All soreness, pain, congestion and inflammation are at once dispelled, and by means of the healing powers of Catarrhazone the vitiated tissues are quickly restored. Where Catarrhazone is used colds last only ten minutes, coughs half an hour, and Catarrh, Consumption, Asthma and Bronchitis flee as from fire. A trial will convince anyone of the startling merit of Catarrhazone. Costs \$1.00, small size 50c. At Druggists, or Poison & Co., Kingston, Ont.

A NUMBER of toughs of Charlottetown went out to Fort Augustus on Monday to attend the tea. As the day was well advanced it became evident that with them came a quantity of the ardent. Shortly after the sale of cakes commenced one of the number interrupted the auctioneer by indulging in indecent language. Father Allen remonstrated with the lad and when he continued insisted that he should leave the grounds. At that moment a chum came along and dealt the Reverend gentleman a severe blow in the cheek which, needless to say, was a surprise to Father Allen. The parishioners resented and drove the roughs from the grounds and those who witnessed the banishment were gratified with the treatment given. During the remainder of the day the miscreants broke down fences, tore up bridges and destroyed milk cans. The authorities are taking action and the law will deal with these individuals in a way which they deserve.

W. MORAN'S,

Let Us Help You To Keep Cool.

That is our most attractive business proposition these days. We are very satisfactorily ready to help men enjoy the summer. There's no sort of reason why a little matter of six or eight or ten degrees of heat should "put you out of business." Summer comfort is only a matter of correct dress. And that is where we come in, in fine shape.

Comfort-making Underwear.

Is here in every quality. We have underwear at 20c, 22c, 25c and 32c per garment. We've better underwear in fine light balbriggan at a dollar per suit—and from that we go right up through a dozen grades to genuine Linen Mesh, the finest Summer Underwear in the world \$4.75 a suit.

Why Don't You Wear a Colored Shirt?

These days when the heat coaxes you to see how many garments you can do without—the best goes first. If you've a neat colored shirt and a belt, you don't want a vest until September.

Colored Shirts 80c, 1.15, 1.25 and up.

We have soft and stiff fronts—in popular patterns and we're expecting a new lot this week.

Buy a Belt and dispense with your vest. We've newest belts in greys and tans from 28c, 38c, 55c and 80c.

Going for a Swim? You'll want a bathing suit of some sort. Men's Tights. Men's one piece suits 58c 1.10. Men's 2 piece Suits, 1.15. Boys' Tights 10, 12, 14c.

Cool Cotton Hose.

MEN'S HOSIERY

10c, 12c, 15c, 20c pair, "Nuff sed."
