STOCK NOTES.

Without exception, the most important feature of the racing season of 1910 to the breeders of harness horses was the overwhelming success attending the get of Bingen 2.06¼ and his sons. During the past year the great son of May King 2.21¼ and Young Miss, by Young Jim, added the names of thirty performers to his roll of honor, which gives him a total of 97 standard performers at the early age of 17 years. With the sole exception of 1891, when Bingen's grandsire, Electioneer 125, put 39 new ones in the list, this showing has never been surpassed. That the blood of Bingen is marching on, the results of 1910 amply demonstrate. During that year nine of his sons secured admission to the list of sires of the year, and what a superb lot they were! His dead son, Todd 2.14½, who would have been but eleven years of age had he lived, was second to Bingen among the sires of new performers of the year, with 24 to his credit. His nine-year-old son, Bingara, gained 11 new ones, while Admiral Dewey 2.04¾, another son, who would be but 12 years old if he had lived, also had 11.

The family of Bingen not only leads in respect to the number of their produce that entered the list, but also in quality. Bingen's own list for the year was headed by the incomparable Uhlan 1.58¼, who by his performance at Randall, O., set a new speed limit for the harness horse. His three-year-old son, J. Malcolm Forbes, trotted to a mark of 2.09½ and holds the season's record for colts of his age and gait over a half-mile track, 2.14¼. Over thirty of his get were money winners during the year, and the amount of money they won will place their sire very near, if not at, the top of the list in that respect. When it is also considered that twelve of his new record makers were four years old or under, some idea may be had of the early speed which runs in the family. He is now the sire of six trotters in the 2.10 list and three pacers with records faster that 2.07.

The success of the sons of Bingen has already been commented upon, but a few additional facts may not be out of place. That stallion already has thirteen producing sons. Of these, five have sired 2.10 trotters as follows: Todd 2.14½ has to his credit Bob Douglass 2.04¼, Todd Mac 2.07¾, Kentucky Todd, 3, 2.08¾, Emily Ellen, 3, 2.09¼, and George Todd, 3, 2.09¾; Aquilin 2.19½ is the sire of Aquin, 4, 2.08¼; Bingara sired Binvolo 2.09¼ (2.09¼ as a three-year-old); Nico II. 2.21 has Major Wellington 2.08¼, and Admiral Dewey 2.04¾ has Captain George, 4, 2.09¼. Of these nine 2.10 trotters by his sons, six took their records in 1910. It is also to be noted that Todd (son of Bingen), is the sire of one stallion that put three yearling trotters in the list in 1910, and another that had five two-year-old trotters enter the list in 1910. No sire ever before made such a showing through his own progeny, that of his sons and grandsons, in one season.

Bingen 2.06¼ is the grandsire of the trotting stallion Aquiri owned by J. M. Nicholson of this city.
