Look and Feel Clean, Sweet and Fresh Every Day Drink a glass of real hot water before breakfast to wash out poisons. Life is not merely to live, but to live well, eat well, digest well, work well, sleep well, look well. What a glorious condition to attain, and yet how very easy it is if one will only adopt the morning inside bath. Folks who are accustomed to feel all and heavy when they arise, splitting headaches, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter. Everyone, whether ailing, sick or well, should, each morning, before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and poisonous toxins. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. The millions of people who are bothered with constipation, bilious spells, stomach troubles, rheumatism; others who have sallow skins, blood disorders and sickly complexion are urged to get a quarter pound of limestone phosphate from the drug store which will cost very little, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation. Colds Cause Headaches and Pains Feverish Headaches and body Pains caused from a cold are soon relieved by taking LAXATIVE BROMO QUININE TABLETS. There's only one Bromo Quinine. E. W. GROVES is the name on the box. 35 cents.
