (Hap) Day of Toronto Maple Leafs are unanimous on one thing about tomorrow night's fourth game of the Stanley Cup semi-final playoff between the two teams—it's going to be a tough game.

Day, whose Leafs are trailing 2-1 in the best-of-seven series, had an added note of optimism to offer today in "I think we're going to win it."

Irvin, somewhat more cautious, didn't venture anything beyond "it's going to be a tough game and the breaks will decide it."

Both coaches said they will rely on the same lineups as they used Saturday night when Canadiens edged out Leafs 2-1. The teams split the first two games of the series played in Montreal, Leafs winning the first 2-1 and Canadiens the second 5-1.

Irvin said he expected that Emil Bouchard, rugged defenceman and Ray Getliffe, veteran forward who scored the winning goal Saturday night, would be in again tomorrow night. Bouchard sufferer a charley horse in the Saturday game and Getliffe an ankle injury but they were skating well in a light workout the Montreal team held today. They received treatment from Rube Bannister, Toronto muscles expert, during the week-end.

Army Papers Admit Failure At Cassino

NAPLES, March 27—(AP)—The Allied attempt to wrest Cassino from its stubborn German defenders appeared tonight to have been suspended for the time being after the failure of an 11-day assault—a failure conceded by newspapers of both United States and Canadian soldiers.

The Maple Leaf, the Canadian soldiers' publication, said: "The allied attack combination of bombs from the air, shells from artillery and punch from the infantry has failed.

"The Allies have been beaten at Cassino, but there is no reason to believe that theirs is a final failure.

"The formula is learned the hard way.

"The next time the forces who know they are fighting for freedom in Cassino, it will stay hit."

"The Germans still stand straddling the central road to Rome," said Stars and Stripes, the paper of American servicemen. "But they live on borrowed time. The Allies have learned many lessons in the battle for Cassino, lessons which will count wherever Germans are fought. The British and Americans who invade Europe from the West will profit by those who have gone before them in the shattered town in the mountains of Italy. When Allied soldiers start again on the road to Rome their way will have been made easier by the hard learned knowledge gained in the fighting at Cassino."

Western Coal Mine Operators To Get Subsidy

OTTAWA March 27 — (CP) — Munitions Minister Howe announced in the Commons today that subsidies ranging from 15 to 65 cents a ton will be paid beginning April 1 to western coal mine operators who have been operating at a loss.

Mr. Howe said domestic coal now was in surplus supply but the government had to consider a more equitable method of assisting mines that might collapse if government assistance was withdrawn. Effective April 1 coal mine operators who have been operating at a loss will be paid maximum subsidies ranging from 65 cents a ton for mines in the Edmonton area to 15 cents a ton on shaft mines operating in the Saskatchewan field. The subsidies represented the average increased cost incurred by operators in the various fields due to wage increases and the cost of living bonus.

Where the operator has been able to absorb part of the increase in cost an alternative subsidy of a flat rate per ton equivalent to average subsidy approved during October, November, and December, plus cost of living bonus, will be paid.

Hon. R B. Hanson (P.C.-Sunbury) said the changed subsidy policy should apply also to Maritime coal fields, including that at Minto, N.B. The present policy put "a premium on inefficiency and a penalty on the efficient operation of another mining area."

Mr. Howe said he expected to be able to announce a policy for eastern Canada within a few days.

Remember When

Georges Vezina, the "Chicoutimi Cucumber" and one of the great goaltenders of hockey history, died from tuberculosis 18 years ago today. The superman of the nets played his first professional game with Montreal Canadiens Dec. 31, 1910 and his last game with the same team Nov. 28, 1925, despite a temperature of 102—first serious symptom of his fatal malady.

Soccer Results

LONDON, March 26—(CP Cable)—The greatest crowds of the English soccer season thrilled to some of the best play seen in wartime as eight teams emerged Saturday as quarter-finalists for the League North Cup and the League South decided Cup semi-finalists.

The North League's quarter-final draw after today's second round matches pitted Aston Villa against Bath, Manchester City against Birmingham, Blackpool against Braeford and Sheffield United against Newcastle.

Chelsea will meet Reading and Tottenham will clash with Charlton in the South's sudden-death semi-finals next Saturday.

The day's biggest gathering, 41,498 persons, jammed into the stadium at Liverpool to witness a damatic finish. Twenty-eight minutes of overtime were played before Manchester scored the goal that won the game 3-2 and the round 4-3.

The biggest surprise was Rochdale's 2-1 victory over Blackpool but its latter advanced by virtue of its 8-0 victory of last week for a round-triumph of 9-2.

Nazi Bombers Raid England

LONDON, March 28— (Tuesday) —(CP)—Strong forces of German bombers struck England and Wales during the night. London itself escaped attack, although one section of the capital had a brief alert.

West England bore the brunt of the assault. There was considerable activity also over south and southwest England and South Wales.

The Nazi bombers' targets were not immediately announced.

Mitchell Describes Orderly Layoff

OTTAWA, March 27—(CP)—Labor Minister Mitchell, answering Rodney Adamson (PC-York West) in the Commons today, gave a picture of how the labor department's "orderly layoff" plan works.

He had been asked about the layoff of approximately 500 men from the Clark-Ruse Aircraft Limited plant at Dartmouth, N. S., beginning March 20.

Munitions Minister Howe had previously told the House that curtailment in the aircraft production program resulted in the layoffs.

Mr. Mitchell said the manager of the Halifax National Selective Service office and 15 of his staff moved to Dartmouth, took over the plant lunch room, conducted an employee survey, interviewed the workers and inaugurated a placement program.

Up to March 25, 376 workers had been laid off, 174 were placed in new jobs, six went back to their farms, 10 married women returned to their homes, 111 men on military deferment and without special skill were drafted to the army and the remaining 75 are in the process of being placed. He added that the placement work had the full cooperation of the Union involved.

Scientist Gets New Housekeeping Slant

LONDON, March 27 — (CP) — Presumably going on with his already fulsome life surrounded by a fair share of dust one of Britain's famed physiologists has discovered, at the age of 77, that house-wives have a place high among the artisans of this world, that their work is not just drudgery but a thing of skill.

The famed physiologist is Sir Leonard Hill. With his wife he lives in suburban London and now has reached the conclusion that scientists are deplorably ignorant about housekeeping.

It happened this way: He and his wife lost their gardener and maids and fended for themselves in their nine-roomed house. Sir Leonard worked out a closely timed schedule of duty and rest for his day, lasting from 6.30 a.m. to 12.30 a.m.

His conclusion at the end of six weeks' effort: "I have spent my whole life doing skilled acts. Only now have I discovered that housekeeping and housework consist of doing one skilled act after the other all day- -and sometimes all evening as well."

About dust Sir Leonard's schedule did not include any dusting. "Dusting only stirs up germs," he said.

Yanks Start Child On Musical Career

PLYMOUTH, March 27 —(CP)— A story as romantic as a Hollywood movie may be happening to 13-year old Pat Thomas. On the prompting of her 16-year old brother, American soldiers invited the girl to a party. She was sittin' shyly in a corner when an American padre asked if she danced.

Pat said, "no", "but I sing." So the padre coaxed her to sing and the soldiers were so impressed that they took up a collection amounting to more than $125 to start her musical education. She has now started to study under a well-known teacher and has sung in public.

Brickbat Bouquets For Flower Women

CHARLESTOWN, March 27 —(CP)— This city's gaily garbed negro flower women, who for generations have sold cut flowers to tourists at the post office, have been given two months by the licensing bureau to clean up the area or get out.

The 60 women vendors, all related to each other, live in two island communities. They were about to be ruled off the streets near the post office as nuisances until swanky Charlestown garden clubs come to their support. The city finally consented to a two-month test in which each vendor agreed to purchase a $3 license, keep the area clean, stay within bounds and limit vendors actually selling to 20 at a time.

Scientists have proved that drinking warm milk induces sleep.

Tar Journalists Edit Good Weekly

TORONTO, March 27 —(CP)— Members of the Canadian Navy at H.M.C.S. York, Toronto, are putting out a crackerjack weekly publication with news and views of tars and Wrens, assembled and edited by a staff of 14, including seven newspapermen now in the service.

Mimeographed on blue paper, the 11 pages of "The Yorker" are illustrated with sketches and cartoons by Steve Finnie, former Toronto department store artist.

The editor is Sub-Lieut. "Pep" Pepper and other Toronto newspapermen on the staff are the Walker brothers, Hal and Gordon, Ed Fitkin, Annie Stukus, Ed Chantler and Jack Mosher. Stukus is the "Big Stuke" of the famous Toronto football family.

An associate editor is Doug Grant, former national badminton champion and editor of the sports magizine, Canadian Lawn Tennis and Badminton.

Record Twin Births Three Times In Row

SWIFT CURRENT, Sask. March 27 —(CP)— Doctors are interested in the birth of three sets of twins in three years and five months to Mr and Mrs. Shiek of this city. The births were successive.

Mr. and Mrs. Shiek have been married seven years and now have eight children. The first two children were born singly.

Dr. J.C. Burroughs, who attended Mrs. Shiek in all her confinements, said he had neither read nor heard of three sets of twins in succession.

Third Lancaster In Trans-Atlantic Service

OTTAWA, March 27 — (CP) — Trans-Canada air lines put its third Lancaster into trans-Atlantic service yesterday, H. J. Symington, T.C.A. president, announced today at a meeting of the commons railway committee.

"Our third ship left last night and arrived in England in 12 hours," said Mr. Symington.

COMMON LANGUAGE

The Mohammedan people of India, about 70,000,000, generally speak one language-Hindustani.

STRAWBERRY GUAVA
Delicious, Sweet and Spicy

This is a luscious tropical fruit which makes a useful as well as a charming and beautiful house plant. It bears both flowers and fruit at the same time. The flowers are pure white and delightfully fragrant. The fruit is about the size of a walnut, of a beautiful reddish color, and of delicious, sweet and spicy flavor. Fine for eating out of hand, and unsurpassed for making jelly. These plants are usually grown from seed and begin to bloom and bear fruit while quite small.

"HARD WAY", STORY OF SISTER LOVE

This is the story of a deeply ambitious and luxury-loving woman whose fanatical love for her only sister leads her to such lengths that she ruthlessly exploits all those who stand in her way.

Ida Lupino portrays the role of Helen Chernen, with Joan Leslie playing the innocent and talented young sister Katherine.

Pitted against them are Dennis Morgan and Jack Carson, cast as the vaudeville team of Runkel and Collins, whose lives are intimately linked with those of the sisters.

The dull and sordid mining town of Greenhill, Pa., has left its mark on Helen Chernen, and she is determined that her young sister shall not suffer the same fate.

Plan Export Of Three Million Pounds Poultry

OTTAWA, March 27—(CP)—Agriculture department officials said today the Canadian poultry industry has been "heartened" by confirmed agreements which will result in the shipment of 3,000,000 pounds of poultry valued at $1,250,000 to the United Kingdom and the United States.

Although Puppy's expression suggests she thinks "it shouldn't happen to a dog," she appears quite chic in the new Easter bonnet whipped up by her mistress, noted hat designer Joe de Salle of New York.

NAVY OFFICER MAKES INVASION LOOK EASY

SYRACUSE, Sicily, March 27 —(CP)— They tell a story now about a naval officer who landed with invasion troops at Licata on the southern coast of Sicily and had to go to Syracuse 200 miles away. All railway trafic had stopped because the line ran too close to the fighting front. So the officer borrowed a train from the local stationmaster and ran his own 'special.'

The officer was Lieut. G.S. Ritchie, D.S.O. Royal Navy, of Aberdeen. He had several ratings with him and some gear so, he said, "to go by train was the simplest way."
