### PECULIAR WHEEL OF FORTUNE.

Breton Peasants Ascribe Miraculous Powers to Odd Contrivance.

In the village church of Comfort (near Pont-Croix), in western Brittany, is a very good specimen of the new rare "wheel of fortune." It is made of wood, with a row of bells on its outer rim and pivoted between a couple of rough beams—altogether very primitive workmanship. By means of a cord attached to a crank the wheels can be made to revolve and set all the bells adangling. I have often heard that the peasants believe that it has miraculous powers of healing when run over the head of a sufferer who has placed a son in the box to which the rope is padlocked. I received remarkable confirmation of this belief, for while making a photograph a well-to-do sailor's wife and her husband came into the church and looked round. The woman asked me if I thought there could be any truth in this belief, as her child was very backward in learning to talk. Her nurse, who came from those parts, had advised her to bring the baby and ring the bells of Comfort over his head, when he would be sure to talk. As she was passing she had looked to see if it was worth trying!

## Constipation.

No one need expect to be healthy if the bowels are allowed to become clogged up. A free motion of the bowels daily should be the rule with everyone who aspires to perfect health.

Constiveness or constipation clogs the bowels, chokes up the natural outlet of impure matter, and retains in the system the poisonous effete waste products of nature, causing bad blood, dyspepsia, headache, biliousness, foul humors, pimples, boils, blotches, piles, etc. Burdock Blood Bitters has built up an unrivalled reputation as a cure for constipation and all the diseases which arise from it.

Mr. Burns Wood, Brock, N.S., writes: "For over two years my wife was troubled with constipation. She tried several physicians, but could get no relief, but after taking three bottles of Burdock Blood Bitters she was completely cured and is to-day in good health. My wife and I cannot speak too highly of Burdock Blood Bitters."

THE MORNING PAPER.

Some Reasons Why it Makes The Best Advertising Medium.

A woman's curiosity to know about society marriages, births, deaths, forces her to read it. The Morning Paper is before her all day long, and it is when she is doing her household duties, arranging and improving the appearance of her home, that the missing and necessary articles of furniture, rugs, carpets, curtains or other necessities, show up the plainest, and there could be no more opportune time for a dealer to tell about the new goods, the new styles and the bargains offered, for the day or week.

In a majority of homes the newspaper is practically the bulk of the reading matter, and the long, all day life from 5 a. m. to 10 p. m. of The Morning Paper gives not only the housewife but every member of the family an opportunity to read it.

The Morning paper is read at the breakfast table, again at home at ante. It is read in doctor's offices, professional offices, clubs, hotels, cafes, barber shops. It is read by daylight everywhere you go by both employer and employe.

It is a known fact that throughout the world, possibly with a half-dozen exceptions, the papers with editorial influence and national reputation are Morning Papers.

With these facts in mind, the business man who is looking after the real money-spenders of the family to interest in his goods will consult his best interests by placing his announcements where the women will read them.

### OF THE NATURE FAKER.

Remarkable Fish Was Whiffetted, According to Facetious Waiter.

Seating himself at a restaurant table a Chicago man said: "Waiter, what kind of fish have you?" "Gosh," said the waiter, "all kinds—whiffetfish, blindefish, gaylings, sea bass, weakfish, perch—"

"Show me," yawned the customer, "cut that out. I'm tired of those common fishes. Ain't you got some new kind of fish; some kind I never ate before?"

"Well," said the waiter, "the whiffetfish is very fine this morning."

"What in thunder is a whiffetfish?" "Why, don't a fish sharp like you know what a whiffetfish is? Common enough here. You see, the whiffetfish lives only in circular lakes. You go out and find a circular lake and hire a boat. Then you row out all alone to the middle of the lake, about a mile or so, and anchor. Then you take an auger and bore a hole in the water, and half it by putting a piece of cheese on the edge of the hole. The whiffetfish comes up to get the cheese, eats it and it makes him swell up so that he can't get back down the hole."

"Well," said the customer, breathless, "what then?"

"Why," replied the waiter, as he filled a glass of water, "you lean over the side of the boat and laugh the whiffetfish to death. Want a few?"—Cleveland Leader.

### Had Weak Back.

Would Often Lie in Bed for Days Scarcely Able to Turn Herself.

Weak back comes from the kidneys, and when the kidneys are out of order the whole system becomes deranged. Those who have never been troubled with kidney trouble do not know of the suffering and misery which those afflicted undergo. Doan's Kidney Pills are a specific for all kidney troubles.

They begin by helping the kidneys to flush out all the acid and poisonous impurities which have collected, thus clearing out the kidneys, bladder and all the urinary passages and carrying away the uric acid, the chief cause of rheumatism, from the blood.

Mrs. Arch. Schmale, Black Point, N. B., writes:—"For years I was troubled with weak back. Oftentimes I have lain in bed for days, being scarcely able to turn myself, and I have also been a great sufferer while trying to perform my household duties. I had doctors attending me without avail and tried liniments and plasters, but nothing seemed to do me any good. I was about to give up in despair when my husband induced me to try Doan's Kidney Pills, and after using two boxes I am now well and able to do my work. I am positive Doan's Kidney Pills are all that you claim for them, and I would advise all kidney sufferers to give them a fair trial."

Price, 50 cents per box, or 3 for \$1.25, at all dealers or The T. Milburn Co., Limited, Toronto, Ont.

If the "happy-go-lucky-slap-it-on-a-press-and-let-er-go" kind of advertising you are using is doing you some good doesn't it seem reasonable to suppose that "something different"—bright, convincing, thought-out and mailed regularly "direct" to your list will prove of much greater value?
