

Nervous Women

Their Sufferings Are Usually Due to Female Disorders Perhaps Unsuspected.

A MEDICINE THAT CURES

Can we dispute the well-known fact that Canadian women are nervous?

How often do we hear the expression, "I am nervous," "I am a nervous woman," "I should fly," "or, "Don't speak to me." Little things annoy you and you are unable to quietly and calmly perform your daily tasks or care for your children.

The relation of the nerves and generative organs in women is so close that nine-tenths of the nervous prostration, nervous debility, the blues, sleeplessness and nervous irritability arise from some derangement of the organism which makes her a woman.

Nothing will relieve this distressing condition and prevent months of prostration and suffering so surely as Lydia E. Pinkham's Vegetable Compound.

Miss Leah Stowell, of 177 Wellington St., Kingston, Ont., writes:

"Your medicine is indeed a Godsend to suffering women, and I only wish that they all knew what it can do for them and they would be free of their agonizing and miserable lives in agony. I suffered for years with bearing-down pains, extreme nervousness and excruciating headaches, but a few bottles of your vegetable Compound made me feel light and happy and I do not know what sickness is, and I have enjoyed the best of health now for over four years.

Will not the volumes of letters from women made strong by Lydia E. Pinkham's Vegetable Compound convince all women of its virtues? Surely you cannot wish to remain sick and weak and discouraged, exhausted each day, when you can be as easily cured as other women.

ALL IS WELL THAT ENDS WELL

The Charlottetown Young Men's Christian Association has been established for over fifty years.

The Charlottetown Young Men's Christian Association has been established for over fifty years. It has the distinction and honor of having built the first Association building on the North American Continent, and is also the second oldest Association in Canada.

There are those living in Charlottetown today who have been members from its organization, and a number of other citizens who have stood by the Association through its varied experiences, are still its strongest supporters today. On

Y. M. C. A. BUILDING.

This Continent Y. M. C. A. Associations are dedicating buildings at the rate of one a week and all Associations will learn with the greatest pleasure that Charlottetown and the people of this province have rallied around her historical building and saved the Institution for the young people of this province.

The following resolution was passed by the Board of Directors of Y. M. C. A. at the recent meeting:

Resolved that this Board of directors recognizes the help and blessing of God in the successful effort to wipe off the mortgage debt upon the Building.

It who have so willingly and liberally contributed, and also to all who have in any way helped in the success of the movement, not only by voluntary subscriptions but by the many expressions of good will towards the association.

This makes a total of \$3,400.75 voluntarily subscribed.

The mortgage debt upon the building stood at \$3,200.00 of this amount had already been paid by Association. The interest upon the mortgage will amount to about \$220.00. When all pledges are paid in this should leave a balance of about \$300.00.

In order that the business relative to the mortgage may be settled up as soon as possible the Board of Directors request that all subscribers who have not as yet handed in the amount of their offering will do so at their earliest convenience.

SPRING ADVICE.

Do not Dose with Purgatives and Weakening Medicines—What People Need at this Season is a Tonic.

Not exactly sick—but not feeling quite well. That's the spring feeling. You are really tired, appetite variable, sometimes headache and a feeling of depression. Or perhaps pimples and eruptions appear on the face, or you have twinges of rheumatism or neuralgia. Any of these indicate that the blood is out of order. What you do need is a tonic medicine that will make new, rich, red blood, build up the weakened nerves and thus give you new health and strength.

And the one medicine to do this speedily and surely is Dr. Williams' Pink Pills. Every dose of this medicine makes new, rich blood, which makes weak, easily tired and ailing men and women feel bright active and strong. If you need a medicine this spring try Dr. Williams' Pink Pills and you will never regret it.

This medicine has cured thousands in every part of the world and what it has done for others it can easily do for you. We believe dealers everywhere sell these pills or you can get them direct from the Dr. Williams' Medicine Co., Brockville, Ont. at 50 cents a box or six boxes for \$2.50.
