

**Today's Probabilities.**

Moderate south westerly winds, fair and a little cooler.

**NEWS TOO GOOD TO KEEP**

Persons who have used Dr. Chase's Kidney-Liver Pills are usually so well pleased with the benefits derived that they tell the good news to their neighbors. There is no medicine which so promptly awakens the action of the liver, invigorates the bowels as Dr. Chase's Kidney-Liver Pills, and for this reason they are unapproached as a family medicine. One pill a dose, 25 cents a box, at all dealers.

**A Cold Proposition**

Unless stopped at once colds run a definite course and while they run mean discomfort and danger. In the start you can stop a cold and keep it stopped with Jamieson's Cold Tablets. My proposition is that if it fails after having a fair trial I will return your money. However it will not fail and even after the cold has been running some time will relieve the discomfort and shorten the period of attack. Have a box on hand for when it starts and you won't have colds.

Price 25c. a box.

(Continued on Page 3.)

**THE BUGLER'S CHEST**

Is well expanded. He uses his lungs to their fullest capacity. People in ordinary do not use much over half their lung power. The unused lung surface becomes inert, and offers a prepared ground for the attack of the germs of consumption. There is no need to warn people of the danger of consumption, but warning is constantly needed not to neglect the first symptoms of diseased lungs.

Dr. Pierce's Golden Medical Discovery cures obstinate coughs, bronchitis, bleeding lungs, and other conditions which, if neglected or unskillfully treated, find a fatal termination in consumption. It is entirely free from opiates and narcotics.  
"About three years ago I was taken with a bad cough, vomiting and spitting blood," writes Mr. B. J. Robinson, of Spring Garden, W. Va. "I tried many remedies; nothing seemed to help me until I commenced using Dr. Pierce's Golden Medical Discovery. After using ten bottles and four vials of his 'Pleasant Pellets,' I commenced to improve. My case seemed to be almost a hopeless one. Doctors pronounced it ulcer of the lungs. I was sick nearly two years—part of the time bedfast. Was given up to die by all. I thought it would be impossible for me to live over night at one time. I haven't spit any blood now for more than twelve months and worked on the farm all last summer. It was Dr. Pierce's medicines that cured me."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach.  
The "Medical Adviser," in paper covers, is sent free on receipt of 31 one-cent stamps to pay customs and mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.
