METHODIST SERVICES.—In the First Methodist Church tomorrow Rev. G. C. Taylor will preach in the morning and Rev. E. Bell at night. Rev. Mr. Marshall will preach in Grace Church at both 11 and 7.

THE NORTHUMBERLAND.—The S. S. Northumberland arrived in Charlottetown at 7.40 o'clock last evening. Mr. and Miss Hoffman and Mr. and Mrs. Arnold Rattenbury were passengers by her.

REPAINTED.—The Revere Hotel now presents a brave show. It has been repainted, white and two shades of green being most artistically blended. The result is very effective. The work has been very thoroughly done.

TODAY'S SHOOT.—The local teams that are entered in the Dominion League of rifle matches will shoot in the first match this afternoon at Kensington range, commencing at two o'clock. The Civilian Rifle Club, of the City, has entered two teams and the Fourth Regiment one team.

KINGSTON CIRCUIT.—At Kingston on Sunday afternoon, May 31st, Mr. Walter Palmer, of Mount Allison University, will preach. At Cornwall on Sunday evening, Mr. Walter Palmer will preach, and at North Wiltshire Sunday evening, Rev. George Orman will preach.

FOR THE GENL. ASSEMBLY.—P. E. Island's representatives at the General Assembly of the Presbyterian Church, which meets at Woodstock, Ont., next week will be leaving the Island on Monday next. They comprise the Rev. Dr. Fullerton, Revs. W. H. Spencer, A. J. McNeill and D. Wright, and Mr. T. C. James.

A FORTUNE ON SHOW.—For half an hour this evening there will be on exhibit in the large show window of the McKinnon Drug Company what represents a small fortune: a pair of choice silver black fox pups. They are owned by the Canada Fox Exchange and are worth to their owners today in solid cash the round sum of \$12,000. The pups will be shown between 8.30 and 9 o'clock, and in view of the novelty of such a "window dressing" there will no doubt be large crowds attracted to the McKinnon Drug Company this evening. 269

THE PEOPLE'S.—A masterpiece of the moving picture art is the four-reel production of "Judith of Bethulia," an absorbing story of the Assyrian conquest of Judea, which was shown at the People's Theatre and thoroughly enjoyed by large houses last night. It is said that the production of this film cost the small fortune of \$40,000, and certainly anyone who sees the film reproduced on the canvas will appreciate the stupendous labor, astonishing ingenuity and clever histrionic ability that must have been necessary to obtain such a result; and will not wonder at the figure of the cost. "Judith of Bethulia" will be included in tonight's program.

THE PRINCE EDWARD.—The large houses at the Prince Edward last night were justly merited by the exceptionally good program that was presented. The feature photo-play was one well worthy of being so described. It was a three part drama, of Ancient Rome entitled "A daughter of the Hills." Superbly acted and produced with excellent stage settings, the splendid story was portrayed in a unique manner. The play was replete with beautiful scenery and magnificent photography. It can indeed be safely voted one of the best photo-plays ever projected at the Prince Edward Theatre. Two other good pictures with the vocal selection by Mr. Cairns were greatly applauded. Such a program deserves bumper houses tonight.

REV. J. HEANEY.—The many friends of Rev. J. Heaney, B. A., pastor of First Methodist Church, who was obliged on account of poor health to give up his work a few weeks ago, and who was given leave of absence until Conference which meets in June, will be pleased to learn that he is improving. It is hoped that he will be able to enter upon his work again after Conference and finish the fourth year of the pastoral term for which he received a very cordial invitation at the March meeting of the Official Board. 1

SPRING SICKNESS COMES TO EVERYONE

Spring sickness comes in some degree to every man, woman and child in our climate. It is that run-down condition of the system that results from impure, impoverished, devitalized blood. It is marked by loss of appetite and that tired feeling, and in many cases by some form of eruption. The best way to treat spring sickness is to take Hood's Sarsaparilla. Ask your druggist for this all-the-year-round medicine. It purifies, enriches and revitalizes the blood.
