When a White Collar Man "Goes Army"

Perhaps he doesn't learn a few things!

DON'T envy a man who "only has to work a typewriter."

So we were told by Mr. Solon S. Bloom of 3503 Woodbrook Avenue, Baltimore, Md., whose health began to give way because his work gave him no bodily exercise.

"I decided to get away to a military training camp," says Mr. Bloom, "thinking the rough and tumble with the army would do me good for a month. I asked the doctor what to do about my condition. 'I've seen men, I've known men,' he said. 'I know what they eat, drink, and how they live. I know cathartics, physics, and all the ways men try to keep themselves regular—and the only two that go together well are men and Nujol. Nujol soothes and heals the membranes and expels bodily poisons normally, naturally, easily, so that you are regular as clock-work.'"

That was what Mr. Bloom learned when he left his typewriter and went into the army. If you are like most other people, you too will find that Nujol will make all the difference in the world in the way you feel.

Remember Nujol is not a medicine, for it contains no drugs of any kind. It is simply bodily lubrication that everybody needs.

You can get a bottle of Nujol at any good drug store, in a sealed package, for the price of a couple of good cigars. If you will start today and try it for two weeks you will agree that Nujol is the easy normal way to keep well and make a success out of your life. You will be astonished at the results!

Made in Canada

Bon Ami

—makes play of mirror cleaning

CLEANING mirrors with Bon Ami *Cake* is so easy and so quick!

It takes but a moment to apply the Bon Ami with a damp cloth. A short pause while it dries. Then a rub with a clean, dry cloth and off it comes—the dust, smudges and all. It's so easy and effortless—*more like play than work!*

Bon Ami is made in a snowy-white *Powder*, too—another convenient form to help lighten housework. Most women keep both *Cake* and *Powder* always on hand—there are so many uses for each.
