HE WAS AMAZED!—John Abner knew he loved Priscilla, but he did not expect this answer to his suit for Miles Standish. Boys and girls will want to turn to page two and see what strange things happened in this tangled love story of daily colonial days. Color Cut-Outs contain the story and a paper doll. Very day illustrating one of the characters. It's great fun to act out the whole play with the paper doll actors when the story is finished.

RETREAT CONCLUDED.—The retreat which was being conducted at Notre Dame Academy for the pupils of grades 7, 8, 9 and 10, and also the Prince of Wales College students who board at the Academy was concluded yesterday morning. The retreat which opened last Thursday afternoon was conducted by His Lordship Bishop O'Leary who delivered three sermons daily. Mass was celebrated each morning at 6.45 and Benediction of the Most Blessed Sacrament in the afternoon. All the students for whom the Retreat was conducted faithfully attended the daily services, including early morning mass. At the conclusion yesterday morning the Bishop Benediction was given by His Lordship. The music by the Academy Choir at all the services was of the usual high standard adding greatly to the solemnity of the occasion.

PRESENTATION TO REV. GEO. TAYLOR.—A pleasant event took place last evening at Calvin-Westminster Presbyterian Church when the women of the congregation presented their minister, Rev. George C. Taylor, with a Geneva gown, as a mark of their appreciation of the excellent work Mr. Taylor is accomplishing in the re-organization of the congregation. The presentation was made on behalf of the ladies by Mrs. William Skead, president of the Ladies' Aid Society, who in a few well chosen remarks expressed the wish that Mr. Taylor would be long spared to wear it in the exercise of his ministerial duties. Montreal Star, March 3rd.

PERSONALS

Miss Lizzie Burns has returned to her home in Freetown after spending a few days in Charlottetown.

Mr. James Campbell of Cape Traverse was a recent visitor to Charlottetown.

Mrs. Geo. Stetson of Brookfield, has entered the E. Island Hospital for medical treatment.

Last week Robert Gallagher, the five-year-old son of Mr. and Mrs. C. Gallagher of this city, was taken to the Prince Edward Island Hospital where he underwent an operation for appendicitis. He is reported as doing well.

Simple Way to Get Rid of Blackheads

There is one simple, safe, and sure way that never fails to get rid of blackheads, that is to dissolve them. To do this, get two ounces of peroxide powder from any drug store—sprinkle a little on a hot, wet cloth—rub over the blackheads briskly—wash the parts and you will be surprised how the blackheads have disappeared. Big blackheads, little blackheads, no matter where they are, simply dissolve and disappear. Blackheads are simply a mixture of dirt and secretions that form in the pores of the skin. The peroxide powder and the water dissolve the blackheads so they wash right out, leaving the pores free and clean and in their natural condition.

Peter's Road And Vicinity

There may be some truth in the old saying that "The two ends of March are never alike". On Wednesday, March 3rd it was fine in the morning—mild south wind. By noon it was raining—wind N. E. At 2 P.M. it was hailing. At 4 P.M. it was snowing and drifting—wind N. W. Then fine again in the evening—wind west. This makes (4) kinds of weather.

Mrs. J. L. MacDonald and Mrs. George Luce have left home for an extended trip to the U.S. Mrs. MacDonald will visit relatives and friends in Worcester, Mass. and while there will be the guest of Mr. and Mrs. Philip Buxton. Mrs. Luce will visit the family of her brother Mr. Percy Jenkins, a rising Architect of Boston, Mass. and also other relatives in different parts of Massachusetts. We wish both Mrs. MacDonald and Mrs. Luce a pleasant trip.

Mr. Richard Campbell who has been visiting his old home at Alton Lot 63 we are informed intends returning to his western home in the near future. Mr. Campbell resides in Malden, Sask. and is largely engaged in agricultural and real estate business there.

Mrs. John McLeod of Peters Road, has returned home from the lumber woods of N. S. where he has been successfully engaged for some time past.

Mrs. Randall MacDonald Peter's Rd. spent the week-end visiting friends at Commercial Cross, the guest of Mr. and Mrs. Hugh Daly.

While leaving home on a short visit to a neighbor, Miss Irene McLean had the misfortune to sprain her ankle severely by coming in contact with one of our many uneven snow-banks. Though painful rapid improvement has already begun.

The social at Murray Harbor held under the Auspices of the Point Pleasant School was a decided success. Mrs. James B. Finlayson proprietors of "The Point Pleasant Mills" was the capable Chairman and Auctioneer. The sum of \$60 was realized, which will be used in improvements on the school building.

We regret the recent illness of Mrs. David Macdonald of Peters Road. At last reports there was some improvement, and ere long we hope that Mrs. Macdonald will be able to resume the duties of her home.

Owing to the congested conditions of the woods and roads neither Mr. Finlayson nor Mr. Jenkins have been able to operate their saw-mills to any great extent this winter. For the same reason fire-wood is a scarce article in this locality.

It will be too bad if the projected horse-race does not mature owing to the poor condition of the ice. The participants, should this interesting contest take place are "Mary Pickford" owned by Mr. George Munn and "Primrose Belle" owned by Mr. Harry Buttler, both residents of the thriving settlement of Greek River. Possibly Mr. Joseph Jenkins might be persuaded to enter the lists with his "Abdallah Messenger", but we are informed that owing to a chance meeting last summer with "Primrose" on the Mill Road which resulted in a heated contest on this wide thoroughfare "Abdallah" met with a smashing defeat. However this is the ice and results may be different.

I wish I was a poet like the Murray River Man, Who wrote the famous ballad of the train. Then if the ice responded I would make a racy yarn. That would knock the "Iron Horse" clean to smithereens.

"Yes, Rupert," said mother, "the baby was a Christmas present from the angel." "Well, mama," said Rupert, "if we lay him away carefully and don't use him, can't we give him to somebody else next Christmas?"

MRS. ROBERT VYSE —The Shaw Studio Hamilton, Ont.—"Dr. Pierce's Favorite Prescription is the greatest help to women of any medicine there is. It is especially beneficial to the expectant mother, as it keeps her physically fit at all times. My mother was a great believer in this medicine, and during her last illness she had me take it and I got along splendidly—kept well and strong and was able to do my work right up to the last. I had practically no suffering and had a very healthy baby. I took a few bottles of the "Favorite Prescription" afterwards, which helped to bring back my strength."—Mrs. Robert Vyse, 139 West Ave. North. You'll soon feel better if you obtain this Prescription at your nearest drug store, in tablets or liquid, or send 10c to Dr. Pierce's Laboratory in Bridgeburg, Ont., for trial pkg.

Try Magnesia For Stomach Trouble

It Neutralizes Stomach Acidity, Prevents Food Fermentation, Sour Gassy Stomach and Acid Indigestion

Doubtless if you are a sufferer from indigestion, you have already tried peppin, charcoal, drugs and various digestive aids and you know these things will not cure your trouble—in some cases do not even give relief.

But before giving up hope and deciding you are a chronic dyspeptic, just try the effect of a little Bisurated Magnesia—not the ordinary commercial carbonate, citrate, or milk, but the pure Bisurated Magnesia which you can obtain from practically any drug-gist in either powdered or tablet form.

Take a teaspoonful of the powder or water after your next meal, and see what a difference this makes. It will instantly neutralize the dangerous, harmful acid in the stomach which now causes your food to ferment and sour, making gas, wind, flatulence, heartburn and the bloated or heavy, lumpy feeling that seems to follow most everything you eat.

You will find that provided you take a little Bisurated Magnesia immediately after a meal, you can eat almost anything and enjoy it without any danger of pain or discomfort to follow and moreover, the continued use of the Bisurated Magnesia cannot injure the stomach in any way so long as there are any symptoms of acid indigestion.
