through the tissues; you feel it drawing out the congestion, feel it sink in deeper and deeper till at last it touches the core of the joint or the heart of the muscle affected. You won't stay in pain with Nerviline—no one ever does. Nerviline is not used internally. You just rub it on—lots of hard rubbing most economical; trial size 25 cents is required for a minute or two, and all dealers, or the Catarhazone Co. then you feel Nerviline penetrating Kingston, Canada.

Effective Spring Tonic Overcame Weakness

System was All Run Down—Could Not Attend to Work—Lasting Cure Effected by Dr. Chase's Nerve Food

The cold, changeable Canadian winter is a severe strain on all who are not in robust health. This is proved by the many leaths, particularly of aged people, which occur about March, and the very many people who find themselves weak and run down in the spring.

The overeating of heavy food and living in stuffy rooms, where the air laden with poison, leave the blood impure in the spring. You must have something to restore vigor, and, as stated in this letter, Dr. Chase's Nerve Food is the most effective spring tonic.

If you have any doubt on this point just read the letters that are appearing daily in this paper from persons who have proven the efficacy of this great food cure. No medicine ever aroused so much enthusiasm in those who have used it.

Mr. A. Sicard, Dana, Sask., writes: "When I began to use Dr. Chase's Nerve Food my system was so much run down that I was weak and exhausted, and could not attend to my work. The effect of the nerve food was almost like magic, for in a few days the weakness wore away, and I found strength and vigor being restored to the body. That cure was effected three years ago, but I generally use the Nerve Food in the spring as I can find no treatment so effective as a spring tonic."

You can avoid the headaches, the depression the indigestion and tired, worn-out feelings this spring if you begin at once the use of Dr. Chase's Nerve Food. This great prescription enriches the blood, and there is no germicide so effective as pure, rich blood. Fifty cents a box, 6 for \$2.50. All dealers, or Edmanston Bates & Co., Limited, Toronto.
