Mrs. McKinnon was of a quiet unassuming manner and by her sterling worth and Christian character she made many friends. She will be greatly missed in her home. A family of six besides a husband are left to mourn the loss of a devoted wife and mother. Her funeral was largely attended. After a short service in the home the remains were taken to the Presbyterian church, Victoria West, where her pastor Rev. E. Weeks spoke in fitting terms on the importance of being prepared for the death message. In the course of his remarks he made fitting reference to the departed as a Christian and as a friend. The Correct Adjustment

of glasses is a matter of considerable importance. The beneficial effect of one's glasses may be largely nullified by ill-fitting mounts. We pay particular attention to the correct fitting of mounts, so that the full benefit of the lenses will be obtained. We supply the lenses of such shape and size as will be most becoming in each individual case. This is possible because we grind our own lenses and make them any desired shape. Our methods of examination give best results. Try us.
