

Every Exertion a Task

There is failure of the strength to do and the power to endure; a feeling of weakness all over the body.

The vital functions are impaired, food does not nourish, and the whole system is run down.

A medicine that strengthens the stomach, perfects digestion, invigorates and tones is needed.

What Hood's Sarsaparilla did for John Y. Paterson, Whitby, Ont. It will do for you. He took it as a tonic and general builder of the system, and writes: "I have found no other remedy to compare with it as a restorer of vitality. It drives away that tired feeling, quiets the nerves, and brings sweet refreshing sleep."

Hood's Sarsaparilla

Promises to cure and keeps the promise. The earlier treatment is begun the better—begin it today.

YESTERDAY afternoon while at work on the arm of the dredge, Benj. Shepherd and Isaac Clark nearly lost their lives.

It appears that the men were releasing the guys and when in the act of disconnecting the last one the crane fell, hurling the two men into the water a distance of over 30 feet.

Fortunately the scow used in connection with the repairs had drifted around out of the way and the fall was broken by the water. Those who witnessed the accident state that they never expected to see the unfortunate men come to the surface alive.

They did, however, and swam for their lives and were quickly rescued. Medical aid was summoned and Shepherd was removed to the Hospital where it was found that he had sustained a fracture of the knee and a dislocation of the hip joint.

Clark received a wound over the eye, but is otherwise uninjured. The crane in its fall broke in two.

LOSS OF FLESH.

If you find yourself falling below normal weight there is danger. The use of fish oils can temporarily add fat, but will never build up health and tissue.

Dr. Chase's Nerve Food acts through the blood and nervous system and carries new life and energy to every nook and corner of the body. It regulates the appetite, adds healthy flesh, and replaces the tissues wasted by disease.

Naturally and gradually this food cures, restores color to the cheeks, increases the weight of the body and thoroughly overcomes disease.

SUMMER HELPS TO CURE CATARRH AND BRONCHITIS.

Sunshine evenness of temperature, outdoor life together with freedom from recurrence of colds which winter excites, is a great boon to victims of Catarrh, Bronchitis and Hay Fever.

Fortify these blessings by the wonderful, certain and prompt Catarrhoxone treatment. It cures always but quickens in summer. Doctors approve of it go wild over it. You try Catarrhoxone, wild over it. You try Catarrhoxone, wild over it. You try Catarrhoxone, wild over it.

A PLEASANT gathering took place on the evening of Oct. 16, at the home of Mr. and Mrs. Frank Glydon, Margate, when nearly all the members of the Women's Auxiliary met to bid farewell to Mrs. James Bentley in view of her intended departure from the community. Ever since the organization of the Auxiliary in 1898, Mrs. Bentley has been an earnest and faithful worker always ready and willing to do whatever was required of her, and she has at different times held all the offices in it, and all alike efficiently. Therefore, in order to show that her efforts were not entirely unappreciated, this surprise party was planned. And a greater surprise still was in store for her, when in the course of the evening, after a reasonable time spent in conversation and music, including a vocal solo by Miss Mabel McArthur, Mrs. F. Glydon, Miss H. Tuplin stepped forward and presented her with an address and a beautiful and costly Bagster's Bible. Mrs. Bentley made a brief but appropriate reply, thanking the ladies warmly for their kindness and thoughtfulness.

The address was as follows:—

DEAR SISTER AND FELLOW-WORKER.

Having learned with deep regret of your intended departure from our midst, we, the members of the Margate Auxiliary of the W. M. S., desire to express to you our appreciation of your services in our Society of which you have been a member ever since its inception.

Your presence and your readiness to help in all our meetings have always been an inspiration to us and your duties as an officer have always been faithfully discharged. As we have gathered to wish you God speed on your journey, we ask you to accept this small gift as a token of our love and esteem, and we pray that our loving Father's guidance and watchful care may be over you wherever you may go and that if we may never be permitted all to meet together we may some day meet around the great white throne in Heaven, where there shall be no parting and we'll never say good-bye.

Signed in behalf of the Aux.

MRS. (REV.) W. A. THOMSON Pres.

MRS. FRANK GLYDON, Cor. Sec.

MISS FAIRLIE DURANT, Rec. Sec.

HATTIE TUPLIN, Treasurer.

The family of Mrs. Bentley were also remembered for a number of their school mates gathered at the house and presented Mabel with a nice pocket-book, Janie with a well filled writing-desk and Irene with a work-box suitably furnished. They all leave about the close of this month for Calgary, where Mr. Bentley now is and where they will make their home in the future.
