Bassett—Noonan Nuptials

Sacred Heart Church, Borden, was the scene of a pretty wedding on Nov. 8th. at 7.00 A.M., when Mary Lorraine, only daughter of Mr. and Mrs. Andrew Noonan, Albany and Aeneas William, son of Mr. and Mrs. Kier Bassett also of Albany, were united in the Holy Bonds of Matrimony, Rev. Father Cabna of Sackville officiating.

The bride, given in marriage by her father, entered the church to the strains of the Wedding March, played by John Noonan, uncle of the bride. She was becomingly attired in a two piece suit of delft blue, with black accessories and wore a corsage of white gardenias and ferns. The young couple were attended by Mr. and Mrs. Ellsworth Bassett, Albany.

The church was tastefully decorated by relatives and friends of the bride with potted plants and flowers. During the Mass appropriate hymns were sung by the choir, with Mrs. Reginald McAleer, Borden, as soloist.

After the ceremony the bridal party left for the home of Mr. and Mrs. John Noonan, where a delicious wedding breakfast was served. The dining room was beautifully decorated for the occasion in a color scheme of pink and white. The table was centred with a three-tier wedding cake lavishly decorated in silver and white.

Later the bride and groom left amid showers of confetti and goodwishes on a honeymoon through the Maritimes. They were accompanied as far as Sackville by their attendants, Mr. and Mrs. Ellsworth Bassett. For travelling the bride wore a wine boucle coat with tuxedo front of opposum fur.

On their return, the bride and groom will reside in Albany where a host of friends wish them many years of happiness. — S.

S'side To Have New Hospital, Board Decides

Although no announcement has been made it has been learned on reliable authority that the Board of Trustees of the Prince County Hospital Summerside has decided to construct a new hospital building to replace the present wooden building which is over-crowded and out-of-date. This decision was taken at a recent meeting of the board and the medical staff.

The probable site for the new building is the grounds of the present nurses home, just across Market Street from the present hospital. The Nurses home building could be hauled away or torn down.

The proposed new hospital would have between one hundred and one hundred and twenty-five beds.

The following party arrived back on Tuesday from Bathurst where they inspected the recently constructed hospital there: Doctors A. R. Grant, J. C. Simpson, W. B. Howatt, Mr. W. E. Darby, vice chairman of the hospital board and Mr. J. E. Harris, Charlottetown architect. This trip was in the nature of a fact finding expedition as the Bathurst hospital is about the size that would be suitable for Summerside—S.

Green are visiting friends and relatives in U.S.A. While there they are visiting in Quincy, Boston, Weymouth and Summerville, Mass.

The many friends of Mr. Garfield Tremere, City, wish him a speedy recovery after his recent operation in the Prince Edward Island Hospital.
