DIED OF WOUNDS.—The last casualty list contains the following:—Died of Wounds, E. A. Matheson, of Dundas. Pte. Matheson enlisted in the 105th.

HERE ON FURLOUGH.—Mr. Horace Brodie, formerly employed in Mr. Horace Hazard's office, and now of the Royal Air Force is here from Toronto on a furlough. Mr. Brodie is a son of Mr. and Mrs. James Brodie of this city and enlisted in Calgary.

TO RESIDE AT BORDEN.—Capt. John L. Read has sold his property at the corner of Cottage and Prince streets to Capt. Pearl, of the S. S. Enterprise. The price was \$2,500. Capt. Read's family are moving to Borden, P. E. I., next week, says the Pictou Advocate.

A telegram received at Mount Stewart yesterday brought the sad news that Pte. George McAfee, M. M. had been killed in action. The late Pte. McAfee had won the Military Medal recently and his death will be, sincerely mourned by many friends who knew him as a splendid type of man and a gallant soldier.

TO CARRY COAL.—Another schooner, well known in the Halifax coasting trade, the Rosie M. B., has been purchased to carry coal from Pictou and Cape Breton to Prince Edward Island ports. Her new owner is Captain Louis Razavat, Summerside, who bought the vessel from Captain Anslam Sampson, of River Bourgeois. She is 15 years old and 75 tons net, says the Halifax Herald.

WOUNDED SECOND TIME.—Mrs. Joseph Arsenault, 191 Weymouth St., city, has been notified that her son Ulric P. O. Arsenault, infantry, who went over with the 105th, has been admitted to Northamptonshire War Hospital, Dunston, Northampton, Aug. 21st, with gunshot wound left leg. This is the second time that Private Arsenault, who was only sixteen years of age when he enlisted, has been wounded, and his many home friends hope that it will not prove serious.

KILLED IN ACTION.—His friends will regret to learn that a telegram was received yesterday by Mr. Hooper Horne, announcing the death of Herbert McKie, who was killed in action in France on August 11th. Mr. Herbert McKie was a brother of Mrs. Hooper Horne. He enlisted first with a battalion in Alberta and later with an English Regiment. This brave young soldier who has thus made the supreme sacrifice is another of our Island boys whose grave is now in France.

ENJOYING A HOLIDAY.—Mr. C. C. Macneill of the Customs Dept., Ottawa, and Mrs. Macneill, are spending an enjoyable holiday on P. E. Island. They have been the guests several days of Mr. and Mrs. J. Houston of Mayfield, and Mr. and Mrs. Hammond Toombs, of North Rustico. On Monday they motored to Charlottetown in Mr. Toomb's car, en route to Souris, where they will spend a week with Senator and Mrs. MacLennan. It is 18 years since Mr. Macneill visited his Island home, and thoroughly enjoys meeting friends and acquaintances of former years.

A PATRIOTIC FAMILY.—Mr. and Mrs. Alex. J. Bahrbick, of Bristol, Lot 40, have given liberally to the cause of liberty as the following will show. They have one son Patrick Francis, just returned from France wounded in right leg, left side and gassed. Another son, Joseph, is in France now, and two others, Hibbit and John are in the American army flying corps. Philip is in the construction work and James and Louis in the American army, present address unknown. Patrick, above referred to, enlisted in Winnipeg, having been turned down at Valcartier with the medical corps and later joined the 34th Fort Garry Horse. This is a family record hard to surpass by any Island family.

ISLAND AIRMAN KILLED.—Miss Louise Hacker, Summerside, received a telegram on Saturday bringing the sad news that her only brother, Cadet James Hacker, had been killed accidentally on Friday, at Deseronto, Ontario, where he had been training in aviation. No particulars were given other than that the sad affair was an accident. The late Cadet Hacker was thirty-two years of age and had enlisted with one of the artillery units in Charlottetown. Later he secured a transfer to the Royal Air Force and had been in training for some weeks before the fatality occurred. He was the only son of the late Mr. Thomas Hacker, Bedeque, and was a splendid type of young manhood. He was a graduate B. S. A., of McDonald College, and only recently received his commission as Lieutenant. He is survived by two sisters, Miss Sadie Hacker, in the employ of Messrs. James Paton & Co., Charlottetown, and Miss Louise of Summerside. The father and mother had predeceased him by several years. The bereaved sisters will have the heartfelt sympathy of a wide circle of friends in the sorrow that has suddenly overtaken them.

BRIGHT PROSPECTS.—Crops of all kinds are looking very well in the Eastern part of the Province and it appears as if Ceres is going to bless with abundance the extra efforts of the farmers to provide for the home needs and have some to spare for those who are fighting for National existence and liberty.

A FINE SHOWING.—The report of the work of the First Methodist church, Charlottetown, covers thirty-two pages. Total receipts \$10,665.41. The Sunday school has enrolled 430, average attendance of 211. Messrs. E. H. Beer and E. T. Higgs are superintendents. Rev. Robert G. Fulton is pastor much admired and beloved.

FURTHER PARTICULARS as to the death of Lieut. Archie Lefurgey, of Summerside have been received and is but another evidence of the bravery of our P. E. Island boys. Lieut. Lefurgey was killed in action in the retreat of March 23rd. He had been wounded and was getting away when he went back to help a wounded Corporal. He was fired on and killed instantly. The Corporal was taken prisoner and has written the above particulars to the Red Cross in London.

FUNERAL YESTERDAY.—The funeral of the late Mr. Edward Skerry, who died after a brief illness in the General Hospital at Medicine Hat, Alta, took place from St. Paul's Church Tuesday afternoon. The floral tributes were the beautiful silent expressions of sympathy from friends of the family. The pall bearers were: Messrs W. F. Tidmarsh, T. L. Strickland, Capt. F. D. Beer, Capt. W. F. Batt, S. F. Hodgson and W. W. Clark. To the family in their sad and sudden bereavement much sympathy is extended.

SERIOUS FIRE.—A fire which started from a defective flue Monday morning at 7 o'clock entirely destroyed the interior of Mrs. Robert McKenzie's dwelling, Souris most of the furniture down stairs was saved, but bedding and furniture upstairs was destroyed. The firemen were promptly on hand and saved the outer frame of the house and the adjoining buildings Mrs. McKenzie's husband has been in the army for the last two years. Mrs. Frank Conroy generously took in the little family of 5 or 6 children. There was little or no insurance.—S.

PEAT DEPOSITS.—Mr. James Duncan of Dundas who is employed by the Government to locate the deposits of peat in the province is paying New Perth a visit, and has located deposits of peat on the farm of Messrs. Mort McLean and Oliver McNeill. Mr. Duncan is authority on the curing of peat and has given those men valuable information about drying this fuel. Mr. McLean and McNeill may consider themselves fortunate in having such deposits of fuel within easy reach as peat fuel will soon come into general use, it being proven to have great heat giving qualities.

Many in this province will learn with regret of the death of Rev. W. P. Archibald, D. D., which occurred at the Victoria General Hospital, Halifax on Sunday night last, after a brief illness. The late Dr. Archibald was born in Musquodoboit, N. S. He graduated B. A. at Dalhousie in 1872 and M. A. in 1878. In 1888 he received the degree of B. D. at the Presbyterian College, Halifax and his D. D. in 1911. He was ordained in 1876 and his first charge was in the Hampton, Bonshaw congregation. He later accepted the pastorate of the Cavendish Presbyterian Congregation and 1904 became pastor of the Springside N. S. Congregation. He was regarded as one of the ablest men in the Maritime provinces and was for a term Moderator of the Maritime Synod. His wife formerly Miss Minnie Ramsay of Summerside predeceased him by several years. His funeral takes place today at Springside, Upper Stewiacke.

You pay the same war tax on a pound of cheap, poor tea that you pay on Red Rose. In other words you pay 10¢ war tax on a cheap tea which will make perhaps 150 cups to the pound and you pay the same 10¢ tax on a pound of Red Rose which easily makes about 250 cups.

You will find today more value, more economy, more real satisfaction in Red Rose Tea than ever before.

It is truly a war time tea.

Cuticura Heals Pimples On Face That Itched and Burned. Scratched Constantly.

"I had pimples and blackheads on my face which were caused by bad blood. They came to a head and were hard and red causing disfigurement for the time being. They itched and burned so much that I constantly scratched and made them worse.

"I sent for a free sample of Cuticura Soap and Ointment, and afterwards bought more. Now I am completely healed." (Signed) Miss Josephine A. Wetmore, 35 Sheriff St., St. John, N. B., Aug. 10, 1917.

Keep your skin clear by using Cuticura for every-day toilet purposes.

Free Sample Each by Mail address post-card: "Cuticura, Dept. A, Boston, U. S. A." Sold everywhere.

WOUNDED.—Mr. Morris Gallant, New Acadia, has been notified that his son Private Joseph Harmony Gallant was officially admitted to Duchess Connaught Red Cross Hospital on August 13th suffering from gunshot wound in abdomen.

Mrs. Margaret Cobb Harvey, wife of the late John Harvey, passed away quietly at her home in Cape Traverse, just five months after the death of her husband. She was a daughter of the late Daniel Cobb, of Bedeque, and was born May 5, 1851. Since her marriage some forty years ago she has lived in Cape Traverse. At intervals during the past ten years she has suffered from a weak heart until finally it has ceased to beat. Mrs. Harvey was the mother of eight children, only one of whom died in childhood. The other seven survive her, though widely scattered throughout Canada: Fred, Edith and Gordon being in Cape Traverse, Dan in Winnipeg, Harry in Toronto, Bruce in Vancouver, and Mrs. Ira Cameron in Carman. The last two were unable to be present at the end.

Mrs. Harvey was one of those mothers who tried to realize the highest good through her children, whose welfare constituted her happiness. In them she tried to instill love of virtue and to create habits of usefulness. Though of a retiring disposition she was a strong character, much loved and respected by all who met her in her own home. Both she and her husband will be greatly missed not only by their children but by the church, the school and the community.

The funeral services were conducted by the Rev. J. McKay, assisted by the Rev. John Stirling.

Watson's UNDERWEAR

Those who appreciate style, fit and finish in their underwear, invariably ask for Watson's. The Spring Needle Ribbed stitch gives our garments added softness, greater strength, and longer life. Made for men, women and children in all styles, sizes and fabrics.

The ENTERPRISE Warm Air Blazer Furnace

Makes Your Coal Last Longer

Because of its reasonable fuel consumption and the thorough manner in which it burns the coal, the Enterprise Blazer is most economical to operate. It warms the whole house, not in uncertain spells of extreme or moderate heat, but by maintaining a comfortable uniform temperature all the time.

MAKES YOUR COAL LAST LONGER

When an undue amount of nervous energy is consumed in the brain there is bound to be failure of the other functions of the body. Digestion is impaired—the head aches—you cannot sleep—you are easily excited and irritated—feel tired and lack energy.

Dr. Chase's Nerve Food is a creator of rich, red blood and a builder up of the exhausted, nervous system.
