Choice Tomatoes

Do you mean those "Choice Tomatoes" which turned out to be something altogether foreign to tomatoes. Political tomatoes I believe they called them. No! [illegible]!

I refer to those tomatoes that J. J. Gay & Son packed themselves. They had a wonderful crop of ripe ones this fall and they secured an expert to supervise the canning and the result is they have about 200 cases of clean pure stock not a a speck of coloring or sugar used, absolutely pure tomatoes and nothing else.

Are they selling well? Yes the people appreciate pure goods and orders are coming in from every point. Well it is a good thing to patronize home products that's so. I will go over to Gay's Market and order some of their tomatoes now. — J. J. Gay & Son.
