### THE NEWEST DEPARTURE

The Guardian The First Provincial Paper to Offer it Saturday Issue By The Year.

The Saturday issue of the Morning Edition of the Charlottetown Guardian, almost invariably twelve pages or more, will be mailed to any address in Canada, the British Isles, Transvaal or the United States

FOR BUT FIFTY CENTS per year, or six months for twenty-five cents. Each issue contains a SPECIAL MAGAZINE PAGE devoted to the Literature, History, Folk Lore and Best interests of the Province of Prince Edward Island; also AN INTERESTING SHORT STORY; SERMON BY REV. WM. DOBSON; Notes on the SABBATH SCHOOL LESSON for a week hence; a COMIC PAGE, printed in colors, which will make you laugh each time you read it; besides ALL THE LATEST TELEGRAPHIC, FOREIGN AND LOCAL NEWS. The Guardian will continue to improve. It will be better in 1906 than ever before, and it has always been regarded by the general public as a thoroughly up-to-date newspaper. Special arrangements are already being made for decided improvements in all editions.

Each Saturday issue of The Guardian, if purchased for a year at the regular retail price, would cost more than double the special price now asked for it. Any persons who buy The Guardian should take advantage of this offer, as it will save them even more than the subscription price. The Saturday issue is BY FAR THE BEST besides being fifty per cent larger than any issued during the week. Just think a local paper of TWELVE PAGES with so many special and interesting features

### "IT'S ONLY A COLD, A TRIFLING COUGH"

Thousands have said this when they caught cold. Thousands have neglected to cure the cold. Thousands have filled a Consumptive's grave through neglect. Never neglect a cough or cold. It can have but one result. It leaves the throat or lungs, or both, affected.

### Dr. Wood's Norway Pine Syrup

is the medicine you need. It strikes at the very foundation of all throat or lung complaints, relieving or curing Coughs, Colds, Bronchitis, Asthma, Croup, Sore Throat, and preventing Pneumonia and Consumption. It has stood the test for many years, and is now more generally used than ever. It contains all the lung healing virtues of the pine tree combined with Wild Cherry Bark and other pectoral remedies. It stimulates the weakened bronchial organs, allays irritation and subdues inflammation, soothes and heals the irritated parts, loosens the phlegm and mucous, and aids nature to easily dislodge the morbid accumulations. Don't be humbugged into accepting an imitation of Dr. Wood's Norway Pine Syrup. It is put up in a yellow wrapper, these pine trees the trade mark, and price 25 cts. Mr. Julian J. LeBlanc, Belle Cote, N.S., writes: "I was troubled with a bad cold and severe cough, which assumed such an attitude as to keep me confined to my house. I tried several remedies advertised but they were of no avail. As a last resort I tried Dr. Wood's Norway Pine Syrup and one bottle cured me completely."
