DIES WHILE ON ACTIVE SERVICE— Pte. Alexander (Sandy) Stewart, son of Mr. and Mrs. Dougald Stewart of Wood Islands North, is listed as having died while on active service overseas, according to the 249th Canadian Army's casualty list of the war, issued Wednesday night. Pte. Stewart, who was about 35 years of age, was serving with a Nova Scotia and P.E.I. Regiment. He has been in England for some time. The deceased had returned to his native province only a short time before the outbreak of war after having lived in the United States for several years. He had worked as a Life Guard in the States. There are three other brothers in the armed forces. These are: Raymond (Stub), with the Canadian Army Overseas; George, with the P.E.I. Highlanders and Eric with the Canadian Navy. Other brothers and sisters surviving include: Beth, married in the United States; Belle, married in Upper Canada; Dougald in Montreal and Bruce at home.

MISCELLANEOUS SHOWER — A very enjoyable evening was spent at the home of Mr. and Mrs. Bertram Stordy, Crapaud, in honor of their daughter Marjorie Minnie, whose marriage to Mr. Nelson Molyneaux, Charlottetown, took place December 24. The room was tastefully decorated for the occasion. The bride was escorted to the seat of honor by Mrs. Olga Sorenson. A heavily laden basket was then carried in by Misses Shirley Myers and Miriam Howatt. The parcels were opened by Miss Margaret MacKenzie, and the accompanying verses were read by Miss Lois MacVittie, while Miss Noreen Simmons arranged the gifts on the table. In a few well chosen words, Marjorie thanked her many friends for their lovely gifts. After singing "For she's a Jolly Good Fellow", the remainder of the evening was spent in dancing, music being furnished by Messrs. SUPREME COURT — The only case before the Supreme Court yesterday was that of Barbour & MacDonald, motor car salesmen, respondents, vs. James Power, appellant, an appeal from a judgement in the County Court in the amount of $491.70 debt incurred in the purchase of a second hand 1941 sedan car. Mr. Justice A. E. Arsenault presided. The judgement, which was given last Oct. 30 was appealed on the ground that the car was not satisfactory. The only witness heard yesterday was Wendell Barbour. When the Court resumed in the afternoon it was announced the parties had agreed to a settlement of $300 in favor of the respondents. The Court adjourned until this morning at 10.30 when the excise appeal cases of the King vs. Lawrence LeBlanc and the King vs. John W. LeBlanc will be heard.

IS RESTING COMFORTABLY—The many friends of Mrs. M.W. Wood, Southport, will be pleased to know that she is resting comfortably in the Prince Edward Island Hospital, where she has been a patient for the past few days.

MADE BETTER TIME — The train last night made better time than earlier in the week. It reached here at 8.10 p.m. Delayed mainland connections and ice in the Strait were the causes for its being an hour and thirty-five minutes behind schedule. The ferry crossing was made in an hour and a half. 125 passengers came to the city on last night's train.

KNIGHTS OF PYTHIAS MEET —The regular weekly meeting of the Knights of Pythias Lodge was held in the lodge rooms last night with the Chancellor Commander, I.G. MacLaren presiding. Routine business was disposed of and committees were appointed for the coming term. Among the activities of the evening the members placed blackout screens on the windows of the lodge room. This is perhaps the first lodge room in the city to be so equipped. Light refreshments were served, and the social hour was enjoyed by the members.

A COINCIDENCE — Just another coincidence — but still interesting — was the way Mr. Ira Brown of Charlottetown described it. He said he learned yesterday that while Lac. Syd Summerfield of the R.A.F. here was being entertained at the Brown home on Cumberland Street during the Christmas holidays his son, Laurence G. Brown, who is serving with the R.C.N.V.R. was being entertained at the home of Summerfield's mother in London. Mr. and Mrs. Brown received a letter from their son yesterday. He is serving as coxswain and was one of the naval men to take part in the combined operations at Dieppe.

LIQUOR SEIZED — Members of the Royal Canadian Mounted Police and City Police joined forces last night and made raids on a number of dwellings in Charlottetown suspected of being places where bootleg liquor was handled. The raids netted one complete still, 10 gallons of mash, 15 gallons of home made beer and more than a gallon of moonshine. The still, found in operation on a kitchen stove, was seized in a house on Weymouth Street. At the same place 10 gallons of mash were found and destroyed. At another establishment on the same street 15 gallons of beer were located and destroyed. A half-gallon of moonshine was seized at a place on Richmond Street. On the same street a youth dropped a can containing three-quarters of a gallon of moonshine. He ran when police attempted to stop him but was caught after a chase. Police making the raids included: Cpl. N. A. Shaw, Constable S. W. Leard and Constable Morrison of the R.C.M.P., and Constable A. J. Lund of the City Police Force.

Many friends of Mrs. George Keefe, City, will regret to learn of her illness in the Prince Edward Island Hospital, where she has been a patient for the past two weeks.

## Mr. G. H. Barbour Discusses Prices

The retail prices of five important food items in Charlottetown were dealt with yesterday afternoon by Mr. G.H. Barbour, Prices and Supply Representative of the Prices Board, in a talk to the Women's Regional Advisory Board. These were: Eggs, potatoes, butter, poultry and oranges.

Mr. Barbour cited the following prices during his talk which, he stated, were the prices prevailing in the majority of Charlottetown stores: Larger oranges per dozen 45 to 49 cents and the smaller sizes 35 to 39; Grade A large eggs 41 to 49 a dozen, grade A medium 39 to 43 and pullets 35 to 39; chicken, grade A 32 to 35 cents; fowl 29 cents; creamery butter 40 to 41 cents a pound and potatoes per peck 25 to 30 cents.

Mr. Barbour stated that these prices, with the exception of oranges which should be a little lower, are satisfactory. The fact that only a small number of complaints have been received from the Advisory Committee since he has been Prices and Supply Representative reflects the splendid co-operation being given by the merchants of this city, Mr. Barbour said.

Ten committee members out of a total of 14 were present at the meeting which was presided over by Mrs. E S Coffin, the chairman.

## B.I.S. Members Thanked For Splendid Hall

On Wednesday evening, January 13, members of the Benevolent Irish Society and their wives were fittingly entertained by the children of St. Vincent's Orphanage in their beautiful new recreation hall which was provided through the generosity of the society.

The added space, which this room provides will in a great measure relieve the congestion of overcrowded quarters which were commonly used for this purpose.

The Benevolent Irish Society is deserving of great praise for having undertaken this most worthy work, which will ever stand a monument to their outstanding beneficence.

At the close of the program, which was thoroughly enjoyed by all the chairman, Rev. J. A. Sullivan, Ph.D., in well chosen remarks thanked the children for their fine performance.

Following this the President, Mr. Thomas McAvinn, assured those present of the great pleasure which the members of the society derived in doing this work for the orphans.

The other members were called upon in turn by the chairman and each in his own humorous and pleasing way responded with alacrity.

While refreshments were being partaken of Hubert McAulay on behalf of the children read a short address, a summary of which follows, which was heartily responded to by the members.

Special mention is due Mr. Patrick McTague one of the veteran members of the Society for his humorous and enlightening speech at this point in the program.

Rev. Mother M. Paula then on behalf of the Sisters graciously thanked those present for their kindly interest in the Institution, assuring them of the continued remembrance in the prayers of both Sisters and children.

Following is the summary of the address: Members of the Benevolent Irish Society, we the children of St. Vincent's Orphanage, on this occasion wish to extend to you our most sincere thanks for the great interest you have shown in our behalf in providing us with this beautiful play room.

Many times in the past we longed for sufficient space for our games, yes and space even for our friendly spats.

Now that this dream has been realized, we cannot find words with which to thank you sufficiently.

We are looking forward to many happy times in this new room and we are sure that it is with a feeling of pride and of service well rendered that you view this your work tonight. There is little we can do for you in a material way but we assure you that we will do what we can spiritually by way of recompense.

Wishing you every blessing during the New Year.
