**SCHOOL EXAMINATION.**—The regular semi-annual public school examination was held in St. Ignace's School, Mayfield, on the afternoon of Friday, June 5th. There was present a goodly number of visitors, including most of the teachers from the adjoining districts. The pupils, by their ready answers, showed careful training during the last six months. Too much praise cannot be given Miss Josie Gallant, Teacher, for the excellent quality of work which she has been doing in this school during the past term, and every effort should be made to retain her services for another year. Besides the examination of the different classes, there was a programme of songs, dialogues and recitations, each number of which was delivered in grand style by the pupils of the school. The following teachers helped: Miss Gallant in the work of examining the different classes; Misses Martha Brown, Lucy Doiron, Gertrude Pineau and Messrs. John Gauthier, Denis D. Arsenault and Peter LeClair. After the distribution of prizes, the proceedings came to a close with the singing of the "National Anthem."—Z.
