THE PRESIDENT'S CHRISTMAS MESSAGE

Every Christmas is but another rainbow flashing the promise "God with us" to the world.

What are we willing to give to Him at this Christmas season? Are we willing to dedicate our bodies as living sacrifice, consecrated and acceptable to God?

I will live for those who love me. For those who know me true, For the Heaven that smiles above and waits my coming too.

BIBLE LESSON

Mat. 2:7-13

As recorded in the story of the nativity, Herod little dreamed that he uttered the keynote for the upbuilding of Christianity when he said, "When ye have found Him bring me word that I may go to worship Him."

This request brings to us our personal duty towards Christ, to His church and to our temperance work.

The quest of the wise men finds an echo in the heart of every true believer. From the earliest history of the church we find this search for the Christ John 1:29 tells of two evidently John and Andrew, to whom Jesus said, "Come and see."

In the upbuilding of the Kingdom the emphasis is not placed on great effort but on the history of those who simply helped others to seek and find the Lord.

This emphasis proves the need for individual effort. In our special task we have sought for those who should know more fully what we have seen, or pointed out the stones of stumbling that keep others from coming to our aid.

House Wives "PLEASE NOTICE"

Here is some news, I think you will agree with me, that will gladden your heart.

I have opened an addition to my Mechanical and Electrical Shop what is called a "Fix It Shop"; they have been run for years in the States and also in the larger cities of Canada, but never before here in Charlottetown.

To explain briefly, this is what it means: -Supposing you have a leaky tap, you call us and first thing it is fixed. Maybe the cord on the iron needs attention, same thing with the phone. The Furnace door maybe not shutting just right, again just a call makes it right. Perhaps the Mop is forever falling off the handle, just phone. You have a door that sticks? Just phone.

Now when you ask your husband to fix one of those little things around the house, here is what usually happens. Hubby comes home, has a nice supper, settles down with the paper, and you ask him about that leaky tap or faulty switch, well what does he say? I will do that tomorrow night, honey. Only trouble with that, tomorrow never comes; now believe me it is far easier to get 50 cents from him to have the job done.

Besides that we have all the equipment necessary, which in many cases he lacks. Tools of all kinds along with lathe, welding, soldering, spray painting, knife sharpening machines, skate sharpener, your sidewalk cleared of ice and snow, etc.

So the next time one of those little jobs turn up, remember us and see for yourself how quickly and cheaply it can be done. We repair and rewind Iron Toasters, Vacuum Cleaners, Mix Masters, Washing Machines, etc., etc. Remember our motto: "Satisfaction or no charge." Peterson pleases people. We are open evenings.

Brunswick, gave a very interesting account of the conference at Asbury Park, New Jersey. This was the World's Christian Temperance Union Convention which met on June 5-11 and at which twenty-six nations were represented. She stated that during the six-day meeting the dominant spirit of Christian co-operation was noticeable.

able. Mrs. Smith was the official delegate from the province. Beside the delegates from Canada and the United States, delegates were registered from Australia, Bermuda, Brazil, China, Egypt, England, Finland, Germany, India, Japan, Palestine, Scotland, Sweden and South America, and elsewhere. Mrs. Ella Boole of Brooklyn, New York, President of the World's W. C. T. U., presided at the Convention; and the delegates were officially welcomed by Mrs. D. Leigh Colvin, the president of the United States National W. C. T. U., and Hon. Joseph Bryson and the mayor of Asbury Park. Several noted speakers were heard.

REPORTS The Recording Secretary, Mrs. A. T. Fleming, Trenton, reported:
