---OF---

THE FOX INDUSTRY

Indications are that this year will be the biggest in the history of the Fox raising industry. Ranches are starting throughout the Maritime Provinces, Eastern, United States, Alberta, Saskatchewan, Manitoba, British Columbia, Ontario, Quebec and even far off Alaska.

Every day's mail brings numberless inquiries regarding this, the greatest money maker of modern times.

The capitalists and investors in all the larger centres are awakening to the vast opportunities this business affords.
