

FIBROID TUMORS CURED.

Mrs. Hayes' First Letter Appealing to Mrs. Pinkham for Help: "DEAR MRS. PINKHAM:—I have been under Boston doctors' treatment for a long time without any relief. They tell me I have a fibroid tumor. I cannot sit down without great pain, and the soreness extends up my spine. I have bearing-down pains both back and front. My abdomen is swollen, and I have had flowing spells for three years. My appetite is not good. I cannot walk or be on my feet for any length of time.

"The symptoms of Fibroid Tumor given in your little book accurately describe my case, so I write to you for advice."—(Signed) Mrs. E. F. HAYES, 252 Dudley St. (Roxbury), Boston, Mass.

Mrs. Hayes' Second Letter: "DEAR MRS. PINKHAM:—Sometime ago I wrote to you describing my symptoms and asked your advice. You replied, and I followed all your directions carefully, and to-day I am a well woman.

"The use of Lydia E. Pinkham's Vegetable Compound entirely expelled the tumor and strengthened my whole system. I can walk miles now. "Lydia E. Pinkham's Vegetable Compound is worth five dollars a drop. I advise all women who are afflicted with tumors or female trouble of any kind to give it a faithful trial."—(Signed) Mrs. E. F. HAYES, 252 Dudley St. (Roxbury), Boston, Mass. —\$5000 forfeit if original of above letters proving genuineness cannot be produced.

CARD

At the solicitation of a large number of Electors of Ward Four I have consented to contest the ward at the forth coming election Upon the important question, (Electric lighting) which engages the attention of a large portion of the citizens, I deem it necessary to state my views. I am in favor of City Ownership and supplying light at cost, as it is with the sewerage and water at present.

I elected I will always use my influence toward the improvement of the City and the condition of the citizens generally and especially those of Ward Four. As my time is limited and I may not be able to make a personal canvass, I take this means of stating my views and asking your support. I am always as I will be if elected your humble servant.

TENDENCY OF THE TIMES.

The tendency of medical science is toward preventive measures. The best thought of the world is being given to the subject. It is easier and better to prevent than to cure. It has been fully demonstrated that pneumonia, one of the most dangerous diseases that medical men have to contend with, can be prevented by the use of Chamberlain's Cough Remedy. Pneumonia always results from a cold or from an attack of influenza (grip), and it has been observed that this remedy counteracts any tendency of these diseases toward pneumonia. This has been fully proven in many thousands of cases in which this remedy has been used during the great prevalence of colds and grip in recent years, and can be relied upon with implicit confidence. Pneumonia often results from a slight cold when no danger is apprehended until it is suddenly discovered that there is fever and difficulty in breathing and pain in the chest, then it is announced that the patient has pneumonia. Be on the safe side and take Chamberlain's Cough Remedy as soon as the cold is contracted. It always cures. For sale by all druggists.
