Your Piano Wants Can't be filled as well by any piano has by the MORRIS. Do you know about the mechanism of a piano—the hammers, strings tampers, etc., etc.? Can you determine between cheap, unseasoned materials in the hands of poor work man and high class, expensive materials moulded by the most skillful mechanics that ever built a piano? Morris Piano You must trust a house with a reputation: That is why so many pianos of the MORRIS make find a place in Canadian homes from one end of the Dominion to the other. D. MacMillan, Agen

BIG GOLD VALUE

Last season I advertised a list of stocks for sale give the Old Gold and Primrose shares a first place. Now we have the OLD GOLD actually shipping from a 5 foot vein of ore, the solid ore running \$125.00 to the ton.

The Primrose has just struck a beautiful vein of ore running \$180.00 in gold to the ton besides silver and lead. The railway is finished to within 4 miles of the lake and freight is actually being accepted for the Lardeau over our line.

Full copies of the Reports will be gladly sent to anyone interested and applying for same.

This is one of the best chances I know of just now for good investment.
