

Keep your silken garments colourful and lovely this way

Dainty garments cannot stand the wear and tear of ordinary washing.

For such delicate fabrics as silk, crepe, georgette and lace, Lux is ideal.

The thin, satin-like Lux flakes, made by our own exclusive process, dissolve instantly in hot water, leaving no particle of solid soap to stick to the delicate fibres.

Washed in the gentle Lux suds, your daintiest garments will remain as soft and lustrous as when new.

Every woman was meant to be healthy, happy, and fill her sphere in life to the best of her ability; but, alas, how few have the health or physical endurance to live up to their ideals! Over-ambitious, many of them develop nervousness, irritability, headaches, backaches, irregularities and often more serious ailments which retard their progress in life. Women in this condition should turn to Lydia E. Pinkham's Vegetable Compound, a real and herb medicine which has been proved to benefit 98 out of every 100 women who try it. Let Lydia E. Pinkham's Vegetable Compound make you well and strong and the woman you were meant to be.
