

What Doctors Think of the Laxative Habit

In all history, no Indian was ever known to have constipation. Nor need YOU. He chewed the bark of a tree called cascara. Today, we have the candy cascaret.

Cascaring the bowels never forms a laxative habit. If already formed, an occasional cascaret will usually break the habit. For cascara strengthens the muscular walls of the bowels, and their need of any aid at all grows constantly less. What other cathartic has this characteristic? The writer knows of none.

An evacuation brought gently about by cascara will, nine times in ten, be followed by full functioning of the bowels on the morrow—and for days after. For there is no REACTION as the sickening salts, or any of the man-made purgatives that go through one's system like a bullet.

Physicians tell us cascara is the ideal laxative—and the tongue tells

us candy cascarets are its ideal form. At least a million people know this; what a pity there are any who don't! Especially parents; because children love to take a cascaret. After which, for days-on-end, the bowels will be seen to work of their own accord.

The only habit from cascara is that of regularity! Cascarets tone and train the bowels. But at the first sign of retarding sluggishness another cascaret is as effective as the first.

There isn't a druggist who hasn't cascarets, so WHY experiment with laxatives?

CASCARETS They Work While You Sleep!

MATTHEWS CASE BEFORE THE SUPREME COURT

(Continued from page 1.)

Q. Why did you tell the police officers when they came to your house on Sunday afternoon that Matthews was not at your place?

A. I did not tell them anything. The next time they came back he was there. I never told them that Matthews left the house before nine o'clock that morning and I never signed a statement to that effect.

Mr. Campbell:—You got two kinds of oath. You say you might have told them and you might not, and that you might have been in jail for a year and you might not.

I am a good friend of the prisoner. He is also good friends with my wife.

Mr. Campbell:—Did you know your wife beat him up in the back yard?

A. No she never beat him up.

Q. Did you know your wife threw a bucket of water over him?

A. I don't know.

Mr. Campbell:—You can tell the time the prisoner left Sunday but you cannot tell what time the police officers came?

Witness:—The police officers came about nine o'clock.

Mr. Campbell:—Do you mean to tell the court that knowing Matthews were there you told the police officers that Matthews wasn't there?

A. He came back after being out in the morning.

Mr. Campbell:—You said he was in the yard and then you told the police officers you did not know where he was.

Q. Did you tell the police that he left your place at nine o'clock Saturday night for Large's Livery Stables?

A. No.

Q. What do you suppose then the police would be doing at Large's Livery Stables looking for Matthews?

A. The prisoner often put his horse up there.

Court adjourned to resume at 10.30 this morning.

SHAPELY JELLIES

If serving cranberry jelly or other jellies, why not make them twice as attractive by moulding them in fancy shapes? Small moulds are very inexpensive.

CREAMED TONGUE

Slices of tongue, baked in thick cream sauce and covered liberally with pimento strips, make a nice luncheon dish.

There's a saying both witty and sage.

We accept it without a demur A woman stops telling her age When her age begins telling on her.

Young Scott: "Do you know the difference between a taxicab and a tramcar?"

Girl: "No."

"Good; then we'll take a tramcar."

ASPIRIN

The whole world knows Aspirin as an effective antidote for pain. But it's just as important to know that there is only one genuine Aspirin. The name Bayer is on every tablet, and on the box. If the name Bayer appears, it's genuine; and if it doesn't, it is not! Headaches are dispelled by Aspirin. So are colds, and the pain that goes with them; even neuralgia, neuritis, and rheumatism promptly relieved. Get Aspirin—at any drugstore—with proven directions.

Physicians prescribe Aspirin; it does NOT affect the heart

Aspirin is the trade mark (registered in Canada) indicating Bayer Manufacture. While it is well known that Aspirin means Bayer manufacture, to assure the public against imitations, the Tablets will be stamped with their "Bayer Cross" trademark.

EASTERN NEWS

Mrs. J. Paquet, rumor, and son Buddy, are on a visit to Boston.

Miss Muriel Dixon, Souris Centre, is on a visit to her home in East Baltic.

Mr. J. R. Leard, Principal Souris High School, was a passenger to Ch'town last week.

Miss Mary McLean, McGill University, is spending the holidays with her parents, Mr. and Mrs. H. L. McLean, Souris.

Mr. and Mrs. Robert W. Dixon, East Baltic, were recent visitors to Rollo Bay West, in attendance at the funeral of Mr. Dixon's mother.

Mr. W. E. Francis, South Lake, was a recent visitor to Souris, en route to Fortune on a visit to his parents, Mr. and Mrs. J. S. Francis.

The cake recently lotteried in Souris, was won by Mr. Andrew McDonald, who was the lucky guesser of what the sealed can contained—viz, a "prune."

Misses Helen, Margaret and Jean McLean, Miss Elizabeth McDonald, Mr. Wendell Leard and Mr. Kenneth Fraser, Students, City, who were spending the holidays at their respective homes, have returned to Ch'town.

The "weather man" seems very undecided as to just which style of weather he prefers at present, and as to settling down to using any one vehicle, well, it is impossible. Wagons were the favorite New Year's Day.

Radios, and still more radios! Among some of the latest to be installed in this vicinity are sets in the residences of G. A. Wood, Rollo Bay West; Geo. R. Dixon; Wm. A. Dixon; Geddie Coffin and Douglas Aitken.

It is pleasing to note that in the recent Portfolio Competition, three prizes came to the Eastern section of Kings, namely a Silver Medal to Souris School, a Silver Medal to Fortune Bridge School, and a Bronze Medal to East Point school.

The Annual Meeting of the Rollo Bay Branch of the Women's Missionary Society, which has always been held at the home of Mrs. Douglas Aitken on Friday, Jan. 13th, has been postponed to a later date, owing to the inclemency of the weather.

A very enjoyable dance was given by Miss Augusta McDonald, at the home of her parents, Mr. and Mrs. James McDonald, Red House, on the evening of Dec. 30th. The music was lively indeed, and youth surely did "chase the glowing hours with flying feet."

At Bay Fortune, Dec. 30th, at the home of Mr. and Mrs. Reid Underhay, the Ladies Aid held a very successful supper. The attendance was quite large, and the "supper" served as only the Ladies know how—was tempting enough for the most fastidious. Approximately sixty (\$60) dollars was realized.

Eglinton School held its Public Examination on Friday afternoon. A large number of visitors were present, and the pupils made a very creditable showing indeed, and reflecting the careful training of their teacher, Miss Myrtle Dingwell. Last but not least came a splendid programme, and the distribution of gifts from the Xmas Tree. The school officers expressed themselves as delighted with their afternoon's entertainment.

Visitors to Fortune and Rollo Bay recently were Mr. C. H. Townsend, St. John; Mr. H. Spence, City; Miss Martha Townsend, Montague; Mrs. Geo. Thompson, Montague; Mrs. Earl McEwen, Greenwich; Mrs. Earl McLaren, Belmont; Miss Ruth Coffin, City; Mr. Fred Barrett, City; Misses Olive and Evelyn Johnson, City; Mr. Samuel Johnstone, Sackville; Mr. Fulton Underhay, Halifax; Miss Florence Townsend, Newham; Mass.; Mr. Orton Dingwell, City.

In the passing of Mrs. Margaret Dixon, Rollo Bay West, an estimable lady has been removed from our midst. Though over eighty-seven years of age, Mrs. Dixon had up until a short time of her death, taken a keen interest in all the happenings of her district. The head of the fifth generation, it is a noteworthy fact that she leaves about one hundred descendants to mourn the loss of "Mama", as she was familiarly known to all. She was tenderly cared for during her illness by her daughters Margaret and Minnie (Mrs. J. D. Coffin) and grandchildren, who resided with her on the old Homestead. Of her it may be truly said, Beauty is old age; beautiful is the slow-dropping mellow autumn of a rich, glorious summer.

The trustees of Fortune Bridge school are at present arranging for the getting out of lumber and material for new hardwood floors, etc., in their up-to-date school building. Rumour has it also that a concert is under way for the Hall Fund.

J. S. Francis & Sons are at present very busy in their carriage factory, completing their high-grade sleighs, the demand for which seems to be steadily increasing. People evidently believe in "buying at home" in this case, and thus proving that they will do so in all cases if they get value for their money.

The various schools held their public examinations, and Fortune Bridge held its Xmas Tree in the Hall on Dec. 22nd. The programme was as follows:—Welcome Song "Shout Boys, Shout The Heavens" (Seniors); Recitation, St. Nick's Letter—Norah Jackson; Xmas Exercise, The Christmas Message—Shepherds, Wise Men, etc. (Senior Pupils); Drill March, Xmas Stockings, (in costume)—Junior Pupils; Recitation, Troubles of George—Basil Johnson; Song, "Santa Claus has come to Town"—Juniors; Star Drill—Junior Pupils; Chorus, Oh! Santa Claus Dear Santa Claus—Seniors; Holly Drill—Seniors; Bell Drill—Juniors; Recitation, "The Baby's Stocking"—Gladys Aitken; Dialogue, featuring "December"—"Jack Frost", Snow Queen and Fairies—"Grandma", "Grandpa", "Children", "Santa", and A Xmas Tree—Senior Pupils; Good Night song—school.

Mr. and Mrs. Reudolph Peters and family have lately moved to Souris, where Mr. Peters has opened a meat-shop. Mr. Peters has had considerable successful experience in the meat business, and we trust he will do well in Souris.

Troubled With Lame Back Day and Night

DODD'S KIDNEY PILLS RELIEVED HIM

Saskatchewan Man Has Not Been Troubled Since

Muenster, Sask., Jan. 20 (Special)—"I was troubled very badly with lame back day and night," writes Mr. John Stell, a well-known and highly respected resident of this place. "I also had urinary trouble which caused me to get up many times during the night. Two years ago I took five boxes of Dodd's Kidney Pills, which relieved me from this trouble till a year ago when I got a touch of it again. Two boxes of Dodd's Kidney Pills completely relieved me again, and I have not been troubled since."

If you have any symptoms of Backache you may be sure your kidneys are the cause of more than half the ills to which mankind is heir.

Dodd's Kidney Pills act directly on the kidneys, making them strong and healthy. Sound kidneys mean pure blood. Pure blood means good health.

CANADIANS FIND JAMAICA PLEASANT HOLIDAY RESORT

The closer trade relations between Canada and the British West Indies and the improved passenger services have turned the trend of Canadian vacationing to the islands in the warmer seas.

The Canadian trade commissioner in Kingston, Jamaica, reports that house rents in his district are \$45 per month unfurnished to \$100 or \$125 for a well furnished home. Fairly efficient servants may be had for \$3 or \$4 a week but where one is required in Canada three or four are required in Jamaica.

Native foodstuffs are cheap, but imported products are double and triple the price in Canada.

It costs a family of four, living in a modest way, about \$125 per month, rent included, to live.

"Ma! There's some 'un at the door!"

"Well, find out which instalment collector 'it is."

A kind-hearted owner-driver stopped and offered a lift to an ill-visaged female who was plodding towards the nearest village.

"No fear," replied the unbuttoned one, emphatically, "I've heard all about you young sparks before."

Mr. and Mrs. Fred Barrett were visitors to the City last week.

Potatoes are still moving in this part, large shipments being made every day.

B. Creamer, Souris, was a visitor to the City last week, registered at the Queen Hotel.

Mr. and Mrs. Frank Dixon, Cardigan, were visitors to Rollo Bay West last week.

The Christmas season passed very quietly in Fortune and Rollo Bay, and old 1927 was closed with a quiet event. During the latter part of the year a number of deaths occurred, which plunged a good many families into grief, and thus festivities were postponed.

Inspector Hynes visited Fortune school Thursday, the 12th. He found things in very good shape, and expressed himself as well pleased with the attendance, there being about fifty pupils present. Mr. Hynes also congratulated the pupils on their splendid portfolio.

Fred Hussey, Secretary, Mrs. Sally Stanley, Assistant Secretary, and John N. Chaisson, Vice-President of the Club, General Manager in the absence of the President, Mr. J. DISTRICT LODGE MEETING

The annual meeting of Crapaud District L. O. L. was held in Prince Arthur Lodge room, Crapaud, on the afternoon of Tuesday, Jan. 10, 1928. The day being fine, a large number of brethren assembled. The proceedings were marked with good cheer, enthusiasm and bright prospects for the future. The District Master, Bro. Fred G. Sherrin, in his admirable address, first extended a hearty welcome to all the brethren, then touched humorously upon the fact that this should be a year full of hope for those brethren who have not yet taken one important degree, that of "Benedictus." Yes, cheer up, do not be disconsolate; this is Leap Year. Bro. Sherrin also in an able manner touched upon Canada's Jubilee Celebration of Confederation, and the late provincial election, with its temperance issue, and tactfully drew the attention of the brethren as to how true Temperance affected them as members of this Association. After routine business, the following officers were elected for the ensuing year, and duly installed by Past Country Master, Bro. Crisp Moore:—D.M.—Donald Ferguson, (Capt.) D.D.M.—Walter S. McPhail. D. Chap.—Thomas Stinnum. D.R.S.—Stewart Inman. D.F.S.—Daniel McNevin. D. Treas.—J. Grager McPhail. D. Mar.—Dugald McKinnon. D. 1st Lect.—George H. Inman. D. 2nd Lect.—Arch. Shaw. D. Auditors.—D. J. Campbell and J. V. Moore.

After closing of Lodge the members of Princess Mary L. O. B. A. came upon the scene, and agreeably surprised all present by presenting an admirable program as follows:—Opening chorus, "Marching Through Georgia"; recitation, by Jessie Dawson; solo, "I'm Glad My Heart's My Ain Yet," by Lollie McVittie; contest, Observation Test; duet, "Honolulu Moon," by Lollie McVittie and Winnifred Best; recitation, "Miss Maloney on the Chinese Question," by Lizzie McKinnon; solo, "Side by Side," by Amy McVittie; contest, "Ads"; solo, "Fairly Caught," by Winnifred Best; recitation, "The Excuse Man," by Muriel Best; recitation, "The Cremation of Sam McGee," by Horace Cameron; reading, by Theo. Beaton; solo, "When You and I were Young, Maggie," by Hector McNevin, his wife would be happier as a widow; closing chorus. At the widow's conclusion, a hearty vote of thanks moved by D. J. Campbell, seconded by J. J. McLeod, was tendered to the ladies for their assistance in making the time enjoyable. (Patriot please copy.)
