Miss Etta Thompson and Mrs. Wm. Reynolds and two children, Joe and Matilda, have left for Boston after spending the summer with their mother Mrs. Joseph Thompson, Milltown Cross.

A very happy event took place at the home of the Williams and Mrs. MacIntyre, Montague, on the evening of the 25th of August, when their eldest daughter Miss Adelia Anne was united in marriage to Jas. E. Bourke also of Montague. The bride was attended by her sister Miss Eva, while the groom was supported by Peter L. Gordon, Roseneath, a cousin of the bride. The marriage ceremony was performed by the Rev. F. A. Wightman in the presence of the near friends and relatives of the bride and groom. The numerous and handsome presents attested to the popularity of the bride and groom.

AN EDUCATIONAL EXPERT

has this to say

ACADIALADIES' SEMINARY

What impressed the writer was the admirable system that prevails in the management and in every department of work; that kindly personality and tact, the influence of which is so grateful to young people; the genial sympathy in the relations between teacher and pupil, and the interest which each one seemed to feel in the work of the day. An education under such conditions is indeed a great asset.

Paul's last journey to Jerusalem, the warning he received by the way, and the arrival at the Holy City.

1. We; Paul and his party. They were at Miletus, and had just said farewell to the elders of the Ephesian church. Gotten from there; torn from them, for so the words mean, showing how hard these Christians found it to part with Paul, knowing they would never see him again. Coos, etc. See A Minute with the Map, as also for the other places touched. 3. Discovers; sighted. Cyprus an island. (See Map.) 4. Disciples; Christians. 5. Arrived; remained. Seven days while the ship was unloading. Through the Spirit, God's Spirit, had made known to them the dangers awaiting Paul in Jerusalem. 6. Accomplished those days; finished that seven days' visit. Brought us on our way; accompanied them to the sea shore. Kneeling down; to pray with and for one another.

8. Caesarea. See A Minute with the Map. The ship was unloading. Through the Spirit, God's Spirit, had made known to them the dangers awaiting Paul in Jerusalem. 9. Accomplished those days; finished that seven days' visit. Brought us on our way; accompanied them to the sea shore. Kneeling down; to pray with and for one another.

10. Tarried; remained. Come down from Judea; from the province where Jerusalem is situated. The news of Paul's arrival had reached that distance. 11. Girdle; belt of leather, linen or other material worn about the waist by all men of that time. Brought his own hands and feet; to make his prophecy more striking. God revealed to Paul his danger again and again not to stop him, but to test his courage. The Gentiles; the Roman power. 12. We; Luke, Timothy and others of Paul's companions. They of that place; the Christians of Caesarea. Besought; earnestly begged. 13. Break mine heart. Paul's tender love for his Christians made their grief far harder for him to bear than the thought of his coming troubles. But he loved Jesus still more. 14. Would not be persuaded. The Lord had revealed to him that he should go on to Jerusalem. Ceased; stopped.

Sales Doubling Every Six Months

Wonderful Demand for a Wonderful Remedy.

During the past few years, the sales of "Fruit-a-lives" have doubled every six months. For the six months from January to July of this year, the sales of this popular medicine were more than twice greater than for any similar period since "Fruit-a-lives" was introduced to the public.

The National Drug & Chemical Company of Canada Limited, the largest wholesale drug house in the world—Lymans Limited of Montreal—and Lyman Brothers of Toronto—are buying "Fruit-a-lives" in store quantities, gross mean 14,400 boxes, which retail for \$7,200.00. This gives some idea of the steady demand for these wonderful fruit liver tablets.

It is safe to say that "Fruit-a-lives" is on sale in every drug store and in departmental stores and general stores carrying medicines throughout the Dominion. Nor is the sale of "Fruit-a-lives" confined to Canada. In many parts of the United States, "Fruit-a-lives" is the standard family medicine and hardly a day passes that the Fruit-a-lives Company does not receive orders from our neighbors over the line.

The many testimonials, which have been published in the leading papers, are the most convincing evidence of the great value of "Fruit-a-lives".

15. Carriages; baggage. 16. Old disciple; one who had been a Christian some years. Lodge; live. Jerusalem; at that time, the central place of the Christian church, as the Jewish religion. Bre Arrival through the Christians at Jerusalem. Gladly; with great joy at seeing the wonderful apostle again.
