**INCREASE IN INSURANCE RATES**

The recent serious conflagrations in Summerville as well as the heavy losses sustained by the Insurance Companies at Charlottetown at the Saint Dunstan's Cathedral and other fires and by large fires in Souris, Tighe and other numerous losses throughout the Province in recent years, have caused the Underwriters to look upon insurance business in P. E. I. with anxiety.

In addition to these large losses, the taxes imposed in this Province upon the Insurance Companies, the recent increase in the Provincial Government Tax of One-Third for War purposes and a heavy War Tax imposed by the Dominion Government all bear very heavily and the Companies have found it absolutely necessary to increase their rates in P. E. I. as well as elsewhere.

At a meeting of the Board of Fire Underwriters yesterday morning instructions were given, to increase all premiums throughout the Province by fifteen per cent. to take effect at once and on all renewal business from and after the first of January, 1917.
