REPORT ON FARM

(Continued from Page 3)

practically the same level as last week with movement, limited in character, taking place at from 45c-47c per bushel.

Livestock

During the week over 6,000 hogs were slaughtered under inspection in the Maritimes; 1,221 lambs and sheep; 832 calves; 608 cattle.

The prices are steady at both Moncton and Charlottetown with last week's quotations.

At Moncton Grade A hogs 28.75; B1 28.35; No. 1 sows 20.00; No. 2 sows 19.30; hot dressed delivered.

At Charlottetown f.o.b. country points Grade A 27.75; B1 27.35. No. 1 sows 19.00; No. 2 18.00.

Cattle at Moncton f.o.b. country points steers and heifers choice 19.00; good 18.50; medium 17.00; common 12.00. Choice cows 13.50; good 12.50; medium 12.00; common 11.00; canners and cutters 9.00.

Good bulls 13.00; medium 12.50; common 11.00.

Charlottetown delivered to plant - Steers - good 16.50; medium 16.00-18.00; common 14.00-16.00. Heifers - good 18.00; medium 16.00-17.50; common 14.00-16.00. Cows 13.50; medium 12.00; common 10.00-11.00; canners and cutters 8.00-10.00. Good bulls 12.50; common 8.00-11.00.

Real good top notch steers in local trade have been selling as high as 20c.

Calves at Moncton f.o.b. country points and Charlottetown delivered were good and choice 18.00; common and medium 15.00-17.00; grassers 11.00-12.00.

At Charlottetown delivered lambs good and choice 20.50 for live with 47.00 for Grade A. Lambs at country points 20.00 for good and choice.

These quotations were of November 8th. On the same day the Montreal market was steady. Medium heifers 15.00-17.50. Medium cows 12.00-13.50. Hogs were 29.25 for Grade A.

A market wire from Moncton Thursday gives prices f.o.b. country points steers and heifers choice 18.00; good 17.50; medium 16.00; fair 14.00; common 12.00. This is about a cent lower than the previous quotation. Cows of all grades remain about the same as the previous quotation. Lambs are down one-half cent at 19.50 f.o.b. and rail grade were down 2c at 47c for Grade A delivered. Prices on hogs, calves and sheep at Moncton and Charlottetown were steady with the previous quotation.

Dairy Products

In dairy products 96,626 lbs. butter were produced in our Island creameries for the week ending November 8th. During the same period last week the production was 95,981 lbs. In October of this year 458,000 lbs. were produced, about 36,000 lbs. less than in 1948 during the same month. The total production for the Province however, for the year up to October 30th is, as announced last week, containing 509,000 lbs. more than for the same period the previous year.

The Dairy Products Board has announced its policy of selling creamery butter held in storage by that organization. The price of first grade solids in the Maritimes will be 61c per lb. delivered to the purchaser in carlots to the nearest railway station. Butter scoring thirty-eight points for flavour and otherwise satisfactory may be purchased for 72c per pound. Butter scoring thirty-seven points for flavour 58c per lb. and butter scoring thirty-five and thirty-six points for flavour may be purchased at 56c per lb.

The Dairy Products Board stated further that these quotations will continue until December 31st, 1949. Forms for making application for a carload of butter may be secured by writing either Mr. Rogerson, Dominion Government Grader, Charlottetown, or the Montreal office of the Dairy Products Board.

The expenses connected with the purchase of butter will include unloading, reworking, printing and cost of print wrappers and boxes which, together with the cost of delivery of the butter, will increase the price of prints 1 1/2-2c per pound.

Since the announcement of the policy of the Products Board in this connection butter prices have strengthened materially on our Maritime markets. The present price of prints to wholesalers in New Brunswick is 62 1/2c and the wholesale to retail 64c. The factory price at November 4th at Halifax was 63c with local jobbing at Halifax 65c.

In line with these quotations the prices at Charlottetown November 7th rested at 61c on solids delivered with local jobbing at 64c. This is up 1 1/2c for wholesale and 3c for local jobbing over last week's quotations.

Cheese production as announced last week is about at an end. Most of the factories have closed for the season. The record and quality this year with one or two exceptions has been very satisfactory. Cheese has been practically all disposed of and the operations almost concluded for the year.

Feeds

Feeds are still strong and the tendency is for greater strength. Bulk No. 1 feed barley is selling at \$3.50 for the meal and \$3.40-\$3.30 whole. No. 1 feed oats whole \$2.55. Island oats has been selling in some quarters at around 60c per bushel, and ranging up to around 70c for good grain. Some corn is coming through which will retail at about \$3.50 for the meal. No. 5 wheat is \$3.60. Oatmeal is strong at \$4.50 for retail with bran at \$2.35. 7 1/2 markets should deteriorate on finished products our farmers must give greater attention to their programmes in the production of concentrated feeds within our own province.

Special Efforts To Meet Demand For Reefer Cars

Lt.-Col. C. C. Thompson, representing the Potato Promotion Committee, reports that encouraging word has been received from C.N.R. officials this week with regard to provision for potato cars. They state that practically all empty reefers must come from the Central Region as far west as Toronto, and feel satisfied they can anticipate increased receipts from that territory from now on.

The telegram, signed by Mr. C. W. Rand, concludes with the statement: "Matter well in hand and doing everything humanly possible to assist your potato shippers especially at this critical time."

Word was also received Wednesday night from Messrs. McNaught, Douglas and B. Graham Rogers at Ottawa, to the effect that 150 cars are now rolling to Tormentine, 400 to 500 additional cars are heading to Tormentine from American points. Instructions have been given by the C. N. R. that those American cars are definitely to be rushed here with no holdup or diversion whatsoever on them.

"The local C.N.R. officials," Mr. Thompson states, "assure us that as fast as these cars arrive at Tormentine they will be ferried, working the ferries twenty-four hours a day if necessary, so that from the above our reefer situation should be greatly improved in the next few days."

"Congratulations!" Congratulations also go out to coach John Eldon Green who did a swell job and who fostered a coaching fervor that deserved nothing short of a championship.

Next, the first team. Well folks, the activities of our first team makes interesting history. It was a well balanced, strong, and fighting team which battled with Mount A. and U.N.B. this year. They didn't win, no, but they tried hard, only to find themselves a half point behind the winners, Mount A. Congratulations are in order, then, to Mount A., and best wishes for success against Acadia. Did you see the last game with U.N.B.? If you did, you saw thirteen Red and White boys play their best ball. On the gridiron that day were five seniors; Mike Hennessy, "Kicker" MacIsaac, Pat MacIsaac, "Big Willie" MacDonald, and Hughie MacPhee, the captain of this year's squad. These men were playing their last game for old S.D.U., and they knew it; thus perhaps the reason for the stellar performance by each of them. Truly they were good. Honorable mention for four made to two other seniors, Wilf Driscoll and Joe Mahar, who were forced to view the game from the sidelines. Wilf played several games with the team during this and other years. Joe has been in inter-collegiate competition for four years, and was therefore ineligible to play this year, as you hang up nothing more than memories of football days, accept this little tribute from all the students: "We're mighty proud of your performances, not only this year, but in years past and when you return to your alma mater, we'll be glad to see you again next fall."

From the Junior class were Dunstan Murphy, Jim Ayers, Cyril "Bun" Callaghan, and J. D. MacCarville. All four of them played great ball all year, and it goes without saying that we hope to be able to cheer them again next year, to even greater performances.

Then there were George MacRae our fullback, who turned in spectacular performances in that difficult position; George Cameron, in flying position, who flew his way to recognition as a truly good scrumman; player; Lloyd Burke, a scrumman, who would always be seen making great tackles; Pete Dunphy, crafty and capable picking quarter, who promises to be outstanding in years to come; and then the subs, Louis Shreeman, Johnny Cash, and Charlie Cheverie who all played spic and span. Next, the man behind the team, Coach MacAdam. It was he who worked and worked all fall getting his players in shape, advising and admonishing them. Truly the success of the team, this year and last, reflects the coaching. Congratulations! And then there was the manager, Austin Johnson, the man who performed a big job in an efficient manner. Well, that's it! Football for '49 is over. We've come to the end of one interesting chapter of college activities for this year. What's next?

On Wednesday night the M.I.D.L. trial debates got underway. Upthrusting the affirmative of the resolution "There should be Federal aid to Education," were Frank Sigsworth and John Mullally; for the negative were Mark MacGulgan and Regis Duffy. Tomorrow night, Sunday, another debate on the resolution, "The B.N.A. Act should be amended without the Approval of the Provinces," will be held in the Holy Name Hall beginning at 8.30. Philip Murphy and Lawrence Glover will argue for the affirmative while the negative will be upheld by Ivan Dowling and Bernard Hayes.

More next week. Till then—So long!

THE WEEK
