She has bought a lot of elegant Millinery goods in different places, also many ready trimmed Hats, they all came by express and are here now looking for you.

**There are Many
New Kinds**

And Miss Rendle has succeeded in picking up a good many of them and she feels sure that she can please you in a hat for Fall.

She and her assistants are very busy now, but there's always room for more at the top where we are in Millinery styles, but there's no room for the other fellows at the bottom where our prices are.

Dysentery causes the death of more people than small pox and yellow fever combined. In an army it is dreaded more than battle. It requires prompt and effective treatment. Chamberlain's Colic, Cholera and Diarrhoea Remedy has been used in nine epidemics of dysentery in the United States with perfect success, and has cured the most malignant cases, both of children and adults, and under the most trying conditions. Every household should have a bottle at hand. Get it today. It may save a life. Sold by all druggists.
