

Prince Edward Island
Farmer compelled to stop clearing up his farm.

There is no healthier life in the world than that of the farmer—yet as a rule farmers work too hard. They toil early and late, through the broiling sun in the summer and the blizzard blasts of the winter, and they have to suffer for it because the kidneys cannot stand the strain put on them and backache often follows. Here is what Mr. Job Costain of Minnegash, P.E.I., has to say about what Doan's Pills have done for him:

"In the Spring of 1900 I started to clear up a piece of land, but had not worked many days before I was taken with a very lame back, and of course was compelled to stop work. The trouble seemed to be down in the centre of my back and my right side and I could not stoop over. I got a box of Doan's Pills and before I had taken the whole box I was completely cured and was able to proceed with my work, and I take great pleasure in recommending them to all farmers who are troubled as I was."

After one of the longest snow fights in the history of the Prince Edward Island Railway the train in charge of Conductor Tanton reached Cape Traverse yesterday afternoon at 2.15.

The heavy rain of Thursday night depleted the roads and caused yesterday's market to receive a small attendance. Prices remained the same as last quoted with limited stocks.

THERE are a number of vacancies in the ranks of the Royal Canadian Regiment at Halifax. Young men wishing to enlist should apply to Lieut.-Col. Moore, District Officer Commanding, Charlottetown.

COMPLAINT was made yesterday by citizens who were compelled to leave the sidewalk at Hughes' corner and walk through water and slush to rejoin the walk on Queen Street. The City Surveyor's attention is directed to the matter.

SPRING travel to the United States by the Plant Line has commenced. The well-known steamer Halifax on her last trip having over one hundred passengers. The steamer Halifax still maintains her popularity with the travelling public.—Halifax Chronicle.

A MEETING of the Council of the Board of Trade will be held in the Board of Trade Rooms this morning at 11 o'clock. The immediate bringing of the winter steamers to this port will be considered. The storing of oil in the city will also be brought before the meeting.

TO-DAY the Hillsboro Rink will be closed for the season. It is pleasing to note that largely through the popularity of the Managers the interest in all the events has increased. In the management of such an institution it is necessary to possess a special tact and during the season of 1900-1901 Messrs. Prowse and McMillan have certainly demonstrated their ability to please all.

THE remains of Master Harry Smith, son of James Smith, who died on Wednesday night were interred in the R. C. cemetery yesterday afternoon. The services were conducted at the Cathedral and grave by Rev. Father Johnson. The pallbearers were: Joseph Towan, Arthur Campbell, Felix McSwain, William Edmunds, Harry Bagnall, Walter Towan.

In conversation with Mr. J. J. Davies, the popular proprietor of the Cliff, THE GUARDIAN learns that all indications point toward a large tourist traffic during the coming summer. At the present time lumber is being placed and the erection of the new addition will be commenced by Messrs. Lowe Bros. in a few weeks. When completed the new dining room will be 60 feet long by 27 feet wide. The addition will also contain 20 new bedrooms. Yesterday Mr. Davies received a letter from parties in New York reserving rooms and already the Cliff is assured of the largest trade in its history. The house will be opened on June 15th.

CORN NEED

At the police court yesterday morning Martin Power charged with assaulting Bernard Fitzpatrick was given two months in jail without the option of a fine.

The marriage of Mr. Roderick McRae of Canoe Cove and Flora A. Campbell daughter of Neil Campbell, Esq. of the same place occurred on Thursday afternoon at the residence of Rev. John Goodwill, Brighton, who performed the ceremony. The bridesmaid was Miss Lizzie McRae of Bonshaw while Mr. Geo. Campbell supported the groom. The ceremony ended the happy couple drove to their future home in Canoe Cove where a reception was held and a sumptuous supper served. The presents which were numerous and costly testified to the esteem in which the bride was held. The GUARDIAN joins with the many friends in wishing Mr. and Mrs. Roderick McRae all the happiness possible.

CANOE COVE.—The Lobsters Packers of this section are busy preparing for their summer's work. The Portland Packing Company's factory at this place is likely to handle the greatest bulk of the coming season's catch. This factory, though at one time on the eve of discontinuing business has now under the shrewd management of D. D. McKinnon become one of the leading factories in this Province.—There has been a great deal of sickness during the winter. Mrs. D. McDougall and Miss Flora McKinnon are still very poorly.—The matrimonial fever has also been raging in this vicinity.—The people here are now beginning to realize the necessity of keeping good stock. George W. McPhee has bought the well known breeding mare Jenny, from Mr. McLean. This mare has been noted for her good stock. One of them now a beautiful bay by Old Pilate, is under the skilful training of Art. Rogerson and is destined to grace the streets of some city at a future time. Mr. Rogerson is an expert horse back rider and if given an opportunity would no doubt make his mark among Baden Powell's Constabulary.—Our new postmaster is giving general satisfaction.—The horse reported stolen from Donald McDougall some time ago was returned safely and it is now thought that he was not taken with any criminal motive.

OBITUARY.—The angel of death has again visited Pleasant Valley, Lot 21, and removed one of our oldest landmarks, Mr. Neil Matheson was in the best of health a week previous to his death but being seized with a severe attack of la grippe he quietly passed away at the home of his daughter, Mrs. William Gass, on March 11th, 1901. He was born in the Highlands of Scotland in 1818 and emigrated to this Island with his family in 1859. Having settled on the Junction Road, Lot 67, he followed the occupation of farming for some years, but giving that up he devoted his time exclusively to his trade of tailoring. He was converted in Scotland and when he came hither he joined the Presbyterian Church at Hartsville where he was for many years a constant and faithful worker in his Master's cause. His friends and relatives will miss him in their midst as he was a respected citizen and a kind neighbor. Two sons and four daughters survive him, three of whom are living on the island. The funeral which was largely attended took place on the 13th inst. at 2 o'clock. The services being conducted by the Rev. M. Campbell, of Strathalbyn, assisted by the Rev. J. Dystant of Pleasant Valley. The pallbearers were: Messrs. D. B. McLeod, J. R. Elliott, D. Buchanan, Hannibal Murray, Thomas Bertram and J. R. Corbett. The remains were conveyed to their last resting place in Hartsville cemetery and buried beside those of his wife who has gone on before, there to await the resurrection morn.

Blessed are the pure in heart,
Blessed evermore
They shall meet and never part
On the Golden Shore,
Thorny paths their feet have trod,
But their rest is sure with God.

FOR some weeks past Mr. Geo. E. Hughes has been engaged in moving his stock of drugs to his new store in the Prowse building. Yesterday evening a GUARDIAN representative was shown through the store and found everything delightfully arranged with a view to convenience. The store is 90 feet long and is fitted with everything of the most modern nature finished in the natural wood. In remodeling the store the dispensing department has been centrally situated, while on the west side is the office, both divided from the main store by an artistic colored glass partition. With the increased space and the modern outfit the patrons of the Apothecaries Hall will find everything of the best, specially selected. Mr. Hughes believes in being on the Sunny-side and will be pleased to meet all at the new store, Prowse Building.

Cures Made Everywhere.

Every Form of Piles Yield to It.

In spite of the fact that the Pyramid Pile Cure is so well known as a certain cure for every form of piles, there are still many people who think a surgical operation the only sure cure.

Hundreds of thorough trials in the hands of physicians and patients have proven beyond a doubt, however, that surgical operation for piles are unnecessary, painful, many times dangerous to life, and a relic of barbarism. The Pyramid Pile Cure will cure any form of piles effectually and without a particle of pain or inconvenience, at slight expense and no danger whatever, as it is perfectly harmless. The way it effects patients who use it may be inferred from the following from Mr. E. Crook of Waterloo, Iowa: Gentlemen—I have used the Pyramid Pile Cure and it is out of sight, the best thing I ever tried. I think it has entirely cured me. I have told Mr. Knapp, our druggist here about it and he has ordered some. This remedy is a great thing for piles.

From Mrs. C. G. Spillman, Huntsville, Ala: I got long since you sent my husband some of your Pyramid Pile Cure and it did him so much good that I want to write to you and tell you about it as he suffered very much and nothing seemed to reach his case until he tried the Pyramid.

From J. D. Roberts, Mt. Moriah, Mo.: "I have used the Pyramid Pile Cure and results have been entirely satisfactory. There can be no question but that it is a certain and lasting cure for piles, at least it has proven in my case."

Miss Easter Nunley, of Tracey City, Tenn., writes: "The Pyramid Pile Cure has done my sister more good than anything she has ever taken. I have nothing but words of warm commendation for it."

The Pyramid Pile Cure has become recognized as the only standard pile cure strictly on the merits and what it has repeatedly done in obstinate cases both in private and practice of reputable physicians and in individual cases. It is so cheap as to be within the reach of all classes of people, and druggists everywhere state that it gives universal satisfaction which can hardly be otherwise when it is remembered that it is composed of the best remedies known to the medical profession in treatment of rectal diseases. It is prepared by the Pyramid Drug Co., Marshall, Mich., and for sale by all druggists.
