FANNIE BELL CHAMPION

The people of Darnly and vicinity were greatly shocked on Saturday Oct. 9th 1920 to learn of the sudden death of Fannie Bell Champion, aged 20 years and 5 months, eldest daughter of Mr. and Mrs. Edward Champion.

The deceased seemed in her usual health going about her duties, and mentioned that she was dizzy for what to her was a momentary faintness and she asked for water to be brought. She was taken to her room and just took one mouthful when she fell back unconscious. The doctor called immediately summoned and she died after a few minutes. She was a devoted and dutiful daughter and a life companion had not been intervened.

The funeral service conducted by her pastor Rev. John M. Murchison was held in the Presbyterian Church at Malpeque on Wednesday October 14th and was very largely attended.

The Human Clock usually Breaks Down Instead of Runs Down

"It has long been a favorite idea of mine to compare the human body with my old clock here." "Without proper attention the old clock gets run down and stops until I wind it up again and then it ticks away just as heartily and regularly as ever."

Was given Few Months to Live Is Now Strong and Well

Miss E. W. Elman, School Teacher, Libau, Man., writes:—"Four years ago, while living in Regina, I was afflicted with fainting spells, nervous headache, and became very thin and pale. I sought medical advice and was treated for consumption, and given only a few months to live. I had to sleep on the verandah and was told not to go to public places for fear of spreading germs. A newspaper advertising Dr. Chase's Nerve Food fell into my hands. I bought six boxes and after a few weeks began to increase in weight and feel better. Under this treatment I gradually regained my health, and now weigh 110 pounds. I enclose a picture I had taken while ill and my photo of to-day, so that you can see what a difference there is."

"The reason for my writing this is the hope that this statement will fall into the hands of some sufferer who can be benefited, may be saved, by the steady, regular use of Dr. Chase's preparations. "I often use Dr. Chase's Kidney-Liver Pills to keep my kidneys in shape. I have recommended Dr. Chase's medicines to a great number of people for kidney trouble, lame back, appendicitis, shortness of breath, indigestion, nervousness, and in fact for every sickness I asked advice about."
